(b) Any traffic control photographic system or any device which is a part of that system, as described in subsection (a) of this section, installed on a street or highway which is a part of the State highway system shall meet requirements established by the North Carolina Department of Transportation. Any traffic control system installed on a municipal street shall meet standards established by the municipality and shall be consistent with any standards set by the Department of Transportation.

An ordinance authorized by this subsection shall provide that:

- (1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 21 days after notification of the violation, furnishes the officials or agents of the municipality which issued the citation:

 - b. The holder of any license issued by the Board who shall fail to renew the same on or before January 31 of the calendar year for which the license is to be renewed shall have forfeited and surrendered the license as of that date. No license forfeited or surrendered pursuant to the preceding sentence shall be reinstated by the Board unless it is shown to the

A licensee who is issued an initial license on or after July 1 does not have to satisfy the continuing education requirement for that year.
- e. The Board shall not renew a license unless fulfillment of the continuing education requirement has been certified to it on a form provided by the Board, but the Board may waive this requirement for renewal in cases of certified illness or undue hardship or where the licensee lives outside of

North Carolina and does not practice in North Carolina, and the Board shall waive the requirement for all licensees who have been licensed in North Carolina for a continuous period of 25 years or more, and for all licensees who are, at the time of renewal, members of the General Assembly. ~~The waiver for 25 year licensees shall apply only to those licensees who, before January 1, 1998, are licensed, begin a course of study in a mortuary science college or a trainee program, or make an application for a license.~~

Persons previously licensed by the Board as a funeral director may engage in funeral directing, and persons previously licensed by the Board as an embalmer may engage in embalming. Except for special permits issued by the Board for teaching continuing education programs and for work in connection with disasters, no special permits may be issued to nonresident funeral directors, embalmers, and funeral service licensees from states that do not issue similar courtesy cards to persons licensed in North Carolina pursuant to this Article.

The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall,

on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. – A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(g) This section applies only to Avery, Brunswick, Craven, Currituck, Davie, Granville, Madison, Nash, Person, Randolph, Scotland, and Transylvania Transylvania, and Washington Counties."

SESSION LAW 2001-312

AN ACT TO DIRECT THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA, IN COOPERATION WITH THE STATE BOARD OF EDUCATION AND THE STATE BOARD OF COMMUNITY COLLEGES, TO STUDY THE MEASURES USED FOR ADMISSIONS, PLACEMENT, AND ADVANCED PLACEMENT DECISIONS BY THE CONSTITUENT INSTITUTIONS OF THE STATE'S UNIVERSITY SYSTEM, TO ALLOW INTELLECTUALLY GIFTED YOUTHS TO ATTEND COMMUNITY COLLEGES,

AND TO ALLOW CERTAIN YOUTHS TO BE EMPLOYED
BY INSTITUTIONS OF HIGHER EDUCATION.

The General Assembly of North Carolina enacts:

SECTION 1.(a) The Board of Governors of The University of North Carolina, in cooperation with the State Board of Education and the State Board of Community Colleges, shall study the measures used by the constituent institutions to make admissions, placement, and advanced placement decisions regarding incoming freshmen and shall assess the various uses made of those measures and the validity of those measures with regard to a student's academic performance and as predictors of a student's future academic performance. They shall also assess whether other alternative measures may be equally valid or more accurate as indicators of a student's academic performance. In the study, particular consideration should be given to whether or not to eliminate, continue, or change the emphasis placed on the Scholastic Aptitude Test (SAT) and ACT Assessment for North Carolina students as a mandatory university admissions measure. The study should review incorporating the State's testing program into admissions, placement, and advanced placement decisions. Based on its findings, the Board of Governors of The University of North Carolina, in cooperation with the State Board of Education and the State Board of Community Colleges, may develop recommendations to improve the measures used to assess a student's academic performance, to adopt alternative measures, or to use various combinations of both to determine more accurately a student's academic knowledge and performance.

SECTION 1.(b) The study required by subsection 1(a) of this act may address all of the following:

- (1) Admissions. – The Board of Governors may examine the key elements used for making admissions decisions in the State's University System. Included in the factors to be studied are grade point average, class rank, and the SAT and ACT Assessment. Each element may be studied for reliability and validity independently and as used together. The Board of Governors may also compare the State's end-of-course testing with the SAT and ACT Assessment, assess how each reflects a student's academic performance, and consider shifting the emphasis currently placed on the SAT and ACT Assessment as an admissions measure to the State's end-of-course tests or other available tests as an admissions measure. In its study, the Board of Governors may consider eliminating, continuing, or changing the emphasis placed on the SAT and ACT

Assessment as an admissions measure for North Carolina students applying to the State's constituent institutions. The Board of Governors may also consider methods for accurately comparing the academic performance of applicants who do not have the benefit of the State's end-of-course testing program with applicants who do have the State's testing program.

Recommendations should be made to improve the consistency and fairness of each measure independently and as used together for admissions decisions. These recommendations may include the use of North Carolina end-of-course tests as an element in admissions decisions alone or in combination with a change of the weight of emphasis on the SAT and ACT Assessment. The recommendations may also include maintaining the current process.

The Board of Governors may review with the State Board of Education recommendations that incorporate end-of-course testing as part of the admissions process. The State Board of Education may develop recommendations to improve the alignment of end-of-course tests and secondary coursework with the expectations of the constituent institutions and the State Board of Community Colleges.

- (2) Placement. – The Board of Governors may consider reviewing the assessment methods currently used by constituent institutions for remediation placement decisions. Recommendations may be developed to provide greater consistency, reliability, and validity for remediation decisions. North Carolina end-of-course tests may be considered for use in these decisions.
- (3) Advanced placement testing. – The Board of Governors may review the use of test scores in granting college-level course credit by constituent institutions.
- (4) Other relevant issues. – The Board of Governors may study any other issues relevant to college and university admissions, placement, and advanced placement measures.

SECTION 1.(c) The Board of Governors may make an interim report regarding its studies and plans to the Joint Legislative Education Oversight Committee no later than March 1, 2002, and shall submit a final report to that Committee by December 1, 2003. It is recommended that the study continue beyond the final report date. Interim and final reports of the Committee may include recommended legislation.

SECTION 2. Article 1 of Chapter 115D of the General Statutes is amended by adding a new section to read:

"§ 115D-1.1. Discretion in admissions.

(a) Notwithstanding G.S. 115D-1, a student under the age of 16 may enroll in a community college if the following conditions are met:

 - c. The person who provides the academic instruction in the home school in which the student is enrolled.
 - d. The designee of the board of directors of the charter school in which the student is enrolled.

(b) The State Board of Community Colleges, in consultation with the Department of Public Instruction, shall adopt rules to implement this section."

SECTION 3. G.S. 95-25.5 is amended by adding a new subsection to read:

As used in this subsection, "institution of higher education" means any constituent institution of The University of North Carolina, any North Carolina community college, or any college or university that awards postsecondary degrees."

SECTION 4. Section 2 of this act is effective when it becomes law, and shall apply to the 2001-2002 academic year. Section 2 of this act expires September 1, 2004. The remainder of this act is effective when it becomes law.

SESSION LAW 2001-320

AN ACT TO ESTABLISH MEDIATED SETTLEMENT PROCEDURES IN DISTRICT COURT ACTIONS INVOLVING FAMILY FINANCIAL ISSUES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 7A-38.4 is repealed.

SECTION 2. Article 5 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"§ 7A-38.4A. Settlement procedures in district court actions.

(a) The General Assembly finds that a system of settlement events should be established to facilitate the settlement of district court actions involving equitable distribution, alimony, or support and to make that litigation more economical, efficient, and satisfactory to the parties, their representatives, and the State. District courts should be able to require parties to those actions and their representatives to attend a pretrial mediated settlement conference or other settlement

procedure conducted under this section and rules adopted by the Supreme Court to implement this section.

(b) The definitions in G.S. 7A-38.1(b)(2) and (b)(3) apply in this section.

(c) Any chief district court judge in a judicial district may order a mediated settlement conference or another settlement procedure, as provided under subsection (g) of this section, for any action pending in that district involving issues of equitable distribution, alimony, child or post separation support, or claims arising out of contracts between the parties under G.S. 52-10, G.S. 52-10.1, or Chapter 52B of the General Statutes. The chief district court judge may adopt local rules that order settlement procedures in all of the foregoing actions and designate other district court judges or administrative personnel to issue orders implementing those settlement procedures. However, local rules adopted by a chief district court judge shall not be inconsistent with any rules adopted by the Supreme Court.

(d) The parties to a district court action where a mediated settlement conference or other settlement procedure is ordered, their attorneys, and other persons or entities with authority, by law or contract, to settle a party's claim, shall attend the mediated settlement conference or other settlement procedure, unless the rules ordering the settlement procedure provide otherwise. No party or other participant in a mediated settlement conference or other settlement procedure is required to make a settlement offer or demand that the party or participant deems contrary to that party's or participant's best interests. Parties who have been victims of domestic violence may be excused from physically attending or participating in a mediated settlement conference or other settlement procedure.

(e) Any person required to attend a mediated settlement conference or other settlement procedure under this section who, without good cause fails to attend, is subject to any appropriate monetary sanction imposed by a district court judge, including the payment of attorneys' fees, mediator fees, and expenses incurred in attending the settlement procedure. If the court imposes sanctions, it shall do so, after notice and hearing, in a written order, making findings of fact and conclusions of law. An order imposing sanctions shall be reviewable upon appeal, and the entire record shall be reviewed to determine whether the order is supported by substantial evidence.

(f) The parties to a district court action in which a mediated settlement conference is to be held under this section shall have the right to designate a mediator. Upon failure of the parties to designate within the time established by the rules adopted by the Supreme Court, a mediator shall be appointed by a district court judge.

(g) A chief district court judge or that judge's designee, at the request of a party and with the consent of all parties, may order the parties to attend and participate in any other settlement procedure authorized by rules adopted by the Supreme Court or adopted by local district court rules, in lieu of attending a mediated settlement conference. Neutrals acting under this section shall be selected and compensated in accordance with rules adopted by the Supreme Court. Nothing herein shall prohibit the parties from participating in other dispute resolution procedures, including arbitration, to the extent authorized under State or federal law. Nothing herein shall prohibit the parties from participating in mediation at a community mediation center operating under G.S. 7A-38.5.

(h) Mediators and other neutrals acting under this section shall have judicial immunity in the same manner and to the same extent as a judge of the General Court of Justice, except that mediators and other neutrals may be disciplined in accordance with enforcement procedures adopted by the Supreme Court under G.S. 7A-38.2.

(i) Costs of mediated settlement conferences and other settlement procedures shall be borne by the parties. Unless otherwise ordered by the court or agreed to by the parties, the mediator's fees shall be paid in equal shares by the parties. The rules adopted by the Supreme Court shall set out a method whereby a party found by the court to be unable to pay the costs of settlement procedures is afforded an opportunity to participate without cost to that party and without expenditure of State funds.

(j) Evidence of statements made and conduct occurring in a settlement proceeding conducted under this section shall not be subject to discovery and shall be inadmissible in any proceeding in the action or other actions on the same claim, except in proceedings for sanctions or proceedings to enforce a settlement of the action. No settlement proceeding conducted under this section shall be enforceable unless it has been reduced to writing and signed by the parties and in all other respects complies with the requirements of Chapter 50 of the General Statutes. No evidence otherwise discoverable shall be inadmissible merely because it is presented or discussed in a settlement proceeding.

No mediator, or other neutral conducting a settlement procedure under this section, shall be compelled to testify or produce evidence concerning statements made and conduct occurring in a mediated settlement conference or other settlement procedure in any civil proceeding for any purpose, including proceedings to enforce a settlement of the action, except to attest to the signing of any of these agreements, and except proceedings for sanctions under this section, disciplinary hearings before the State Bar or any agency established

to enforce standards of conduct for mediators, and proceedings to enforce laws concerning juvenile or elder abuse.

(k) The Supreme Court may adopt standards for the certification and conduct of mediators and other neutrals who participate in settlement procedures conducted under this section. The standards may also regulate mediator training programs. The Supreme Court may adopt procedures for the enforcement of those standards. The administration of mediator certification, regulation of mediator conduct, and decertification shall be conducted through the Dispute Resolution Commission.

(l) An administrative fee not to exceed two hundred dollars (\$200.00) may be charged by the Administrative Office of the Courts to applicants for certification and annual renewal of certification for mediators and mediator training programs operating under this section. The fees collected may be used by the Director of the Administrative Office of the Courts to establish and maintain the operations of the Commission and its staff. The administrative fee shall be set by the Director of the Administrative Office of the Courts in consultation with the Dispute Resolution Commission.

(m) The Administrative Office of the Courts, in consultation with the Dispute Resolution Commission, may require the chief district court judge of any district to report statistical data about settlement procedures conducted under this section for administrative purposes.

(n) Nothing in this section or in rules adopted by the Supreme Court implementing this section shall restrict a party's right to a trial by jury.

(o) The Supreme Court may adopt rules to implement this section."

SECTION 3. G.S. 7A-38.4A(o), as enacted by Section 2 of this act, becomes effective July 1, 2001. The remainder of this act becomes effective October 1, 2001.

In the General Assembly read three times and ratified this the 19th day of July, 2001.

SESSION LAW 2001-327

AN ACT TO COMBAT TAX FRAUD, ENHANCE CORPORATE COMPLIANCE WITH TAXES ON TRADEMARK INCOME, ASSURE THAT FRANCHISE TAX APPLIES EQUALLY TO CORPORATE ASSETS, AND CONFORM CORPORATE DIVIDEND TREATMENT TO THE GENERALLY ACCEPTED FORMULA USED IN OTHER STATES.

The General Assembly of North Carolina enacts:

ROYALTY REPORTING OPTION

SECTION 1.(a) The General Assembly finds that most corporations engaged in manufacturing and retailing activities in this State comply with the State tax on income generated from using trademarks in those activities. Taxpayers who do not comply, however, create an unfair burden on these corporate citizens. It is the intent of this section to reward taxpayers who comply, by giving them an option on how to file tax returns involving royalty income.

SECTION 1.(b) Part 1 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-130.7A. Royalty income reporting option.

(a) Purpose. – Royalty payments received for the use of trademarks in this State are income derived from doing business in this State. This section provides taxpayers with an option concerning

the method by which these royalties can be reported for taxation when the recipient and the payer are related members. As provided in this section, these royalty payments can be either (i) deducted by the payer and included in the income of the recipient, or (ii) added back to the income of the payer and excluded from the income of the recipient.

(b) Definitions. – The following definitions apply in this section:

- (1) Component member. – Defined in section 1563(b) of the Code.
- (2) North Carolina royalty. – An amount charged that is for, related to, or in connection with the use in this State of a trademark. The term includes royalty and technical fees, licensing fees, and other similar charges.
- (3) Own. – To own directly, indirectly, beneficially, or constructively. The attribution rules of section 318 of the Code apply in determining ownership under this section.
- (4) Related entity. – Any of the following:
 - a. A stockholder who is an individual, or a member of the stockholder's family enumerated in section 318 of the Code, if the stockholder and the members of the stockholder's family own in the aggregate at least eighty percent (80%) of the value of the taxpayer's outstanding stock.
 - b. A stockholder, or a stockholder's partnership, limited liability company, estate, trust, or corporation, if the stockholder and the stockholder's partnerships, limited liability companies, estates, trusts, and corporations are component members with respect to the taxpayer.
 - c. A corporation, or a party related to the corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of section 318 of the Code, if the taxpayer owns at least eighty percent (80%) of the value of the corporation's outstanding stock.
- (5) Related member. – A person that, with respect to the taxpayer during any part of the taxable year, is one or more of the following:
 - a. A related entity.
 - b. A component member.
 - c. A person to or from whom there would be attribution of stock ownership in accordance with section 1563(e) of the Code if the phrase '5 percent

or more' were replaced by 'twenty percent (20%) or more' each place it appears in that section.

- (6) Royalty payment. – Either of the following:
- a. Expenses, losses, and costs paid, accrued, or incurred for North Carolina royalties, to the extent the amounts are allowed as deductions or costs in determining taxable income before operating loss deduction and special deductions for the taxable year under the Code.
 - b. Amounts directly or indirectly allowed as deductions under section 163 of the Code, to the extent the amounts are paid, accrued, or incurred for a time price differential charged for the late payment of any expenses, losses, or costs described in this subdivision.
- (7) Trademark. – A trademark, trade name, service mark, or other similar type of intangible asset.
- (8) Use. – Use of a trademark includes direct or indirect maintenance, management, ownership, sale, exchange, or disposition of the trademark.

(c) Election. – For the purpose of computing its State net income, a taxpayer must add royalty payments made to, or in connection with transactions with, a related member during the taxable year. This addition is not required for an amount of royalty payments that meets either of the following conditions:

- (1) The related member includes the amount as income on a return filed under this Part for the same taxable year that the amount is deducted by the taxpayer, and the related member does not elect to deduct the amount pursuant to G.S. 105-130.5(b)(20).
- (2) The taxpayer can establish that the related member during the same taxable year directly or indirectly paid, accrued, or incurred the amount to a person who is not a related member.

(d) Indirect Transactions. – For the purpose of this section, an indirect transaction or relationship has the same effect as if it were direct."

SECTION 1.(c) G.S. 105-130.4(a)(4) reads as rewritten:

"(4) 'Excluded corporation' means any corporation engaged in business as a building or construction contractor, a securities dealer, or a loan company or a corporation ~~which that~~ receives more than fifty percent (50%) of its ordinary gross income from ~~investments in and/or dealing in~~ intangible property."

SECTION 1.(d) G.S. 105-130.5(a) is amended by adding a new subdivision to read:

"(a) The following additions to federal taxable income shall be made in determining State net income:

...
(14) Royalty payments required to be added by G.S. 105-130.7A, to the extent deducted in calculating federal taxable income."

SECTION 1.(e) G.S. 105-130.5(b) is amended by adding a new subdivision to read:

"(b) The following deductions from federal taxable income shall be made in determining State net income:

...
(20) Royalty payments received from a related member who added the payments to income under G.S. 105-130.7A for the same taxable year."

SECTION 1.(f) This section is effective for taxable years beginning on or after January 1, 2001. Notwithstanding G.S. 105-163.41, no addition to tax may be made under that statute for a taxable year beginning on or after January 1, 2001, and before January 1, 2002, with respect to an underpayment of corporation income tax by a payer of royalties who adds the payments to State net income pursuant to G.S. 105-130.7A(c), to the extent the underpayment was created or increased by this section.

EQUALIZE FRANCHISE TAX ON CORPORATE-AFFILIATED LLCS

SECTION 2.(a) The General Assembly finds that most corporations engaged in business in this State comply with the State franchise tax on corporate assets. Some taxpayers, however, take advantage of an unintended loophole in the law and avoid franchise tax by transferring their assets to a controlled limited liability company. This tax avoidance creates an unfair burden on corporate citizens that pay the franchise tax on their assets. It is the intent of this section to apply the franchise tax equally to assets held by corporations and assets held by corporate-affiliated limited liability companies. It is also the intent of this section to provide that a criminal penalty applies to taxpayers who fraudulently evade the tax.

SECTION 2.(b) G.S. 105-114 is amended by adding a new subsection to read:

"(c) Limited Liability Companies. – If a corporation is a member of a limited liability company and the limited liability company's governing law provides that seventy percent (70%) or more of its assets, after payments to creditors, must be distributed upon dissolution to the member corporation or to includible corporations of

an affiliated group in which the member corporation is includible, then (i) a percentage of the limited liability company's income, assets, liabilities, and equity is attributed to that member corporation and must be included in the member corporation's computation of tax under this Article, and (ii) the member corporation's investment in the limited liability company is not included in the member corporation's computation of tax under this Article. The attributable percentage is equal to the percentage of the limited liability company's assets, after payments to creditors, that would be distributable to the member corporation under the limited liability company's governing law if the limited liability company dissolved as of the last day of the member corporation's taxable year. In all other cases, none of the limited liability company's income, assets, liabilities, or equity is attributed to a member corporation under this Article. A limited liability company's governing law is determined under G.S. 57C-6-05 or G.S. 57C-7-01, as applicable. The definitions in section 1504 of the Code apply in this subsection.

A taxpayer who, because of fraud with intent to evade tax, underpays the tax under this Article on assets attributable to it under this subsection is guilty of a Class H felony in accordance with G.S. 105-236(7)."

SECTION 2.(c) This section becomes effective January 1, 2002, and applies to taxes due on or after that date.

CONFORM NORTH CAROLINA'S SUBSIDIARY DIVIDEND DEDUCTION TO THE GENERALLY ACCEPTED TREATMENT USED IN OTHER STATES

SECTION 3.(a) G.S. 105-130.5(a)(7) and G.S. 105-130.7(b) are repealed.

SECTION 3.(b) G.S. 105-130.5(b) is amended by adding two new subdivisions to read:

"(b) The following deductions from federal taxable income shall be made in determining State net income:

...

(3a) Dividends treated as received from sources outside the United States as determined under section 862 of the Code, to the extent included in federal taxable income.

(3b) Any amount included in federal taxable income under section 78 or section 951 of the Code."

SECTION 3.(c) This section is effective for taxable years beginning on or after January 1, 2001. Notwithstanding G.S. 105-163.41, no addition to tax may be made under that statute for a taxable year beginning on or after January 1, 2001, and before January 1, 2002, with respect to an underpayment of corporation

income tax to the extent the underpayment was created or increased by this section.

MONITORING

SECTION 4.(a) The Department of Revenue must report to the Revenue Laws Study Committee by December 1, 2001, on its plans and actions to implement the provisions of this act. In addition, the Department of Revenue must report to the Revenue Laws Study Committee by May 1, 2002, and December 1, 2002, on the effects of this act. These reports must include any recommendations the Department has for changes to this act or to other similar provisions in the Revenue Act.

SECTION 4.(b) This section is effective when it becomes law.

In the General Assembly read three times and ratified this the 25th day of July, 2001.

Became law upon approval of the Governor at 8:01 a.m. on the 2nd day of August, 2001.

SECTION 2. G.S. 143-129.1 reads as rewritten:

"§ 143-129.1. *Withdrawal of bid.*

A public agency may allow a bidder submitting a bid pursuant to ~~North Carolina~~ G.S. 143-129 for construction or repair work or for the purchase of apparatus, supplies, materials, or equipment to withdraw his bid from consideration after the bid opening without forfeiture of his bid security if the price bid was based upon a mistake, which constituted a substantial error, provided the bid was submitted in good faith, and the bidder submits credible evidence that the mistake was clerical in nature as opposed to a judgment error, and was actually due to an unintentional and substantial arithmetic error or an unintentional omission of a substantial quantity of work, labor,

~~material or apparatus, supplies, materials, equipment, or services made~~ directly in the compilation of the bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of the original work papers, documents or materials used in the preparation of the bid sought to be withdrawn. A request to withdraw a bid must be made in writing to the public agency which invited the proposals for the work prior to the award of the contract, but not later than 72 hours after the opening of ~~bids.~~ bids, or for a longer period as may be specified in the instructions to bidders provided prior to the opening of bids.

If a request to withdraw a bid has been made in accordance with the provisions of this section, action on the remaining bids shall be considered, in accordance with North Carolina G.S. 143-129, as though said bid had not been received. Notwithstanding the foregoing, such bid shall be deemed to have been received for the purpose of complying with the requirements of G.S. 143-132. ~~Provided, however, in the event~~ If the work or purchase is relet for bids, under no circumstances shall ~~may~~ the bidder who has filed a request to withdraw be permitted to rebid the ~~work-work or purchase.~~

If a bidder files a request to withdraw his bid, the agency shall promptly hold a hearing thereon. The agency shall give to the withdrawing bidder reasonable notice of the time and place of any such hearing. The bidder, either in person or through counsel, may appear at the hearing and present any additional facts and arguments in support of his request to withdraw his bid. The agency shall issue a written ruling allowing or denying the request to withdraw within five days after the hearing. If the agency finds that the price bid was based upon a mistake of the type described in the first paragraph of this section, then the agency shall issue a ruling permitting the bidder to withdraw without forfeiture of the bidder's security. If the agency finds that the price bid was based upon a mistake not of the type described in the first paragraph of this section, then the agency shall issue a ruling denying the request to withdraw and requiring the forfeiture of the bidder's security. A denial by the agency of the request to withdraw a bid shall have the same effect as if an award had been made to the bidder and a refusal by the bidder to accept had been made, or as if there had been a refusal to enter into the contract, and the bidder's bid deposit or bid bond shall be forfeited.

In the event said ruling denies the request to withdraw the bid, the bidder shall have the right, within 20 days after receipt of said ruling, to contest the matter by the filing of a civil action in any court of competent jurisdiction of the State of North Carolina. The procedure shall be the same as in all civil actions except all issues of law and fact and every other issue shall be tried de novo by the judge without jury; provided that the matter may be referred in the instances and in

the manner provided for by North Carolina G.S. 1A-1, Rule 53, as amended. Notwithstanding the foregoing, if the public agency involved is the Department of Administration, it may follow its normal rules and regulations with respect to contested matters, as opposed to following the administrative procedures set forth herein. If it is finally determined that the bidder did not have the right to withdraw his bid pursuant to the provisions of this section, the bidder's security shall be forfeited. Every bid bond or bid deposit given by a bidder to a public agency pursuant to G.S. 143-129 shall be conclusively presumed to have been given in accordance with this section, whether or not it be so drawn as to conform to this section. This section shall be conclusively presumed to have been written into every bid bond given pursuant to G.S. 143-129.

Neither the agency nor any elected or appointed official, employee, representative or agent of such agency shall incur any liability or surcharge, in the absence of fraud or collusion, by permitting the withdrawal of a bid pursuant to the provisions of this section.

No withdrawal of the bid which would result in the award of the contract on another bid of the same bidder, his partner, or to a corporation or business venture owned by or in which he has an interest shall be permitted. No bidder who is permitted to withdraw a bid shall supply any material or labor to, or perform any subcontract or work agreement for, any person to whom a contract or subcontract is awarded in the performance of the contract for which the withdrawn bid was submitted, without the prior written approval of the agency. Whoever violates the provisions of the foregoing sentence shall be guilty of a Class 1 misdemeanor."

SECTION 3. Article 8 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-129.8. Purchase of information technology goods and services.

(a) In recognition of the complex and innovative nature of information technology goods and services and of the desirability of a single point of responsibility for contracts that include combinations of purchase of goods, design, installation, training, operation, maintenance, and related services, a political subdivision of the State may contract for information technology, as defined in G.S. 147-33.81(2), using the procedure set forth in this section, in addition to or instead of any other procedure available under North Carolina law.

(c) The awarding authority may use procurement methods set forth in G.S. 143-135.9 in developing and evaluating requests for proposals under this section. The awarding authority may negotiate with any proposer in order to obtain a final contract that best meets the needs of the awarding authority. Negotiations allowed under this section shall not alter the contract beyond the scope of the original request for proposals in a manner that: (i) deprives the proposers or potential proposers of a fair opportunity to compete for the contract; and (ii) would have resulted in the award of the contract to a different person or entity if the alterations had been included in the request for proposals.

(d) Proposals submitted under this section shall not be subject to public inspection until a contract is awarded."

(i) Notwithstanding the provisions of this section, in the event that a supplier and a dealer have executed an agreement concerning succession rights prior to the dealer's death, and if the agreement has not been revoked, that agreement shall be enforced even if it designates someone other than the surviving spouse or heir of the decedent as the successor.

H.B. 432**SESSION LAW 2001-345**

AN ACT TO ESTABLISH CIVIL PENALTIES FOR SELLING CARS IN VIOLATION OF THE MOTOR VEHICLE DEALERS AND MANUFACTURERS LICENSING LAW, AND TO ESTABLISH EDUCATIONAL REQUIREMENTS FOR ISSUANCE AND RENEWAL OF LICENSURE FOR USED MOTOR VEHICLE DEALERS.

Whereas, not only the setting of standards to protect purchasers of motor vehicles but also the enforcement of substantial penalties applicable when those standards are not met is one of the most effective means to obtain this protection; and

Whereas, more complex laws governing regulation of the sale and distribution of motor vehicles such as the titling of a vehicle, warranties, collection of consumer debt pursuant to Federal Trade Commission regulations, and applicable tax provisions impose a greater number of duties upon independent automobile dealers; and

Whereas, the most effective and consistent means of informing both applicants for licensure and experienced, licensed motor vehicle dealers of major changes and increasing complexities in the law is to develop a program insuring the development and requirement of appropriate continuing education; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-287 reads as rewritten:

"§ 20-287. ~~Licenses required; required; penalties.~~

(a) License Required. — It shall be unlawful for any new motor vehicle dealer, used motor vehicle dealer, motor vehicle sales representative, manufacturer, factory branch, factory representative, distributor, distributor branch, distributor representative, or wholesaler to engage in business in this State without first obtaining a license as provided in this Article. If any motor vehicle dealer acts as

a motor vehicle sales representative, the dealer shall obtain a motor vehicle sales representative's license in addition to a motor vehicle dealer's license. A sales representative may have only one license. The license shall show the name of each dealer or wholesaler employing the sales representative. The following license holders may operate as a motor vehicle dealer without obtaining a motor vehicle dealer's license or paying an additional fee: a manufacturer, a factory branch, a distributor, and a distributor branch. Any of these license holders who operates as a motor vehicle dealer may sell motor vehicles at retail only at an established salesroom.

(b) Civil Penalty for Violations by Licensee. — In addition to any other punishment or remedy under the law for any violation of this section, the Division may levy and collect a civil penalty, in an amount not to exceed one thousand dollars (\$1,000) for each violation, against any person who has obtained a license pursuant to this section, if it finds that the licensee has violated any of the provisions of G.S. 20-285 through G.S. 20-303, Article 15 of this Chapter, or any statute or rule adopted by the Division relating to the sale of vehicles, vehicle titling, or vehicle registration.

(c) Civil Penalty for Violations by Person Without a License. — In addition to any other punishment or remedy under the law for any violation of this section, the Division may levy and collect a civil penalty, in an amount not to exceed five thousand dollars (\$5,000) for each violation, against any person who is required to obtain a license under this section and has not obtained the license, if it finds that the person has violated any of the provisions of G.S. 20-285 through G.S. 20-303, Article 15 of this Chapter, or any statute or rule adopted by the Division relating to the sale of vehicles, vehicle titling, or vehicle registration."

SECTION 2. G.S. 20-288 reads as rewritten:

(1) The required fee.

- (2) Proof that the applicant, within the last 12 months, has completed a 12-hour licensing course approved by the Division if the applicant is seeking an initial license and a six-hour course approved by the Division if the applicant is seeking a renewal license. The requirements of this subdivision do not apply to a used motor vehicle dealer the primary business of which is the sale of salvage vehicles on behalf of insurers or to a manufactured home dealer licensed under G.S. 143-143.11 who complies with the continuing education requirements of G.S. 143-143.11B. The requirement of this subdivision does not apply to persons age 62 or older as of July 1, 2002, who are seeking a renewal license.
- (3) If the applicant is an individual, proof that the applicant is at least 18 years of age and proof that all salespersons employed by the dealer are at least 18 years of age.

(b) The Division shall require in such application, or otherwise, information relating to matters set forth in G.S. 20-294 as grounds for the refusing of licenses, and to other pertinent matters commensurate with the safeguarding of the public interest, all of which shall be considered by the Division in determining the fitness of the applicant to engage in the business for which he seeks a license.

An application for any of these licenses shall include a list of the applicant's places of business in this State.

(e) Each applicant approved by the Division for license as a motor vehicle dealer, manufacturer, factory branch, distributor, distributor branch, or wholesaler shall furnish a corporate surety bond or cash bond or fixed value equivalent of the bond. The amount of the bond for an applicant for a motor vehicle dealer's license is twenty-five thousand dollars (\$25,000) for one established salesroom of the applicant and ten thousand dollars (\$10,000) for each of the applicant's additional established salesrooms. Any purchaser of a motor vehicle who shall have suffered any loss or damage by any act of a license holder subject to this subsection that constitutes a violation of this Article or Article 15 shall have the right to institute an action to recover against the license holder and the surety. Every license holder against whom an action is instituted shall notify the Commissioner of the action within 10 days after served with process. A corporate surety bond shall remain in force and effect and may not be canceled by the surety unless the bonded person stops engaging in business or the person's license is denied, suspended, or revoked under G.S. 20-294. Such cancellation may be had only upon 30 days' written notice to the Commissioner and shall not affect any liability incurred or accrued prior to the termination of such 30-day period. This subsection does not apply to a license holder who deals only in trailers having an empty weight of 4,000 pounds or less. This subsection does not apply to manufacturers of, or dealers in, mobile or manufactured homes who furnish a corporate surety bond, cash bond, or fixed value equivalent thereof, pursuant to G.S. 143-143.12."

SECTION 3. G.S. 20-294 (2) reads as rewritten:

"(2) Willfully and intentionally failing to comply with this Article, Article 15 of this Chapter, or G.S. 20-52.1, 20-75, ~~20-82~~, 20-79.1, 20-108, 20-109, or a rule adopted by the Division under this Article."

S.B. 173**SESSION LAW 2001-346**

AN ACT TO PROVIDE THAT A MENTALLY RETARDED PERSON CONVICTED OF FIRST DEGREE MURDER SHALL NOT BE SENTENCED TO DEATH.

The General Assembly of North Carolina enacts:

SECTION 1. Article 100 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"§ 15A-2005. *Mentally retarded defendants; death sentence prohibited.*"

- (a) (1) The following definitions apply in this section:
- a. Mentally retarded. – Significantly subaverage general intellectual functioning, existing concurrently with significant limitations in adaptive functioning, both of which were manifested before the age of 18.
 - b. Significant limitations in adaptive functioning. – Significant limitations in two or more of the following adaptive skill areas: communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure skills and work skills.
 - c. Significantly subaverage general intellectual functioning. – An intelligence quotient of 70 or below.
- (2) The defendant has the burden of proving significantly subaverage general intellectual functioning, significant limitations in adaptive functioning, and that mental retardation was manifested before the age of 18. An intelligence quotient of 70 or below on an individually administered, scientifically recognized standardized intelligence quotient test administered by a licensed psychiatrist or psychologist is evidence of significantly subaverage general intellectual functioning; however, it

is not sufficient, without evidence of significant limitations in adaptive functioning and without evidence of manifestation before the age of 18, to establish that the defendant is mentally retarded.

(b) Notwithstanding any provision of law to the contrary, no defendant who is mentally retarded shall be sentenced to death.

(c) Upon motion of the defendant, supported by appropriate affidavits, the court may order a pretrial hearing to determine if the defendant is mentally retarded. The court shall order such a hearing with the consent of the State. The defendant has the burden of production and persuasion to demonstrate mental retardation by clear and convincing evidence. If the court determines the defendant to be mentally retarded, the court shall declare the case noncapital, and the State may not seek the death penalty against the defendant.

(d) The pretrial determination of the court shall not preclude the defendant from raising any legal defense during the trial.

(e) If the court does not find the defendant to be mentally retarded in the pretrial proceeding, upon the introduction of evidence of the defendant's mental retardation during the sentencing hearing, the court shall submit a special issue to the jury as to whether the defendant is mentally retarded as defined in this section. This special issue shall be considered and answered by the jury prior to the consideration of aggravating or mitigating factors and the determination of sentence. If the jury determines the defendant to be mentally retarded, the court shall declare the case noncapital and the defendant shall be sentenced to life imprisonment.

(f) The defendant has the burden of production and persuasion to demonstrate mental retardation to the jury by a preponderance of the evidence.

(g) If the jury determines that the defendant is not mentally retarded as defined by this section, the jury may consider any evidence of mental retardation presented during the sentencing hearing when determining aggravating or mitigating factors and the defendant's sentence.

(h) The provisions of this section do not preclude the sentencing of a mentally retarded offender to any other sentence authorized by G.S. 14-17 for the crime of murder in the first degree."

SECTION 2. G.S. 15A-2000(b) reads as rewritten:

"(b) Sentence Recommendation by the Jury. – Instructions determined by the trial judge to be warranted by the evidence shall be given by the court in its charge to the jury prior to its deliberation in determining sentence. The court shall give appropriate instructions in those cases in which evidence of the defendant's mental retardation requires the consideration by the jury of the provisions of G.S. 15A-2005. In all cases in which the death penalty may be authorized, the

judge shall include in his instructions to the jury that it must consider any aggravating circumstance or circumstances or mitigating circumstance or circumstances from the lists provided in subsections (e) and (f) which may be supported by the evidence, and shall furnish to the jury a written list of issues relating to such aggravating or mitigating circumstance or circumstances.

After hearing the evidence, argument of counsel, and instructions of the court, the jury shall deliberate and render a sentence recommendation to the court, based upon the following matters:

- (1) Whether any sufficient aggravating circumstance or circumstances as enumerated in subsection (e) exist;
- (2) Whether any sufficient mitigating circumstance or circumstances as enumerated in subsection (f), which outweigh the aggravating circumstance or circumstances found, exist; and
- (3) Based on these considerations, whether the defendant should be sentenced to death or to imprisonment in the State's prison for life.

The sentence recommendation must be agreed upon by a unanimous vote of the 12 jurors. Upon delivery of the sentence recommendation by the foreman of the jury, the jury shall be individually polled to establish whether each juror concurs and agrees to the sentence recommendation returned.

If the jury cannot, within a reasonable time, unanimously agree to its sentence recommendation, the judge shall impose a sentence of life imprisonment; provided, however, that the judge shall in no instance impose the death penalty when the jury cannot agree unanimously to its sentence recommendation."

SECTION 3. Article 100 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"§ 15A-2006. Request for postconviction determination of mental retardation.

In cases in which the defendant has been convicted of first-degree murder, sentenced to death, and is in custody awaiting imposition of the death penalty, the following procedures apply:

- (1) Notwithstanding any other provision or time limitation contained in Article 89 of Chapter 15A, a defendant may seek appropriate relief from the defendant's death sentence upon the ground that the defendant was mentally retarded, as defined in G.S. 15A-2005(a), at the time of the commission of the capital crime.
- (2) A motion seeking appropriate relief from a death sentence on the ground that the defendant is mentally retarded, shall be filed:

- a. On or before January 31, 2002, if the defendant's conviction and sentence of death were entered prior to October 1, 2001.
 - b. Within 120 days of the imposition of a sentence of death, if the defendant's trial was in progress on October 1, 2001. For purposes of this section, a trial is considered to be in progress if the process of jury selection has begun.
- (3) The motion, seeking relief from a death sentence upon the ground that the defendant was mentally retarded, shall comply with the provisions of G.S. 15A-1420. The procedures and hearing on the motion shall follow and comply with G.S. 15A-1420."

SECTION 4. Sections 1 and 2 of this act become effective October 1, 2001, and apply to trials docketed to begin on or after that date. Section 3 of this act becomes effective October 1, 2001, and expires October 1, 2002. Section 4 of this act is effective when it becomes law.

In the General Assembly read three times and ratified this the 25th day of July, 2001.

Became law upon approval of the Governor at 3:14 a.m. on the 4th day of August, 2001.

- (4) Central registration. – The Agreement must provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.
- (5) No nexus attribution. – The Agreement must provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.
- (6) Local sales and use taxes. – The Agreement must provide for reduction of the burdens of complying with local sales and use taxes through one or more of the following:
 - a. Restricting variances between the state and local tax bases.

- (9) Consumer privacy. – The Agreement must require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information.

"§ 105-164.42F. Cooperating sovereigns.

The Agreement authorized by this Part is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The Agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes under the laws of each member state.

"§ 105-164.42G. Effect of Agreement.

Entry of this State into the Agreement does not create a cause of action or a defense to an action. No person may challenge any action or inaction by a department, agency, or other instrumentality of this State, or a political subdivision of this State, on the ground that the action or inaction is inconsistent with the Agreement. No law of this State, or its application, may be declared invalid on the ground that the provision or application is inconsistent with the Agreement.

"§ 105-164.42H. Certification of certified automated system and effect of certification.

(a) Software. Certification. – The Secretary may certify a software program as a certified ~~sales tax collection program~~ automated system if the Secretary determines that the program correctly determines all of the following and that the software can generate reports and returns required by the Secretary:

- (1) The applicable combined State and local sales and use tax rate for a sale, based on a ~~ship to address.~~ the sourcing principles in G.S. 105-164.4B.

- (2) Whether or not an item is exempt from tax, based on a uniform product code or another method.

- (4) The amount of tax to be remitted for each taxpayer for a reporting period.
- (5) Any other issue necessary for the application or calculation of sales and use tax due.

(b) Liability. – A seller may choose to use a certified automated system in performing its sales tax administration functions. A seller that uses a certified automated system is liable for sales and use taxes due on transactions it processes using the certified automated system except for underpayments of tax attributable to errors in the functioning of the system. A person that provides a certified automated system is responsible for the proper functioning of that system and is liable for underpayments of tax attributable to errors in the functioning of the system.

"§ 105-164.421. *Contract with certified service provider and effect of contract.*

(a) ~~Tax Collector.~~ Certification. – The Secretary may certify an entity as a ~~Certified Sales Tax Collector~~ certified service provider if the entity meets all of the following requirements:

- (1) The entity uses a certified ~~sales tax collection program~~ automated system.
- (2) The entity has agreed to update its program upon notification by the Secretary.
- (3) The entity integrates its certified ~~sales tax collection program~~ automated system with the system of a ~~retailer~~ seller for whom the entity collects tax so that the tax due on a sale is determined at the time of the sale.
- (4) The entity remits the taxes it collects at the time and in the manner specified by the Secretary.
- (5) The entity agrees to file sales and use tax returns on behalf of the ~~retailers~~ sellers for whom it collects tax.

A bond must be conditioned upon compliance with the contract, be payable to the State, and be in the form required by the Secretary. The amount a

~~Certified Sales Tax Collector~~ certified service provider charges under the contract is a cost of collecting the tax and is payable from the amount collected.

(c) Liability. – A seller may contract with a certified service provider to collect and remit sales and use taxes payable to the State on sales made by the seller. A certified service provider with whom a seller contracts is the agent of the seller. As the seller's agent, the certified service provider, rather than the seller, is liable for sales and use taxes due this State on all sales transactions the certified service provider processes for the seller unless the seller misrepresents the type of products it sells or commits fraud. A seller that misrepresents the type of products it sells or commits fraud is liable for taxes not collected as a result of the misrepresentation or fraud.

(d) Audit and Review. – In the absence of misrepresentation or fraud, a seller that contracts with a certified service provider is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The State may perform a system check of a seller and review a seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider. A certified service provider is subject to audit.

"§ 105-164.42J. Performance standard for multistate seller.

The Secretary may establish a performance standard for a seller that is engaged in business in this State and at least 10 other states and has developed a proprietary system to determine the amount of sales and use taxes due on transactions. A seller that enters into an agreement with the Secretary that establishes a performance standard for that system is liable for the failure of the system to meet the performance standard."

SESSION LAW 2001-354

AN ACT TO EXTEND THE CABARRUS COUNTY WORK OVER WELFARE PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. S.L. 1998-106 reads as rewritten:

"Section 1. Notwithstanding any law to the contrary, the Department of Health and Human Services shall ~~designate~~ continue designation of Cabarrus County as a pilot county for the purpose of conducting a demonstration ~~Workfare Program~~ welfare reform program for certain Work First and Food Stamp recipients. Immediately upon the ratification of this act, the Department shall ~~seek~~ ensure that all federal waivers necessary to allow this demonstration ~~program~~ program to continue are obtained. To the extent that this act or the program established pursuant to it conflicts with any State law, the program supersedes that law.

Sec. 2. The Cabarrus County demonstration ~~Workfare~~ Work Over Welfare Program for certain Work First and Food Stamp recipients shall:

- (1) Provide job opportunities to all able-bodied Work First and Food Stamp recipients who are required to participate in the Work First employment ~~program~~ program;
- (2) Create job opportunities in the public, the private, nonprofit, and the private, for-profit sector, primarily in the human services areas by allowing Cabarrus County to use grant diversions, consisting of the Work First benefits and the cash value of Food Stamps that would be paid to otherwise eligible recipients to match employer funds, to subsidize the employment of these recipients. Human service area jobs will meet such socially necessary needs as day care work, nursing home aide work, and in-home aide work;
- (3) Allow wages paid to these recipients, which contain grant-diverted funds, to be exempt from income for purposes of determining eligibility for assistance;
- (4) Structure payment of wages to these recipients such that they will be considered income, in order to make recipients eligible for the federal earned income tax credit;
- (5) Create work experience opportunities in the private sector more realistically to reflect the world of work;
- (6) Require these recipients to participate in the development of an opportunity ~~contract~~ agreement outlining the responsibilities of the recipient and agency, as well as the incentives for compliance and the sanctions for noncompliance;
- (7) Require all these recipients who participate in the program to pursue and accept employment, full or part

time, subsidized or unsubsidized, as a condition for continued eligibility for Work First and Food Stamp assistance;

- (8) Require job search training of all participants;
- (9) Require monitored job search of all participants until employment is found or until other work activities of up to 40 hours per week are in place;
- ~~(10) Provide child care by allowing Cabarrus County to use grant diversions, consisting of the child day care subsidies that would be paid to otherwise eligible recipients, and transportation as required;~~
- ~~(11)(10) Create a positive work incentive by providing wage incentives to participants who are in compliance with the program, equal to the first thirty dollars (\$30.00) and one third of the remainder of monthly gross income for a period of up to two years; program by using the job bonus as outlined in the Work First Policy Manual for both Work First and Food Stamp benefits;~~
- ~~(12) Provide enhanced Food Stamp benefits after participants are employed and are in program compliance by using the thirty dollar (\$30.00) and one third of the remainder wage incentive as an income exemption;~~
- ~~(13)(11) Provide (i) a pay for performance system that withholds the entire Work First benefits for the household for the month following any month in which it fails to comply with Work First participation requirements and restores these benefits for the month following any month in which it successfully complies with Work First participation requirements, and, to ensure that children in sanctioned households are not harmed, (ii) social worker monitoring and the use of direct vendor payments or assistance from other community resources for rent, utilities, or other basic needs of children, as necessary, during the period in which the household is sanctioned; for a system in which the Work First cash assistance case is terminated following the first month of noncompliance, with restoration of assistance after the client agrees to comply with requirements and files a new application. To ensure that children in terminated households are not harmed, provide social worker monitoring and the use of direct vendor payments or assistance from other community resources for rent, utilities, or other basic needs of children as necessary, during the period in which assistance for the household is terminated. This period of social worker monitoring~~

shall coincide with the period of time that the household would have been, as a Work First case, under a three-month pay-for-performance sanction system and shall not exceed three months from the date of termination.

- (14)(12) Provide automatic Medicaid coverage for children and pregnant adults of sanctioned families by transferring the children administratively to the Medicaid for Indigent Children (MIC) Program and by transferring the pregnant adults administratively to the Medicaid for Pregnant Women (MPW) Program. Provide for all individuals to be evaluated for ongoing Medicaid and children to be evaluated for Health Choice eligibility any time Work First terminates. This act shall not alter any individual's eligibility for Medicaid or Health Choice as set out in State and Federal law or regulation.
- (13) Require that a recipient who voluntarily terminates employment without good cause be ineligible for Work First until the individual returns to work, provided work opportunities are available. Provide employment services for 30 days to assist the individual in obtaining employment;
- (14) Require applicants for Work First to meet with child support staff within 10 days of application. Failure or refusal to pursue child support without good cause is grounds for denial of benefits;
- (15) Provide that an applicant may be eligible for a one-time Work First diversion payment in an amount not exceeding one thousand two hundred dollars (\$1,200). Applicants receiving the diversion payment shall not be eligible for ongoing Work First benefits for a period of three months from the date of receipt of the diversion payment. Individuals receiving a diversion payment must attend budgetary counseling and may be required to have a protective payee for the diversion payment;
- (16) Provide that the period of exemption from participation in employment services for a parent of a newborn child is three months. If a recipient returns to work within six weeks of childbirth, the recipient may reclaim the remainder of the three-month exemption if the recipient chooses not to continue working during the initial six-week period;
- (17) In ongoing Work First cases, require family reassessment of service needs when the family circumstance changes due to an able-bodied, financially responsible adult moving into the home. Family

reassessment may result in benefit diversion, change in services, or termination from Work First program participation;

(18) Not sanction individuals who demonstrate that they cannot meet program requirements because necessary child care is not available.

Sec. 3. This act shall be funded by Cabarrus County using ~~the available~~ grant diversions and administrative transfers, ~~transfers prescribed in Section 2 of this act,~~ together with federal and State administrative funding allocated to Cabarrus County for the public assistance programs.

Sec. 4. The Department of Health and Human Services shall evaluate the Cabarrus County Demonstration Project and report to the General Assembly and to the Joint Legislative Public Assistance Commission on or before September 1, ~~1998~~2002.

Sec. 5. This act becomes effective July 1, 1995 and shall expire on ~~July 1, 2001~~September 30, 2003."

SECTION 2. This act is effective when it becomes law.

SECTION 3.(a) For purposes of 15A NCAC 2B .0256 and this act, "agricultural operation" is an activity that relates to any of the following pursuits:

- (1) The commercial production of crops or horticultural products other than trees.

- (2) Research activities in support of the commercial production of crops or horticultural products other than trees.

This onetime harvest of trees may be conducted within one tree cropping interval only under a verifiable farm plan that (i) receives final approval on or after 1 September 2001 by a local agricultural agency and (ii) expressly allows the harvest of trees no earlier than 10 years after the trees are established and the return of the land to another agricultural pursuit.
- (5) The onetime harvest of trees on land within a riparian buffer described in 15A NCAC 2B .0259 that has trees established under an agricultural incentive program as of 1 September 2001.

SECTION 3.(b) All harvesting of trees shall comply with Forest Practices Guidelines Related to Water Quality codified at 15A NCAC 1I. The nutrient removal functions that were provided by trees prior to their harvest shall be replaced by other measures that are implemented by the owner of the land from which the trees are harvested.

SECTION 3.(c) As used in 15A NCAC 2B .0256 and this act:

- (1) "Agricultural incentive program" means any of the following programs and any predecessor program to any of the following programs:
 - a. Agriculture Cost Share Program for Nonpoint Source Pollution Control established by G.S. 143-215.74.

- b. Conservation Reserve Enhancement Program established by 7 Code of Federal Regulations Part 1410 (1 January 2001 Edition) and 15A NCAC 6G .0101 through 15A NCAC 6G .0106.
 - c. Conservation Reserve Program established by 7 Code of Federal Regulations Part 1410 (1 January 2001 Edition).

 - (3) "Local agricultural agency" means the North Carolina Cooperative Extension Service, the Farm Services Agency of the United States Department of Agriculture, the Natural Resources Conservation Service of the United States Department of Agriculture, a Soil and Water Conservation District created pursuant to G.S. 139-5, or their successor agencies.
 - (4) "Open farmland" means the footprint of land used for pasture or for crops or horticultural products other than trees. Open farmland may contain scattered trees if an open canopy exists on 1 September 2001 as determined by the most recent aerial photographs taken for the Farm Services Agency of the United States Department of Agriculture.
 - (5) "Tree" means a woody plant with a diameter equal to or greater than five inches when measured at a height of four and one-half feet above the ground.
 - (6) "Tree cropping interval" means the time required to establish and grow trees that are suitable for harvesting. The tree cropping interval shall be set out in the farm plan and shall be no less than 10 years after the trees are established.

SECTION 4.(a) No person who is subject to 15A NCAC 2B .0256 shall be required to implement a best management practice for pasture-based production or management of livestock until the Soil and Water Conservation Commission has approved best management practices for pasture-based production or management of livestock

and until the Environmental Management Commission approves a nutrient loading accounting methodology that includes credit for reductions in nutrient loading that have been achieved since 1 January 1992.

SECTION 4.(b) The Soil and Water Conservation Commission shall approve initial best management practices for pasture-based production or management of livestock no later than 1 September 2002. The Soil and Water Conservation Commission shall involve persons engaged in pasture-based production or management of livestock and organizations that represent these persons in the development of best management practices.

SECTION 4.(c) The Soil and Water Conservation Commission shall approve a point system applicable to pasture management practices no later than 1 September 2002. The Soil and Water Conservation Commission shall approve the point system based on recommendations from the Technical Review Committee established by G.S. 143-215.74B. The Technical Review Committee shall involve persons engaged in pasture-based production or management of livestock and organizations that represent these persons in the development of recommendations to the Soil and Water Conservation Commission regarding the point system. The Soil and Water Conservation Commission may make subsequent additions or amendments to the point system only by following the process outlined in this section. The objectives of the point system shall be to identify pasture management practices that either individually or in combination represent the best reasonable approximation of a thirty percent (30%) reduction in nitrogen loading and no increase in phosphorus loading as compared to the nutrient loading that would occur in the absence of those practices and to determine the target number of points that would reasonably best approximate that loading. The point system shall identify a range of pasture management practice types that provides point values both greater than and less than this target number. An individual who accumulates and maintains the target number of points shall not be subject to any additional requirement applicable to that individual's pasture-based production or management of livestock under 15A NCAC 2B .0256(c).

SECTION 4.(d). The Basin Oversight Committee shall incorporate the point system into the accounting methodology described in 15A NCAC 2B .0256(f)(3), and Local Advisory Committees shall account for progress by pasture operations using the point system, together with the percentage nitrogen reductions accomplished by non-pasture agricultural operations, as part of its annual reporting required by 15A NCAC 2B .0256(g)(4). In applying the accounting methodology, Local Advisory Committees shall credit

only pasture management practices implemented after 1 January 1992 toward achievement of nitrogen and phosphorus goals.

SECTION 4.(e) The Basin Oversight Committee shall involve persons engaged in pasture-based production or management of livestock and organizations that represent these persons in the development of the nutrient loading accounting methodology described in 15A NCAC 2B .0256(f)(3). The Environmental Management Commission shall approve the nutrient loading accounting methodology no later than 1 March 2003.

SECTION 4.(f) As used in this section, the phrase "shall involve persons engaged in pasture-based production or management of livestock and organizations that represent these persons" means involving those persons and organizations in a manner consistent with the procedures set out in the memorandum dated 16 November 1994 that appears as Page III-12 of the North Carolina Agriculture Cost Share Program Manual (July 1998 Edition) prepared by the Division of Soil and Water Conservation of the Department of Environment and Natural Resources.

SECTION 5.(a) This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1(a).

SECTION 5.(b) The Environmental Management Commission may adopt a temporary rule that incorporates the provisions of Sections 2 and 3 of this act. Notwithstanding G.S. 150B-21.1(d), a temporary rule adopted in accordance with this section shall remain in effect until a temporary or permanent rule adopted to replace the temporary rule becomes effective.

SECTION 5.(c) If the Environmental Management Commission adopts a temporary rule as provided in subsection (b) of this section, the Commission may thereafter amend the temporary rule to revise the number of livestock or poultry that constitutes an agricultural operation by adopting a temporary rule. In revising the number of livestock or poultry that constitutes an agricultural operation, the Commission shall consider the behavioral characteristics of each species, equivalent nutrient production of each species, and other relevant factors. Prior to the adoption of a temporary rule under this subsection, the Commission shall publish a notice of intent to adopt a temporary rule in the North Carolina Register. The notice shall set out the text of the proposed temporary rule and include the name of the person to whom questions and written comment on the proposed temporary rule may be addressed. The Commission shall accept written comment on the proposed temporary rule for at least 30 days after the notice of intent to adopt a temporary rule is published in the North Carolina Register.

SECTION 6. Except as provided by Sections 2 and 3 of this act, this act does not limit the authority of the Environmental

Management Commission to adopt rules to improve water quality and to limit nutrient loading from agricultural operations pursuant to Article 21 of Chapter 143 of the General Statutes.

SECTION 7. This act is effective when it becomes law. If the Environmental Management Commission adopts a temporary rule as provided in subsection (b) of Section 5 of this act, Sections 2 and 3 of this act expire when the temporary rule becomes effective. Section 4 of this act expires upon a finding by the Environmental Management Commission that the long-term maintenance of nutrient loads in the Tar-Pamlico River Basin is assured.

In the General Assembly read three times and ratified this the 1st day of August, 2001.

Became law upon approval of the Governor at 11:42 a.m. on the 10th day of August, 2001.

The owner or operator shall compact the demolition debris and cover it with at least two feet of compacted earth. The cover of the landfill shall be graded so as to minimize water infiltration, promote proper drainage, and control erosion. Erosion of the cover shall be controlled by establishing suitable vegetative cover.

(d) No building shall be located or constructed immediately above any part of a landfill to which this section applies. No construction, except for site preparation and foundation work, shall be commenced on a parcel or tract of land on which a landfill to which this section applies is located until the landfill is closed.

The General Assembly of North Carolina enacts:

SECTION 1. Section 1 of Chapter 158 of the 1991 Session Laws reads as rewritten:

"Section 1. Occupancy Tax.

(a) Authorization and scope. ~~— The Washington City Council may by ordinance, after not less than 10 days public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel,

inn, tourist camp, or similar place within the city that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations, by summer camps, or by businesses that offer to rent no more than five units.

(a1) Additional tax. – In addition to the tax authorized by subsection (a) of this section, the Washington City Council may levy a room occupancy and tourism development tax of three percent (3%) of the gross receipts derived from the rental of accommodations taxable under that subsection. The levy, collection, administration, use, and repeal of the tax authorized by this subsection shall be in accordance with this section. Washington City Council may not levy a tax under this subsection unless it also levies a tax under subsection (a) of this section.

(b) Administration. – A tax levied under this act shall be levied, administered, collected, and repealed as provided in G.S. 160A-215. The penalties provided in G.S. 160A-215 apply to a tax levied under this act. Collection. – Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The city shall design, print, and furnish to all appropriate businesses and persons in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. – The city shall administer a tax levied under this section. A tax levied under this section is due and payable to the city finance officer in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the city finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. – A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars (\$10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30

days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. The city council may, for good cause shown, compromise the civil penalties imposed by this subsection.

~~Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars (\$1,000), imprisonment not to exceed six months, or both.~~

(e) Distribution and use of tax revenue. ~~—~~ The City of Washington shall, on a monthly basis, remit the net proceeds of the occupancy tax to the City of Washington Tourism Development Authority. ~~The Authority may spend funds remitted to it under this subsection only to further the development of travel, tourism, and conventions in the City of Washington through advertising and promotion, to sponsor tourism oriented events and activities in the City of Washington, and to finance tourist related capital projects in the City of Washington. As used in this subsection, "net proceeds" means gross proceeds less the cost to the city of administering and collecting the tax, which may not exceed five percent (5%) of the gross proceeds. The Authority shall use at least two-thirds of the funds remitted to it under this subsection to promote travel and tourism in the area and shall use the remainder for tourism-related expenditures.~~

The following definitions apply in this subsection:

- (1) Net proceeds. – Gross proceeds less the cost to the City of administering and collecting the tax, as determined by the finance officer, not to exceed three percent (3%) of the first five hundred thousand dollars (\$500,000) of gross proceeds collected each year and one percent (1%) of the remaining gross receipts collected each year.

Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Refusal to consent to a criminal history record check may constitute grounds for the Board to deny licensure to an applicant. The Board shall ensure that the State and national criminal history of an applicant is checked. The Board shall be responsible for providing to the North Carolina Department of Justice the fingerprints of the applicant to be checked, a form signed by the applicant consenting to the criminal record check and the use of fingerprints and other identifying information required by the State or National Repositories, and any additional information required by the Department of Justice. The Board shall keep all information obtained pursuant to this section confidential.

(c) If an applicant's criminal history record check reveals one or more convictions listed under subsection (a)(2) of this section, the conviction shall not automatically bar licensure. The Board shall consider all of the following factors regarding the conviction:

- (1) The level of seriousness of the crime.
- (2) The date of the crime.
- (3) The age of the person at the time of the conviction.
- (4) The circumstances surrounding the commission of the crime, if known.
- (5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
- (6) The person's prison, jail, probation, parole, rehabilitation, and employment records since the date the crime was committed.
- (7) The subsequent commission by the person of a crime listed in subsection (a) of this section.

If, after reviewing the factors, the Board determines that the grounds set forth in subsections (1), (2), (3), (4), (5), or (6) of G.S. 90-171.37 exist, the Board may deny licensure of the applicant. The Board may disclose to the applicant information contained in the criminal history record check that is relevant to the denial. The Board shall not provide a copy of the criminal history record check to the applicant. The applicant shall have the right to appear before the Board to appeal the Board's decision. However, an appearance before the full Board shall constitute an exhaustion of administrative remedies in accordance with Chapter 150B of the General Statutes.

(d) Limited immunity. – The Board, its officers and employees, acting in good faith and in compliance with this section, shall be immune from civil liability for denying licensure to an applicant based on information provided in the applicant's criminal history record check."

SECTION 3. G.S. 90-171.23(b) is amended by adding a new subdivision to read:

"(b) Duties, powers. The Board is empowered to:

...

The General Assembly of North Carolina enacts:

SECTION 1. There is established a pilot program to utilize building code standards to promote rehabilitation of existing buildings in participating jurisdictions. As part of the pilot program, the lead local jurisdiction, as described in Section 3 of this act, shall develop a pilot rehabilitation building code ("pilot code") based on the New Jersey Uniform Construction Code Rehabilitation Subcode ("New Jersey model code"), codified at Title 5, Chapter 23, Subchapter 6 of the New Jersey Administrative Code, (cited as N.J.A.C. 5: 23-6). The lead local jurisdiction shall develop the pilot code in consultation with the North Carolina Department of Insurance ("Department") and in accordance with procedures established in this act. Within 180 days of the effective date of this act, the lead local jurisdiction shall cross-reference the pilot code to the North Carolina State Building Code (NCSBC), Volumes I, II, III, IV, V, VI, VII, IX, and I-C and deliver the cross-referenced pilot code to the Department for comment. Within 30 days thereafter, the Department shall submit its comments, if any, on the pilot code to the lead local jurisdiction. The comments, if any, shall address insuring proper coordination and cross-referencing of the pilot code to the existing NCSBC chapters but shall not include substantive changes to the standards established by the New Jersey model code. Within 30 days after receipt of comments by the Department or, if no comments are received, upon expiration of the comment period, the lead local jurisdiction shall incorporate any comments as may have been received, and the resulting document shall then become the pilot code for purposes of this act.

SECTION 2. Any eligible local jurisdiction, as defined in Section 3 of this act, may elect to participate in the pilot program by adopting the pilot code and by communicating to the Department and the lead local jurisdiction that its governing body has adopted the pilot code in accordance with this act. Any participating jurisdiction, as defined in Section 3 of this act, shall use the pilot code established by the lead local jurisdiction as set forth in Section 1 of this act. Notwithstanding any other provision of law, during the period of the pilot program established by this act, the pilot code shall be enforced in any participating jurisdiction as if it were statutorily mandated and

approved by the North Carolina Building Code Council ("Building Code Council"). The lead local jurisdiction and other participating jurisdictions, and their officers, directors, and employees enforcing the pilot code shall not be subject to liability for damages to any greater or lesser extent arising from participation in the pilot program than if the lead local jurisdiction and other participating jurisdictions were not participating in the pilot program. In addition, buildings or projects built in compliance with the pilot code shall not be required to be retrofitted to come into compliance with the NCSBC once the pilot program expires.

SECTION 3. For purposes of this act, "eligible local jurisdictions" means cities and counties whose local building inspection departments have been approved by the Building Code Council to do local plan review approval in accordance with Section 602.2.3 of the Administrative Volume of the North Carolina State Building Code, and "participating jurisdictions" means eligible local jurisdictions electing to adopt the pilot code in accordance with this act. Any eligible local jurisdictions having a population of more than 650,000 persons according to the most recent decennial census may qualify as a "lead local jurisdiction" for purposes of this act. If more than one eligible local jurisdiction shall qualify as a lead local jurisdiction, then the responsibilities of the lead local jurisdiction under this act shall be borne jointly by such eligible local jurisdictions. Within 30 days of the effective date of this act, any eligible local jurisdiction that qualifies and intends to act as a lead local jurisdiction shall notify the Department of its intention. Upon the expiration of such time, those eligible local jurisdictions providing notice shall constitute the lead local jurisdictions for all further purposes under this act.

SECTION 4. For each lead local jurisdiction, the period of the pilot program established by this act shall commence upon adoption of the pilot code by the governing body of the lead local jurisdiction. For all other participating jurisdictions, the pilot program shall commence on the date the eligible local jurisdiction communicates to the Department and the lead local jurisdiction that its governing body has adopted the pilot code. The pilot program shall expire for each lead local jurisdiction and all participating jurisdictions on January 1, 2006.

SECTION 5. The lead local jurisdiction shall bear all costs and expenses incurred in developing the pilot code, other than expenses incurred directly by the Department in providing comments and review. Each participating jurisdiction shall bear all expenses associated with administering the pilot code in its jurisdiction. The lead local jurisdiction shall bear all expenses associated with the reporting requirements set forth in Section 6, except that each

participating jurisdiction shall bear the expenses associated with assembling and compiling utilization statistics for that jurisdiction. This act shall not be construed to obligate the General Assembly to appropriate funds to implement the provisions of this act. The Department shall carry out its responsibilities under this act with funds available to the Department.

SECTION 6. The lead local jurisdiction shall submit to the Building Code Council, the Department, and to the General Assembly both an interim report on the effectiveness of the pilot program on or before December 1, 2004, and a final report on or before April 1, 2006. The final report shall include:

- (1) A survey and statistics on the utilization of the pilot code in participating jurisdictions;
- (2) An analysis of administrative and cost issues associated with implementing the pilot code in participating jurisdictions;
- (3) Recommendations as to whether the pilot program should be extended or made permanent; and
- (4) Any legislative recommendations, including whether the pilot code standards authorized by this act should be incorporated in the General Statutes as part of the statewide building code.

S.B. 353 SESSION LAW 2001-380

**AN ACT TO PROVIDE A PERMANENT MECHANISM FOR THE
COLLECTION OF TAX DEBTS.**

The General Assembly of North Carolina enacts:

SECTION 1. The General Assembly finds that the Department of Revenue has documented that the State's cost of collecting overdue tax debts exceeds twenty percent (20%) of the amount of the overdue tax debts. The General Assembly finds that the cost of collecting overdue tax debts is currently borne by taxpayers who pay their taxes on time. It is the intent of the General Assembly by this act to shift this cost to the delinquent taxpayers who owe overdue tax debts.

SECTION 2. Article 9 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-243.1. Collection of tax debts.

(a) Definitions. – The following definitions apply in this section:

(1) Overdue tax debt. – Any part of a tax debt that remains unpaid 90 days or more after the notice of final assessment was mailed to the taxpayer. The term does not include a tax debt, however, if the taxpayer entered into an installment agreement for the tax debt under G.S. 105-237 within 90 days after the notice of final assessment was mailed and has not failed to make any payments due under the installment agreement.

(2) Tax debt. – The total amount of tax, penalty, and interest due for which a notice of final assessment has been mailed to a taxpayer after the taxpayer no longer has the right to contest the debt.

(b) Outsourcing. – The Secretary may contract for the collection of tax debts. At least 30 days before the Department submits a tax debt to a contractor for collection, the Department must notify the taxpayer by mail that the debt may be submitted for collection if payment is not received within 30 days after the notice was mailed.

(c) Secrecy. – A contract for the collection of tax debts is conditioned on compliance with G.S. 105-259. If a contractor violates G.S. 105-259, the contract is terminated, and the Secretary must notify the contractor of the termination. A contractor whose contract is terminated for violation of G.S. 105-259 is not eligible for an award

of another contract under this section for a period of five years from the termination. These sanctions are in addition to the criminal penalties set out in G.S. 105-259.

(d) Fee. – A collection assistance fee is imposed on an overdue tax debt that remains unpaid 30 days or more after the fee notice required by this subsection is mailed to the taxpayer. In order to impose a collection assistance fee on a tax debt, the Department must notify the taxpayer that the fee will be imposed if the tax debt is not paid in full within 30 days after the date the fee notice was mailed to the taxpayer. The Department may not mail the fee notice earlier than 60 days after the notice of final assessment for the tax debt was mailed to the taxpayer. The fee is collectible as part of the debt. The Secretary may waive the fee pursuant to G.S. 105-237 to the same extent as if it were a penalty.

The amount of the collection assistance fee is twenty percent (20%) of the amount of the overdue tax debt. If a taxpayer pays only part of an overdue tax debt, the payment is credited proportionally to fee revenue and tax revenue.

(e) Use. – The fee is a receipt of the Department and must be applied to the costs of collecting overdue tax debts. The proceeds of the fee must be credited to a special account within the Department and may be expended only as provided in this subsection. The Department may apply the proceeds of the fee to pay contractors for collecting tax debts under subsection (b) of this section and to pay the fee the United States Department of the Treasury charges for setoff to recover tax owed to North Carolina. The remaining proceeds of the fee may be spent only pursuant to appropriation by the General Assembly. The fee proceeds do not revert but remain in the special account until spent for the costs of collecting overdue tax debts.

(f) Reports. – The Department must report to the Joint Legislative Commission on Governmental Operations and to the Revenue Laws Study Committee on its efforts to collect tax debts. Reports must be submitted quarterly beginning November 1, 2001, through November 1, 2002, and semiannually thereafter. Each report must include a breakdown of the amount and age of tax debts collected by collection agencies on contract, the amount and age of tax debts collected by the Department through warning letters, and the amount and age of tax debts otherwise collected by Department personnel. Each report must also include a long-term collection plan, a timeline for implementing each step of the plan, a summary of steps taken since the last report and their results, and any other data requested by the Commission or the Committee."

SECTION 3. G.S. 105A-13 reads as rewritten:

"§ 105A-13. *Collection assistance fees.*

(a) State Setoff. – To recover the costs incurred by the Department in collecting debts under this Chapter, a collection assistance fee of no more than fifteen dollars (\$15.00) is imposed on each debt collected through setoff. The Department must collect this fee as part of the debt and retain it. The Department must set the amount of the collection assistance fee based on its actual cost of collection under this Chapter for the immediately preceding year. If the Department is able to collect only part of a debt through setoff, the collection assistance fee has priority over the remainder of the debt. The collection assistance fee shall not be added to child support debts or collected as part of child support debts. Transition. – Carteret County's authority to levy a tax under Sections 2 through 9 of Chapter 171 of the 1989 Session Laws is repealed effective on the effective date of a tax levied under this act. Repeal of a tax levied under this act does not revive Carteret County's authority to levy a tax under Sections 2 through 9 of Chapter 171 of the 1989 Session Laws. This act does not affect the rights or liabilities of the county, a taxpayer, or another person arising under a law repealed by this act before the effective date of its repeal; nor does it affect the right to any refund or credit of a tax that accrued under the repealed law before the effective date of its repeal.

SECTION 2.(a) Levy. – The Board of Commissioners of Carteret County may levy a room occupancy and tourism development tax of five percent (5%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp, condominium, cottage, campground, rental agency, or other similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). SECTION 10. G.S. 153A-155 reads as rewritten:
"§ 153A-155. *Uniform provisions for room occupancy taxes.*

(a) Scope. – This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. – A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. – Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. – The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall,

on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or Reduction. – A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(g) This section applies only to Avery, Brunswick, Carteret, Craven, Currituck, Davie, Granville, Madison, Nash, Person, Randolph, Scotland, and Transylvania Counties."

AN ACT TO ESTABLISH A TOURIST-ORIENTED DIRECTIONAL SIGN (TODS) PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 136 of the General Statutes is amended by adding a new Article to read:

"Article 11B.

"Tourist-Oriented Directional Sign Program.

"§ 136-140.15. Scope of operations.

(a) Program. – The Department of Transportation shall administer a tourist-oriented directional signs (TODS) program.

(b) Definitions. – The following definitions apply in this Article:

(1) TODS. – Tourist-oriented directional signs (TODS) are guide signs that display the business identification of and directional information for tourist-oriented businesses and tourist-oriented facilities or for classes of businesses or facilities that are tourist-oriented.

(2) Tourist-oriented business. – A business, the substantial portion of whose products or services is of significant

interest to tourists. The term may include a business involved with seasonal agricultural products. When used in this Article, the term "business" means a tourist-oriented business.

- (3) Tourist-oriented facility. – A business, service, or activity facility that derives a major portion of income or visitors during the normal business season from road users not residing in the immediate area of the facility. When used in this Article, the term "facility" means a tourist-oriented facility.

(c) Limitation. – The Department shall not install TODS for a business or facility if the signs would be required at intersections where, due to the number of conflicting locations of other highway signs or traffic control devices or other physical or topographical features of the roadside, their presence would be impractical or unfeasible or result in an unsafe or hazardous condition.

(d) Duplication. – If a business or facility is currently shown on another official highway guide sign, such as a logo sign or supplemental guide sign, on the same approach to an intersection where a TODS panel for that business or facility would be located, the business or facility may elect to keep the existing highway guide sign or have it removed and participate in the TODS program. If the business or facility elects to retain the existing highway guide sign, the business or facility is ineligible for the TODS program at that intersection.

"§ 136-140.16. Eligibility criteria.

A business or facility is eligible to participate in the TODS program if it meets all of the following conditions:

- (1) It is open to the general public and is not restricted to "members only".
- (2) It does not restrict access to its facilities by the general public.
- (3) It complies with all applicable laws, ordinances, rules, and regulations concerning the provision of public accommodations without regard to race, religion, color, age, sex, national origin, disability, and any other category protected by federal or State constitutional or statutory law concerning the granting of licenses and approvals for public facilities.
- (4) It meets the following standards:
 - a. It is in continuous operation at least eight hours a day, five days a week during its normal season or the normal operating season for the type of business or facility.

- b. It is licensed and approved by the appropriate State and local agencies regulating the particular type of business or activity.

"§ 136-140.17. Terminating participation in program.

A business or facility may terminate its participation in the TODS program at any time. The business or facility is not entitled to a refund of any part of any fees paid because of voluntary termination of participation by the business or facility, for any reason, before the end of its current contract period.

"§ 136-140.18. Temporary modification of TODS panels.

(a) The Department shall allow a participating business or facility to close for remodeling or to repair damage from fire or other natural disaster if its TODS panels are covered or removed while the business or facility is closed. No refund of fees or extension of the time remaining in the contract for participation will be provided for the period of closure.

(b) The Department may, at its discretion, remove or cover TODS panels for roadway construction or maintenance, for routine maintenance of the TODS assembly, for traffic research study, or for any other reason it considers appropriate. Businesses or facilities are not entitled to any refunds of fee amounts for the period that the TODS panels are covered or removed under this subsection unless the period exceeds seven days.

(c) The TODS panels for seasonal businesses or facilities shall have an appropriate message added during the period in which the businesses or facilities are open to the public as part of their normal seasonal operation.

"§ 136-140.19. Department to adopt rules to implement the TODS program.

The Department shall adopt rules to implement the TODS program created by this Article. The rules shall include all of the following:

- (1) The Department shall set fees to cover the initial costs of signs, sign maintenance, and administering the program.
- (2) The Department shall establish a standard for the size, color, and letter height of the TODS as specified in the National Manual of Uniform Traffic Control Devices for Streets and Highways.
- (3) TODS shall not be placed more than five miles from the business or facility.
- (4) TODS shall not be placed where prohibited by local ordinance.
- (5) The number of TODS panels shall not exceed six per intersection with only one business or facility on each panel.

- (6) If a business or facility is not directly on a State highway, it is eligible for TODS panels only if both of the following requirements are met:
- a. It is located on a street that directly connects with a State road.
 - b. It is located so that only one directional sign, placed on a State road, will lead the tourist to the business or facility.
- (7) A TODS shall not be placed immediately in advance of the business or facility if the business or facility and its on-premise advertising signs are readily visible from the roadway.
- (8) The Department shall limit the placement of TODS to highways other than fully controlled access highways and to rural areas in and around towns or cities with a population of less than 40,000."

SECTION 2. This act becomes effective January 1, 2002.

In the General Assembly read three times and ratified this the 16th day of August, 2001.

Became law upon approval of the Governor at 5:32 p.m. on the 26th day of August, 2001.

H.B. 1301**SESSION LAW 2001-384**

AN ACT TO CLARIFY THE CIRCUMSTANCES IN WHICH LAND-USE RESTRICTIONS AND RECORDATION OF THOSE RESTRICTIONS IN THE OFFICE OF THE REGISTER OF DEEDS ARE REQUIRED IN CONNECTION WITH THE CLEANUP OF A RELEASE FROM A PETROLEUM UNDERGROUND STORAGE TANK IN ORDER TO PROTECT THE ENVIRONMENT AND PUBLIC HEALTH, TO ENSURE ENFORCEABILITY OF RESTRICTIONS, AND TO PROVIDE NOTICE TO SUBSEQUENT OWNERS OF THE PROPERTY; AND TO MAKE CONFORMING CHANGES TO RELATED STATUTES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143B-279.9 reads as rewritten:

"§ 143B-279.9. *Land-use restrictions may be imposed to reduce danger to public health at contaminated sites.*

(a) In order to reduce or eliminate the danger to public health or the environment posed by the presence of contamination at a site, an owner, operator, or other responsible party may impose restrictions on the current or future use of the real property comprising any part of the site where the contamination is located if the restrictions meet the

requirements of this section. The restrictions must be agreed to by the owner of the real property, included in a remedial action plan for the site that has been approved by the Secretary, and implemented as a part of the remedial action program for the site. The Secretary may approve restrictions included in a remedial action plan in accordance with standards that the Secretary determines to be applicable to the site. Except as provided in subsection (b) of this section, if the remedial action is risk-based or will not require that the site meet ~~current unrestricted use standards, as defined in G.S. 130A-310.31,~~ the remedial action plan must include an agreement by the owner, operator, or other responsible party to record approved land-use restrictions that meet the requirements of this section as provided in ~~G.S. 143B-279.10, 143B-279.10 or G.S. 143B-279.11,~~ whichever applies. Restrictions may apply to activities on, over, or under the land, including, but not limited to, use of groundwater, building, filling, grading, excavating, and mining. Any approved restriction shall be enforced by any ~~owner, operator, owner of the land, operator of the facility,~~ or other party responsible for the contaminated site. Any land-use restriction may also be enforced by the Department through the remedies provided by any provision of law that is implemented or enforced by the Department or by means of a civil action. The Department may enforce any land-use restriction without first having exhausted any available administrative remedies. A land-use restriction may also be enforced by any unit of local government having jurisdiction over any part of the site. A land-use restriction shall not be declared unenforceable due to lack of privity of estate or contract, due to lack of benefit to particular land, or due to lack of any property interest in particular land. Any person who owns or leases a property subject to a land-use restriction under this Part shall abide by the land-use restriction.

(b) The definitions set out in G.S. 143-215.94A apply to this subsection. Subsection (a) of this section shall not apply to a A risk-based remedial action plan for the cleanup of environmental damage resulting from a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes. Statutes that will not require that the site meet unrestricted use standards must include an agreement by the owner, operator, or other party responsible for the discharge or release of petroleum to record approved land-use restrictions that meet the requirements of this section as provided in G.S. 143B-279.11. All of the provisions of this section shall apply except as specifically modified by this subsection. Any restriction on the current or future use of real property shall be enforceable only with respect to: (i) real property on which the source of contamination is located and (ii) any real property on which contamination is located at

the time the remedial action plan is approved and that was owned or controlled by any owner or operator of the underground storage tank or other responsible party at the time the discharge or release of petroleum is discovered or reported or at any time thereafter. No restriction on the current or future use of real property shall apply to any portion of any parcel or tract of land on which contamination is not located. This subsection shall not be construed to require any person to record any restriction on the current or future use of real property other than the real property described in this subsection. For purposes of this subsection and G.S. 143B-279.11, the current or future use of real property may be restricted only as set out in any one or more of the following subdivisions:

- (1) Where soil contamination will remain in excess of unrestricted use standards, the property may be used for a primary or secondary residence, school, daycare center, nursing home, playground, park, recreation area, or other similar use only with the approval of the Department.
 - (2) Where soil contamination will remain in excess of unrestricted use standards and the property is used for a primary or secondary residence that was constructed before the release of petroleum that resulted in the contamination is discovered or reported, the Secretary may approve alternative restrictions that are sufficient to reduce the risk of exposure to contaminated soils to an acceptable level while allowing the real property to continue to be used for a residence.
 - (3) Where groundwater contamination will remain in excess of unrestricted use standards, installation or operation of any well usable as a source of water shall be prohibited.
 - (4) Any restriction on the current or future use of the real property that is agreed upon by both the owner of the real property and the Department.
- (c) This section does not alter any right, duty, obligation, or liability of any owner, operator, or other responsible party under any other provision of law.
- (d) As used in this section:
- (1) 'Unrestricted use standards' means generally applicable standards, guidance, or established methods governing contaminants that are established by statute or adopted, published, or implemented by the Environmental Management Commission, the Commission for Health Services, or the Department. Cleanup or remediation of real property to unrestricted use standards means that the property is restored to a condition such that the property

and any use that is made of the property does not pose a danger or risk to public health, the environment, or users of the property that is significantly greater than that posed by use of the property prior to its having been contaminated.

- (2) 'Risk-based', when used in connection with cleanup, remediation, or similar terms, means cleanup or remediation of contamination of real property to a level that, although not in compliance with unrestricted use standards, does not pose a significant danger or risk to public health, the environment, or users of the real property so long as the property remains in the condition and is used in a manner that is consistent with the assumptions as to the condition and use of the property on which the determination that the level of risk is acceptable is based."

SECTION 2. G.S. 143B-279.10 reads as rewritten:

"§ 143B-279.10. *Recordation of contaminated sites.*

(a) The owner of the real property on which a site is located that is subject to current or future use restrictions approved as provided in G.S. 143B-279.9(a) shall submit to the Department a survey plat as required by this section within 180 days after the owner is notified to do so. The survey plat shall identify areas designated by the Department, shall be prepared and certified by a professional land surveyor, and shall be entitled 'NOTICE OF CONTAMINATED SITE'. Where a contaminated site is located on more than one parcel or tract of land, a composite map or plat showing all parcels or tracts may be recorded. The Notice shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance, shall meet the requirements of G.S. 47-30 for maps and plats, and shall identify:

- (1) The location and dimensions of any disposal areas and areas of potential environmental concern with respect to permanently surveyed benchmarks.
- (2) The type, location, and quantity of contamination known to the owner of the site to exist on the site.
- (3) Any restriction approved by the Department on the current or future use of the site.

(b) The Department shall review the proposed Notice to determine whether the Notice meets the requirements of this section and rules adopted to implement this section, and shall provide the owner of the site with a notarized copy of the approved Notice. After the Department approves ~~and certifies~~ the Notice, the owner of the site shall file ~~the certified~~ a notarized copy of the approved Notice in the register of deeds office in the county or counties in which the land

is located within 15 days of the date on which the owner receives approval of the Notice from the Department.

(c) The register of deeds shall record the ~~certified~~-notarized copy of the approved Notice and index it in the grantor index under the names of the owners of the land.

(d) In the event that the owner of the site fails to submit and file the Notice required by this section within the time specified, the Secretary may prepare and file the Notice. The costs thereof may be recovered by the Secretary from any responsible party. In the event that an owner of a site who is not a responsible party submits and files the Notice required by this section, the owner may recover the reasonable costs thereof from any responsible party.

(e) When a contaminated site that is subject to current or future land-use restrictions is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or instrument, a statement that the property is a contaminated site and a reference by book and page to the recordation of the Notice.

(f) A Notice of Contaminated Site filed pursuant to this section shall, at the request of the owner of the land, be cancelled by the Secretary after the contamination has been eliminated or remediated to ~~current standards, as defined in G.S. 130A-310.31.~~ unrestricted use standards. If requested in writing by the owner of the land and if the Secretary concurs with the request, the Secretary shall send to the register of deeds of each county where the Notice is recorded a statement that the contamination has been eliminated, or that the contamination has been remediated to ~~current~~-unrestricted use standards, and request that the Notice be cancelled of record. The Secretary's statement shall contain the names of the owners of the land as shown in the Notice and reference the plat book and page where the Notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and index it on the grantor index in the names of the owners of the land as shown in the Notice and on the grantee index in the name 'Secretary of Environment and Natural Resources'. The register of deeds shall make a marginal entry on the Notice showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(g) This section does not apply to the cleanup pursuant to a risk-based remedial action plan that addresses environmental damage resulting from a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes.

(h) The definitions set out in G.S. 143B-279.9 apply to this section."

SECTION 3. Part 1 of Article 7 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"§ 143B-279.11. Recordation of residual petroleum from an underground storage tank.

(a) The definitions set out in G.S. 143-215.94A and G.S. 143B-279.9 apply to this section. This section applies only to a cleanup pursuant to a risk-based remedial action plan that addresses environmental damage resulting from a discharge or release of petroleum from an underground storage tank pursuant to Part 2A of Article 21A of Chapter 143 of the General Statutes.

(b) The owner, operator, or other person responsible for a discharge or release of petroleum from an underground storage tank shall prepare and submit to the Department a proposed Notice that meets the requirements of this section. The proposed Notice shall be submitted to the Department (i) before the property is conveyed, or (ii) when the owner, operator, or other person responsible for the discharge or release requests that the Department issue a determination that no further action is required under the remedial action plan, whichever first occurs. The Notice shall be entitled 'NOTICE OF RESIDUAL PETROLEUM'. The Notice shall include a description that would be sufficient as a description in an instrument of conveyance of the (i) real property on which the source of contamination is located and (ii) any real property on which contamination is located at the time the remedial action plan is approved and that was owned or controlled by any owner or operator of the underground storage tank or other responsible party at the time the discharge or release of petroleum is discovered or reported or at any time thereafter. The Notice shall identify the location of any residual petroleum known to exist on the real property at the time the Notice is prepared. The Notice shall also identify the location of any residual petroleum known, at the time the Notice is prepared, to exist on other real property that is a result of the discharge or release. The Notice shall set out any restrictions on the current or future use of the real property that are imposed by the Secretary to protect public health, the environment, or users of the property.

(c) If the contamination is located on more than one parcel or tract of land, the Department may require that the owner, operator, or other person responsible for the discharge or release prepare a composite map or plat that shows all parcels or tracts. If the contamination is located on one parcel or tract of land, the owner, operator, or other person responsible for the discharge or release may prepare a map or plat that shows the parcel but is not required to do so. A map or plat shall be prepared and certified by a professional

land surveyor, shall meet the requirements of G.S. 47-30, and shall be submitted to the Department for approval. When the Department has approved a map or plat, it shall be recorded in the office of the register of deeds and shall be incorporated into the Notice by reference.

(d) The Department shall review the proposed Notice to determine whether the Notice meets the requirements of this section and rules adopted to implement this section and shall provide the owner, operator, or other person responsible for the discharge or release of petroleum from an underground storage tank with a notarized copy of the approved Notice. After the Department approves the Notice, the owner, operator, or other person responsible for the discharge or release of petroleum from an underground storage tank shall file a notarized copy of the approved Notice in the register of deeds office in the county or counties in which the real property is located (i) before the property is conveyed or (ii) within 30 days after the owner, operator, or other person responsible for the discharge or release receives notice from the Department that no further action is required under the remedial action plan, whichever first occurs. If the owner, operator, or other person responsible for the discharge or release fails to file the Notice as required by this section, any determination by the Department that no further action is required is void. The owner, operator, or other person responsible for the discharge or release shall submit a certified copy of the Notice as filed in the register of deeds office to the Department.

(e) The register of deeds shall record the notarized copy of the approved Notice and index it in the grantor index under the names of the owners of the real property.

(f) In the event that the owner, operator, or other person responsible for the discharge or release fails to submit and file the Notice required by this section within the time specified, the Secretary may prepare and file the Notice. The costs thereof may be recovered by the Secretary from any responsible party. In the event that an owner of the real property who is not a responsible party submits and files the Notice required by this section, the owner may recover the reasonable costs thereof from any responsible party.

(g) A Notice filed pursuant to this section shall, at the request of the owner of the real property, be cancelled by the Secretary after the residual petroleum has been eliminated or remediated to unrestricted use standards. If requested in writing by the owner of the land, the Secretary shall send to the register of deeds of each county where the Notice is recorded a statement that the residual petroleum has been eliminated, or that the residual petroleum has been remediated to unrestricted use standards, and request that the Notice be cancelled of record. The Secretary's statement shall contain the names of the

owners of the land as shown in the Notice and reference the plat book and page where the Notice is recorded. The register of deeds shall record the Secretary's statement in the deed books and index it on the grantor index in the names of the owners of the real property as shown in the Notice and on the grantee index in the name 'Secretary of Environment and Natural Resources'. The register of deeds shall make a marginal entry on the Notice showing the date of cancellation and the book and page where the Secretary's statement is recorded, and the register of deeds shall sign the entry. If a marginal entry is impracticable because of the method used to record, the register of deeds shall not be required to make a marginal entry."

SECTION 4. G.S. 143-215.94B(b) is amended by adding a new subdivision to read:

H.B. 1068**SESSION LAW 2001-385**

AN ACT TO DIRECT THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO STUDY ISSUES RELATING TO LONG-TERM CARE; AND TO DIRECT THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO ESTABLISH A QUALITY IMPROVEMENT CONSULTATION PROGRAM.

The General Assembly of North Carolina enacts:

SECTION 1.(a) The General Assembly recognizes that the imposition of penalties for deficiencies in meeting licensure requirements is not the exclusive method for ensuring quality of care in licensed adult care homes. The Department of Health and Human Services shall explore methods to improve and reward quality of care provided by adult care homes. In conducting this undertaking, the Department shall consider and report specifically its findings and recommendations on all of the following:

- (1) Whether or not the licensure period and survey period for adult care homes are factors in providing quality care.
- (2) Whether to cap allowable indirect costs for adult care homes similar to that imposed on nursing homes, but also allowing a higher capped direct rate of reimbursement in order to provide incentives for higher quality direct care to residents.
- (3) Whether a different approach should be adopted for setting reimbursement rates for adult care homes that would replace the current "State average" method. The

purpose of the different approach is to provide incentives to facilities to operate more efficiently and reinvest resources saved from efficiency in higher quality care.

- (4) Aspects of the quality assessment/monitoring process that should be changed or modified under State authority.

SECTION 1.(b) The Department shall report the status of its activities under subsection (a) of this section to the North Carolina Study Commission on Aging not later than October 1, 2001. Not later than March 1, 2002, the Department shall submit its final report to the North Carolina Study Commission on Aging and to the Senate Appropriations Committee on Health and Human Services and the House of Representatives Subcommittee on Health and Human Services. The final report shall include recommended legislation for consideration by the 2002 Regular Session of the 2001 General Assembly.

SECTION 1.(c) The Department of Health and Human Services shall offer joint training of Division of Facility Services consultants, county DSS adult home specialists, and adult care home providers. The training shall be offered no fewer than two times per year, and subject matter of the training should be based on one or more of the 10 deficiencies cited most frequently in the State during the immediately preceding calendar year. The joint training shall be designed to reduce inconsistencies experienced by providers in the survey process, to increase objectivity by DFS consultants and DSS specialists in conducting surveys, and to promote a higher degree of understanding between facility staff and DFS consultants and DSS specialists in what is expected during the survey process.

SECTION 1.(d) The Department of Health and Human Services shall develop an Adult Care Home Quality Improvement Consultation Program. The purpose of the program is to assist providers in the development of quality improvement plans for each facility. The Adult Care Home Quality Improvement Consultation Program shall be developed in consultation with the Division of Facility Services and representatives of facilities and programs. The Department shall use funds appropriated in its continuation budget for this purpose for the 2001-2002 and 2002-2003 fiscal years. The Department shall report the status of its activities under this section to the North Carolina Study Commission on Aging on October 1, 2001, and March 1, 2002.

SECTION 1.(e) The Department of Health and Human Services shall explore alternatives to existing oversight and survey practices that will ensure quality in adult care homes. The Department shall do the following:

- (1) Define and provide guidance on terms applicable in the survey and oversight process to ensure uniformity. Terms that should be defined and clarified include the following:
 - a. Substantial evidence.
 - b. Imminent danger.
 - c. Condition detrimental to health and safety.
 - d. Hindrance of proper performance of duties.
 - e. Alleged violation.
 - f. Substantial failure to comply.
 - g. Serious physical harm.
 - h. Substantial risk that death or physical harm will occur.
 - i. Present a direct threat to health and safety.
 - j. Deficiency.
 - k. Extent of violation.
 - l. Probability of death or serious harm.
 - m. Reasonable diligence.

The Department shall ensure that the definition and clarification of terms are included in basic and continuing survey training.

- (2) Identify rules that impede the direct care of residents or prohibit resident choice and develop a proposal for repeal of those rules, including any necessary repeal of, or amendment to, current law that is the basis for the rule.

SECTION 1.(f) The Department of Health and Human Services shall study the cost to the State of reducing the county share of State/County Special Assistance from fifty percent (50%) to twenty-five percent (25%), phased in over a five-year period. The Department shall report its findings to the North Carolina Study Commission on Aging, the House of Representatives Appropriations Subcommittee on Health and Human Services, and the Senate Appropriations Committee on Health and Human Services not later than October 1, 2001.

The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment,

order the Secretary of State to file the document or take other action the court considers appropriate.

The court's final decision may be appealed as in other civil proceedings.

(m) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State's signature, which may be in facsimile, and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this act or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees, but no formalities as to acknowledgment, probate, or approval by any other officer shall be required. The former name of the partnership holding title to the real property before the merger, consolidation, or conversion shall appear in the 'Grantor' index, and the name of the other entity holding title to the real property by virtue of the merger, consolidation, or conversion shall appear in the 'Grantee' index."

AN ACT TO AMEND RULE 5 OF THE RULES OF CIVIL PROCEDURE TO ELIMINATE THE REQUIREMENT OF FILING OF BRIEFS OR MEMORANDA REGARDING DISPOSITIVE MOTIONS WITHIN FIVE DAYS OF SERVICE, AS RECOMMENDED BY THE NORTH CAROLINA COURTS COMMISSION, AND TO ELIMINATE THE UNNECESSARY FILING OF COVER SHEETS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 1A-1, Rule 5 reads as rewritten:

"Rule 5. Service and filing of pleadings and other papers.

(a) Service of orders, subsequent pleadings, discovery papers, written motions, written notices, and other similar papers – When required. – Every order required by its terms to be served, every pleading subsequent to the original complaint unless the court otherwise orders because of numerous defendants, every paper relating to discovery required to be served upon a party unless the court otherwise orders, every written motion other than one which may be heard ex parte, and every written notice, appearance, demand, offer of judgment and similar paper shall be served upon each of the parties, but no service need be made on parties in default for failure to appear except that pleadings asserting new or additional claims for relief against them shall be served upon them in the manner provided for service of summons in Rule 4.

(a1) Service of briefs or memoranda in support or opposition of certain dispositive motions. – In actions in superior court, every brief or memorandum in support of or in opposition to a motion to dismiss, a motion for judgment on the pleadings, a motion for summary judgment, or any other motion seeking a final determination of the rights of the parties as to one or more of the claims or parties in the action shall be served upon each of the parties at least two days before the hearing on the motion. If the brief or memorandum is not served on the other parties at least two days before the hearing on the motion, the court may continue the matter for a reasonable period to allow the responding party to prepare a response, proceed with the matter without considering the untimely served brief or memorandum, or take such other action as the ends of justice require. The parties may, by consent, alter the period of time for service. For the purpose of this two-day requirement only, service shall mean personal delivery, facsimile transmission, or other means such that the party actually receives the brief within the required time.

(b) Service – How made. – A pleading setting forth a counterclaim or cross claim shall be filed with the court and a copy thereof shall be served on the party against whom it is asserted or on his attorney of record. With respect to all pleadings subsequent to the original complaint and other papers required or permitted to be served, service with due return may be made in the manner provided for service and return of process in Rule 4 and may be made upon either the party or, unless service upon the party himself is ordered by the court, upon his attorney of record. With respect to such other pleadings and papers, service upon the attorney or upon a party may also be made by delivering a copy to him or by mailing it to him at his last known address or, if no address is known, by filing it with the clerk of court. Delivery of a copy within this rule means handing it to

the attorney or to the party; or leaving it at the attorney's office with a partner or employee. Service by mail shall be complete upon deposit of the pleading or paper enclosed in a post-paid, properly addressed wrapper in a post office or official depository under the exclusive care and custody of the United States Postal Service.

(c) Service – Numerous defendants. – In any action in which there are unusually large numbers of defendants, the court, upon motion or of its own initiative, may order that service of the pleadings of the defendants and replies thereto need not be made as between the defendants and that any crossclaim, counterclaim, or matter constituting an avoidance or affirmative defense contained therein shall be deemed to be denied or avoided by all other parties and that the filing of any such pleading and service thereof upon the plaintiff constitutes due notice of it to the parties. A copy of every such order shall be served upon the parties in such manner and form as the court directs.

(d) Filing. – All pleadings subsequent to the complaint shall be filed with the court. All other papers required to be served upon a party, including requests for admissions, shall be filed with the court either before service or within five days thereafter, except that depositions, interrogatories, requests for documents, and answers and responses to those requests may not be filed unless ordered by the court or until used in the proceeding. Briefs and memoranda provided to the court may not be filed with the clerk of the court unless ordered by the court. The party taking a deposition or obtaining material through discovery is responsible for its preservation and delivery to the court if needed or so ordered. With respect to all pleadings and other papers as to which service and return has not been made in the manner provided in Rule 4, proof of service shall be made by filing with the court a certificate either by the attorney or the party that the paper was served in the manner prescribed by this rule, or a certificate of acceptance of service by the attorney or the party to be served. Such certificate shall show the date and method of service or the date of acceptance of service.

(e) (1) Filing with the court defined. – The filing of pleadings and other papers with the court as required by these rules shall be made by filing them with the clerk of the court, except that the judge may permit the papers to be filed with him, in which event he shall note thereon the filing date and forthwith transmit them to the office of the clerk.

(2) Filing by telefacsimile transmission. – If, pursuant to G.S. 7A-34 and G.S. 7A-343, the Supreme Court and the Administrative Officer of the Courts establish uniform rules, regulations, procedures and specifications for the

filing of pleadings or other court papers by telefacsimile transmission, filing may be made by the transmission when, in the manner, and to the extent provided therein."

SECTION 2. Article 5 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"§ 7A-34.1. Unnecessary cover sheets.

A cover sheet summarizing the critical elements of the filing in a format prescribed by the Administrative Office of the Courts shall not be required for papers filed in civil actions subsequent to the initial filing if such subsequent filing contains:

- (1) A caption including the file number, on the first page thereof.

Became law upon approval of the Governor at 5:38 p.m. on the 26th day of August, 2001.

SECTION 3. Chapter 163 of the General Statutes is amended by adding a new Article to read:

"§ 163-182. Definitions.

- (1) 'Abstract' means a document signed by the members of the board of elections showing the votes for each candidate and ballot proposal on the official ballot in the election. The abstract shall show a total number of votes for each candidate in each precinct and a total for each

candidate in the county. It shall also show the number of votes for each candidate among the absentee official ballots, among the provisional official ballots, and in any other category of official ballots that is not otherwise reported.

- (2) 'Composite abstract' means a document signed by the members of the State Board of Elections showing the total number of votes for each candidate and ballot proposal and the number of votes in each county. A composite abstract does not include precinct returns.
- (3) 'Certificate of election' means a document prepared by the official or body with the legal authority to do so, conferring upon a candidate the right to assume an elective office as a result of being elected to it.
- (4) 'Protest' means a complaint concerning the conduct of an election which, if supported by sufficient evidence, may require remedy by one or more of the following:

 - c. A new election as provided in G.S. 163-182.13.

"§ 163-182.1. Principles and rules for counting official ballots.

(a) General Principles That Shall Apply. – The following general principles shall apply in the counting of official ballots, whether the initial count or any recount:

- (1) Only official ballots shall be counted.
- (2) No official ballot shall be rejected because of technical errors in marking it, unless it is impossible to clearly determine the voter's choice.
- (3) If it is impossible to clearly determine a voter's choice in a ballot item, the official ballot shall not be counted for that ballot item, but shall be counted in all other ballot items in which the voter's choice can be clearly determined.
- (4) If an official ballot is marked in a ballot item with more choices than there are offices to be filled or propositions that may prevail, the official ballot shall not be counted for that ballot item, but shall be counted in all other ballot items in which there is no overvote and the voter's choice can be clearly determined.
- (5) If an official ballot is rejected by a scanner or other counting machine, but human counters can clearly determine the voter's choice, the official ballot shall be counted by hand and eye.

- (6) Write-in votes shall not be counted in party primaries or in referenda, but shall be counted in general elections if all of the following are true:
- a. The write-in vote is written by the voter or by a person authorized to assist the voter pursuant to G.S. 163-166.8.
 - b. The write-in vote is not cast for a candidate who has failed to qualify under G.S. 163-123 as a write-in candidate.
 - c. The voter's choice can be clearly determined.
- (7) Straight-party ticket and split-ticket votes shall be counted in general elections according to the following guidelines:
- a. If a voter casts a vote for a straight-party ticket, that vote shall be counted for all the candidates of that party, other than those for President and Vice President, in the partisan ballot items on that official ballot except as otherwise provided in this subdivision.
 - b. If a voter casts a vote for a straight-party ticket and also votes in a partisan ballot item for a candidate not of that party, the official ballot shall be counted in that ballot item only for the individually marked candidate. In partisan ballot items where no mark is made for an individual candidate, the official ballot shall be counted for the candidates of the party whose straight ticket the voter voted.
 - c. If a voter casts a vote for a straight-party ticket and also casts a write-in vote in any partisan ballot item, the straight-party ticket vote shall not control the way the official ballot is counted in that ballot item, except to the extent it would control in the case of crossover voting under this subdivision. The following principles shall apply:
 1. If the write-in vote is proper under subdivision (6) of this subsection, that write-in candidate shall receive a vote.
 2. If the write-in vote is not proper under subdivision (6) of this subsection and no other candidate is individually marked in that ballot item, then no vote shall be counted in that ballot item.
 3. If the straight-ticket voter casts both write-in votes and individually marked votes for ballot candidates in a ballot item, then the write-in

and individually marked votes shall be counted unless the write-in is not proper under subdivision (6) of this subsection or an overvote results.

(b) Rules and Directions by State Board of Elections. – The State Board of Elections shall promulgate rules where necessary to apply the principles in subsection (a) of this section to each voting system in use in the State. The rules shall prescribe procedures and standards for each type of voting system. Those procedures and standards shall be followed uniformly throughout the State in all places where that type of voting system is used. The State Board shall direct the county boards of elections in the application of the principles and rules in individual circumstances.

"§ 163-182.2. Initial counting of official ballots.

(a) The initial counting of official ballots shall be conducted according to the following principles:

- (1) Vote counting at the precinct shall occur immediately after the polls close and shall be continuous until completed.
- (2) Vote counting at the precinct shall be conducted with the participation of precinct officials of all political parties then present. Vote counting at the county board of elections shall be conducted in the presence or under the supervision of board members of all political parties then present.
- (3) Any member of the public wishing to witness the vote count at any level shall be allowed to do so. No witness shall interfere with the orderly counting of the official ballots. Witnesses shall not participate in the official counting of official ballots.
- (4) Provisional official ballots shall be counted by the county board of elections before the canvass. If the county board finds that an individual voting a provisional official ballot is not eligible to vote in one or more ballot items on the official ballot, the board shall not count the official ballot in those ballot items, but shall count the official ballot in any ballot items for which the individual is eligible to vote.
- (5) Precinct officials shall provide a preliminary report of the vote counting to the county board of elections as quickly as possible. The preliminary report shall be unofficial and has no binding effect upon the official county canvass to follow.

(b) The State Board of Elections shall promulgate rules for the initial counting of official ballots. All election officials shall be

governed by those rules. In promulgating those rules, the State Board shall adhere to the following guidelines:

- (1) For each voting system used, the rules shall specify the role of precinct officials and of the county board of elections in the initial counting of official ballots.
- (2) The rules shall provide for accurate unofficial reporting of the results from the precinct to the county board of elections with reasonable speed on the night of the election.
- (3) The rules shall provide for the prompt and secure transmission of official ballots from the voting place to the county board of elections.

The State Board shall direct the county boards of elections in the application of the principles and rules in individual circumstances.

"§ 163-182.3. Responsibility of chief judge.

The chief judge of each precinct shall be responsible for the adherence of the precinct officials to the State Board rules for counting, reporting, and transmitting official ballots.

"§ 163-182.4. Jurisdiction for certain ballot items.

(a) The Canvass. – As used in this Article, the term 'canvass' means the entire process of determining that the votes have been counted and tabulated correctly, culminating in the authentication of the official election results. The board of elections conducting a canvass has authority to send for papers and persons and to examine them and pass upon the legality of disputed ballots.

(b) Canvassing by County Board of Elections. – The county board of elections shall meet at 11:00 A.M. on the third day (Sunday excepted) after every election to complete the canvass of votes cast and to authenticate the count in every ballot item in the county by determining that the votes have been counted and tabulated correctly. If, despite due diligence by election officials, the initial counting of all the votes has not been completed by that time, the county board may hold the canvass meeting a reasonable time thereafter. The canvass meeting shall be at the county board of elections office, unless the county board, by unanimous vote of all its members, designates another site within the county. The county board shall examine the returns from precincts, from absentee official ballots, and from provisional official ballots and shall conduct the canvass.

(c) Canvassing by State Board of Elections. – After each general election, the State Board of Elections shall meet at 11:00 A.M. on the Tuesday three weeks after election day to complete the canvass of votes cast in all ballot items within the jurisdiction of the State Board of Elections and to authenticate the count in every ballot item in the county by determining that the votes have been counted and tabulated correctly. After each primary, the State Board shall fix the date of its canvass meeting. If, by the time of its scheduled canvass meeting, the State Board has not received the county canvasses, the State Board may adjourn for not more than 10 days to secure the missing abstracts. (c) Duty of the Secretary of State. – The Secretary of State shall maintain the certified copies of abstracts received from the county and State boards of elections. The Secretary shall keep the abstracts in a form readily accessible and useful to the public.

(d) Forms by State Board of Elections. – The State Board of Elections shall prescribe forms for all abstracts. Those forms shall be uniform and shall, at a minimum, state the name of each candidate and the office sought and each referendum proposal, the number of votes cast for each candidate and proposal, the candidate or proposal determined to have prevailed, and a statement authenticating the count.

"§ 163-182.7. Ordering recounts.

(a) Discretionary Recounts. – The county board of elections or the State Board of Elections may order a recount when necessary to complete the canvass in an election. The county board may not order a recount where the State Board of Elections has already denied a recount to the petitioner.

(b) Mandatory Recounts for Ballot Items Within the Jurisdiction of the County Board of Elections. – In a ballot item within the jurisdiction of the county board of elections, a candidate shall have the right to demand a recount of the votes if the difference between the votes for that candidate and the votes for a prevailing candidate is not more than one percent (1%) of the total votes cast in the ballot item, or in the case of a multiseat ballot item not more than one percent (1%) of the votes cast for those two candidates. The demand for a recount must be made in writing and must be received by the county board of elections by noon on the fourth day after the canvass. The recount shall be conducted under the supervision of the county board of elections.

(c) Mandatory Recounts for Ballot Items Within the Jurisdiction of the State Board of Elections. – In a ballot item within the jurisdiction of the State Board of Elections, a candidate shall have the right to demand a recount of the votes if the difference between the

votes for that candidate and the votes for a prevailing candidate are not more than the following:

- (2) For a statewide ballot item, one-half of one percent (0.5%) of the votes cast in the ballot item, or in the case of a multiseat ballot item, one-half of one percent (0.5%) of the votes cast for those two candidates, or 10,000 votes, whichever is less.

The demand for a recount must be in writing and must be received by the State Board of Elections by noon on the second Wednesday after the election. If on that Wednesday the available returns show a candidate not entitled to a mandatory recount, but the Executive Director determines subsequently that the margin is within the threshold set out in this subsection, the Executive Director shall notify the eligible candidate immediately and that candidate shall be entitled to a recount if that candidate so demands within 48 hours of notice. The recount shall be conducted under the supervision of the State Board of Elections.

(d) Rules for Conducting Recounts. – The State Board of Elections shall promulgate rules for conducting recounts. Those rules shall be subject to the following guidelines:

- (1) The rules shall specify, with respect to each type of voting system, when and to what extent the recount shall consist of machine recounts and hand-to-eye recounts.
- (2) The rules shall provide guidance in interpretation of the voter's choice.
- (3) The rules shall specify how the goals of multipartisan participation, opportunity for public observation, and good order shall be balanced.

"§ 163-182.8. Determining result in case of a tie.

If the count, upon completion of canvass by the proper board of elections, shows a tie vote other than in a primary, the tie shall be resolved as follows:

- (1) If more than 5,000 voters cast official ballots in the ballot item, the State Board of Elections shall order a new election in which only the candidates or positions tied will be on the official ballot. The State Board of Elections shall set the schedule for publication of the notice, preparation of absentee official ballots, and the other actions necessary to conduct the election. Eligibility to vote in the new election shall be

determined by the voter's eligibility at the time of the new election.

- (2) If 5,000 or fewer voters cast official ballots in the ballot item, the board of elections with jurisdiction to certify the election shall break the tie by a method of random selection to be determined by the State Board of Elections.

"§ 163-182.9. Filing an election protest.

(a) Who May File a Protest With County Board. – A protest concerning the conduct of an election may be filed with the county board of elections by any registered voter who was eligible to vote in the election or by any person who was a candidate for nomination or election in the election.

(b) How Protest May Be Filed. – The following principles shall apply to the filing of election protests with the county board of elections:

- (1) The protest shall be in writing and shall be signed by the protester. It shall include the protester's name, address, and telephone number and a statement that the person is a registered voter in the jurisdiction or a candidate.
- (2) The protest shall state whether the protest concerns the manner in which votes were counted and results tabulated or concerns some other irregularity.
- (3) The protest shall state what remedy the protester is seeking.
- (4) The timing for filing a protest shall be as follows:
 - a. If the protest concerns the manner in which votes were counted or results tabulated, the protest shall be filed before the beginning of the county board of election's canvass meeting.
 - b. If the protest concerns the manner in which votes were counted or results tabulated and the protest states good cause for delay in filing, the protest may be filed until 6:00 P.M. on the second day after the county board of elections has completed its canvass and declared the results.
 - c. If the protest concerns an irregularity other than vote counting or result tabulation, the protest shall be filed no later than 6:00 P.M. on the second day after the county board has completed its canvass and declared the results.
 - d. If the protest concerns an irregularity on a matter other than vote counting or result tabulation and the protest is filed before election day, the protest proceedings shall be stayed, unless a party

defending against the protest moves otherwise, until after election day if any one of the following conditions exists:

1. The ballot has been printed.
2. The voter registration deadline for that election has passed.
3. Any of the proceedings will occur within 30 days before election day.

(c) State Board to Prescribe Forms. – The State Board of Elections shall prescribe forms for filing protests.

"§ 163-182.10. Consideration of protest by county board of elections.

(a) Preliminary Consideration. – The following principles shall apply to the initial consideration of election protests by the county board of elections:

- (1) The county board shall, as soon as possible after the protest is filed, meet to determine whether the protest substantially complies with G.S. 163-182.9 and whether it establishes probable cause to believe that a violation of election law or irregularity or misconduct has occurred. If the board determines that one or both requirements are not met, the board shall dismiss the protest. The board shall notify both the protester and the State Board of Elections. The protester may file an amended protest or may appeal to the State Board. If the board determines that both requirements are met, it shall schedule a hearing.
- (2) If a protest was filed before the canvass and concerns the counting and tabulating of votes, the county board shall resolve the protest before the canvass is completed. If necessary to provide time to resolve the protest, the county board may recess the canvass meeting, but shall not delay the completion of the canvass for more than three days unless approved by the State Board of Elections. Resolution of the protest shall not delay the canvass of ballot items unaffected by the protest. The appeal of a dismissal shall not delay the canvass.
- (3) If a protest concerns an irregularity other than the counting or tabulating of votes, that protest shall not delay the canvass.

(b) Notice of Hearing. – The county board shall give notice of the protest hearing to the protester, any candidate likely to be affected, any election official alleged to have acted improperly, and those persons likely to have a significant interest in the resolution of the protest. Each person given notice shall also be given a copy of the

protest or a summary of its allegations. The manner of notice shall be as follows:

- (1) If the protest concerns the manner in which the votes were counted or the results tabulated, the protester shall be told at the time of filing that the protest will be heard at the time of the canvass. Others shall be notified as far in advance of the canvass as time permits.
- (2) If the protest concerns a matter other than the manner in which votes were counted or results tabulated, the county board shall comply with rules to be promulgated by the State Board of Elections concerning reasonable notice of the hearing.

Failure to comply with the notice requirements in this subsection shall not delay the holding of a hearing nor invalidate the results if it appears reasonably likely that all interested persons were aware of the hearing and had an opportunity to be heard.

(c) Conduct of Hearing. – The following principles shall apply to the conduct of a protest hearing before the county board of elections:

- (1) The county board may allow evidence to be presented at the hearing in the form of affidavits or it may examine witnesses. The chair or any two members of the board may subpoena witnesses or documents. Each witness must be placed under oath before testifying.
- (2) The county board may receive evidence at the hearing from any person with information concerning the subject of the protest. The person who made the protest shall be permitted to present allegations and introduce evidence at the hearing. Any other person to whom notice of hearing was given, if present, shall be permitted to present evidence. The board may allow evidence by affidavit. The board may permit evidence to be presented by a person to whom notice was not given, if the person apparently has a significant interest in the resolution of the protest that is not adequately represented by other participants.
- (3) The hearing shall be recorded by a reporter or by mechanical means, and the full record of the hearing shall be preserved by the county board until directed otherwise by the State Board.

(d) Findings of Fact and Conclusions of Law by County Board. – The county board shall make a written decision on each protest which shall state separately each of the following:

- (1) Findings of fact. – The findings of fact shall be based exclusively on the evidence and on matters officially noticed. Findings of fact, if set forth in statutory

language, shall be accompanied by a concise and explicit statement of the underlying facts supporting them.

(2) Conclusions of law. – The conclusions the county board may state, and their consequences for the board's order, are as follows:

a. 'The protest should be dismissed because it does not substantially comply with G.S. 163-182.9.' If the board makes this conclusion, it shall order the protest dismissed.

b. 'The protest should be dismissed because there is not substantial evidence of a violation of the election law or other irregularity or misconduct.' If the county board makes this conclusion, it shall order the protest dismissed.

c. 'The protest should be dismissed because there is not substantial evidence of any violation, irregularity, or misconduct sufficient to cast doubt on the results of the election.' If the county board makes this conclusion, it shall order the protest dismissed.

d. 'There is substantial evidence to believe that a violation of the election law or other irregularity or misconduct did occur, and might have affected the outcome of the election, but the board is unable to finally determine the effect because the election was a multicounty election.' If the county board makes this conclusion, it shall order that the protest and the county board's decision be sent to the State Board for action by it.

e. 'There is substantial evidence to believe that a violation of the election law or other irregularity or misconduct did occur and that it was sufficiently serious to cast doubt on the apparent results of the election.' If the county board makes this conclusion, it may order any of the following as appropriate:

1. That the vote total as stated in the precinct return or result of the canvass be corrected and new results declared.

2. That votes be recounted.

3. That the protest and the county board's decision be sent to the State Board for action by it.

4. Any other action within the authority of the county board.

(3) An order. – Depending on the conclusion reached by the county board, its order shall be as directed in subdivision (c)(2). If the county board is not able to determine what law is applicable to the Findings of Fact, it may send its findings of fact to the State Board for it to determine the applicable law.

(e) Rules by State Board of Elections. – The State Board of Elections shall promulgate rules providing for adequate notice to parties, scheduling of hearings, and the timing of deliberations and issuance of decision.

"§ 163-182.11. Appeal of a protest decision by the county board to the State Board of Elections.

(a) Notice and Perfection of Appeal. – The decision by the county board of elections on an election protest may be appealed to the State Board of Elections by any of the following:

- (1) The person who filed the protest.
- (2) A candidate or elected official adversely affected by the county board's decision.
- (3) Any other person who participated in the hearing and has a significant interest adversely affected by the county board's decision.

Written notice of the appeal must be given to the county board within 24 hours after the county board files the written decision at its office. The appeal to the State Board must be in writing. The appeal must be delivered or deposited in the mail, addressed to the State Board, by the appropriate one of the following: (i) the end of the second day after the day the decision was filed by the county board in its office, if the decision concerns a first primary; or (ii) the end of the fifth day after the day the decision was filed in the county board office, if the decision concerns an election other than a first primary.

The State Board shall prescribe forms for filing appeals from the county board.

(b) Consideration of Appeal by State Board. – In its consideration of an appeal from a decision of a county board of elections on a protest, the State Board of Elections may do any of the following:

- (1) Decide the appeal on the basis of the record from the county board, as long as the county board has made part of the record a transcript of the evidentiary hearing.
- (2) Request the county board or any interested person to supplement the record from the county board, and then decide the appeal on the basis of that supplemented record.
- (3) Receive additional evidence and then decide the appeal on the basis of the record and that additional evidence.

- (4) Hold its own hearing on the protest and resolve the protest on the basis of that hearing.
- (5) Remand the matter to the county board for further proceedings in compliance with an order of the State Board.

The State Board shall follow the procedures set forth in subsections (c) and (d) of G.S. 163-182.10 except where they are clearly inapplicable.

The State Board shall give notice of its decision as required by G.S. 163-182.14, and may notify the county board and other interested persons in its discretion.

"§ 163-182.12. Authority of State Board of Elections over protests.

The State Board of Elections may consider protests that were not filed in compliance with G.S. 163-182.9, may initiate and consider complaints on its own motion, may intervene and take jurisdiction over protests pending before a county board, and may take any other action necessary to assure that an election is determined without taint of fraud or corruption.

"§ 163-182.13. New elections.

(a) When State Board May Order New Election. – The State Board of Elections may order a new election, upon agreement of at least four of its members, in the case of any one or more of the following:

- (1) Ineligible voters sufficient in number to change the outcome of the election were allowed to vote in the election, and it is not possible from examination of the official ballots to determine how those ineligible voters voted and to correct the totals.
- (2) Eligible voters sufficient in number to change the outcome of the election were improperly prevented from voting.
- (3) Other irregularities affected a sufficient number of votes to change the outcome of the election.
- (4) Irregularities or improprieties occurred to such an extent that, although it is not possible to determine whether those irregularities or improprieties affected the outcome of the election, they taint the results of the entire election and cast doubt on its fairness.

(b) State Board to Set Procedures. – The State Board of Elections shall determine when a new election shall be held and shall set the schedule for publication of the notice, preparation of absentee official ballots, and the other actions necessary to conduct the election.

(c) Eligibility to Vote in New Election. – Eligibility to vote in the new election shall be determined by the voter's eligibility at the time of the new election, except that in a primary, no person who voted in

the initial primary of one party shall vote in the new election in the primary of another party. The State Board of Elections shall promulgate rules to effect the provisions of this subsection.

(d) Jurisdiction in Which New Election Held. – The new election shall be held in the entire jurisdiction in which the original election was held.

(e) Which Candidates to Be on Official Ballot. – All the candidates who were listed on the official ballot in the original election shall be listed in the same order on the official ballot for the new election, except in either of the following:

(1) If a candidate dies or otherwise becomes ineligible between the time of the original election and the new election, that candidate may be replaced in the same manner as if the vacancy occurred before the original election.

(2) If the election is for a multiseat office, and the irregularities could not have affected the election of one or more of the leading vote getters, the new election, upon agreement of at least four members of the State Board, may be held among only those remaining candidates whose election could have been affected by the irregularities.

(f) Tie Votes. – If ineligible voters voted in an election and it is possible to determine from the official ballots the way in which those votes were cast and to correct the results, and consequently the election ends in a tie, the provisions of G.S. 163-182.8 concerning tie votes shall apply.

"§ 163-182.14. Appeal of a final decision to superior court.

A copy of the final decision of the State Board of Elections on an election protest shall be served on the parties personally or by certified mail. A decision to order a new election is considered a final decision for purposes of seeking review of the decision. An aggrieved party has the right to appeal the final decision to the Superior Court of Wake County within 10 days of the date of service.

After the decision by the State Board of Elections has been served on the parties, the certification of nomination or election or the results of the referendum shall issue pursuant to G.S. 163-182.15 unless an appealing party obtains a stay of the certification from the Superior Court of Wake County within 10 days after the date of service. The court shall not issue a stay of certification unless the petitioner shows the court that the petitioner has appealed the decision of the State Board of Elections, that the petitioner is an aggrieved party, that the petitioner is likely to prevail, and that the results of the election would be changed in the petitioner's favor. Mere irregularities in the election

which would not change the results of the election shall not be sufficient for the court to issue a stay of certification.

"§ 163-182.15. Certificate of nomination or election, or certificate of the results of a referendum.

(a) Issued by County Board of Elections. – In ballot items within the jurisdiction of the county board of elections, the county board shall issue a certificate of nomination or election, or a certificate of the results of the referendum, as appropriate. The certificate shall be issued by the county board five days after the completion of the canvass pursuant to G.S. 163-182.5, unless there is an election protest pending. If there is an election protest, the certificate of nomination or election or the certificate of the result of the referendum shall be issued in one of the following ways, as appropriate:

- (1) The certificate shall be issued five days after the protest is dismissed or denied by the county board of elections, unless that decision has been appealed to the State Board of Elections.
- (2) The certificate shall be issued 10 days after the final decision of the State Board, unless the State Board has ordered a new election or the issuance of the certificate is stayed by the Superior Court of Wake County pursuant to G.S. 163-182.14.
- (3) If the decision of the State Board has been appealed to the Superior Court of Wake County and the court has stayed the certification, the certificate shall be issued five days after the entry of a final order in the case in the Superior Court of Wake County, unless that court or an appellate court orders otherwise.

(b) Issued by State Board of Elections. – In ballot items within the jurisdiction of the State Board of Elections, the State Board of Elections shall issue a certificate of nomination or election, or a certificate of the results of the referendum, as appropriate. The certificate shall be issued by the State Board five days after the completion of the canvass pursuant to G.S. 163-182.5, unless there is an election protest pending. If there is an election protest, the certificate of nomination or election or the certificate of the result of the referendum shall be issued in one of the following ways, as appropriate:

- (1) The certificate shall be issued 10 days after the final decision of the State Board on the election protest, unless the State Board has ordered a new election or the issuance of the certificate is stayed by the Superior Court of Wake County pursuant to G.S. 163-14.
- (2) If the decision of the State Board has been appealed to the Superior Court of Wake County and the court has

stayed the certification, the certificate shall be issued five days after the entry of a final order in the case in the Superior Court of Wake County, unless that court or an appellate court orders otherwise.

(c) Copy to Secretary of State. – The State Board of Elections shall provide to the Secretary of State a copy of each certificate of nomination or election, or certificate of the results of a referendum, issued by it. The Secretary shall keep the certificates in a form readily accessible and useful to the public.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-330.6 reads as rewritten:

"§ 105-330.6. *Motor vehicle tax year; transfer of plates; surrender of plates.*

(a) Tax Year. – The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) and registered under the staggered system ~~shall begin~~ begins on the first day of the first month following the date on which the registration expires or the new registration is applied for and ~~end~~ ends on the last day of the twelfth month following the date on which the registration expires or the new registration is applied for. The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) and registered under the annual system ~~shall begin~~ begins on the first day of the first month following the date on which the registration expires or the new registration is applied for and ~~end~~ ends the following December 31. The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) ~~shall be~~ is the fiscal year that opens in the calendar year in which the vehicle is required to be listed.

(a1) Change in Tax Year. – If the tax year for a classified motor vehicle changes because of a change in its registration for a reason other than the transfer of its registration plates to another classified motor vehicle pursuant to G.S. 20-64, and the new tax year begins before the expiration of the vehicle's original tax year, the taxpayer

may receive a credit, in the form of a release, against the taxes on the vehicle for the new tax year. The amount of the credit is equal to a proportion of the taxes paid on the vehicle for the original tax year. The proportion is the number of full calendar months remaining in the original tax year as of the first day of the new tax year, divided by 12. To obtain the credit allowed in this subsection, the taxpayer must apply within 30 days after the taxes for the new tax year are due and must provide the county tax collector information establishing the original tax year of the vehicle, the amount of taxes paid on the vehicle for that year, and the reason for the change in registration.

(b) Transfer of Plates. – If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) transfers the registration plates from the listed vehicle to another classified motor vehicle pursuant to G.S. 20-64 during the listed vehicle's tax year, the vehicle to which the plates are transferred is not required to be listed or taxed until the current registration expires or is renewed.

(c) Surrender of Plates. – If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) either transfers the motor vehicle to a new owner or moves out-of-state and registers the vehicle in another jurisdiction, and the owner surrenders the registration plates from the listed vehicle to the Division of Motor Vehicles, then the owner may apply for a release or refund of taxes on the vehicle for any full calendar months remaining in the vehicle's tax year after the date of surrender. To apply for a release or refund, the owner must present to the county tax collector within 120 days after surrendering the plates the receipt received from the Division of Motor Vehicles accepting surrender of the registration plates. The product of the multiplication is the amount of taxes to be released or refunded. If the taxes have not been paid at the date of application, the county tax collector shall make a release of the prorated taxes and credit the owner's tax notice with the amount of the release. If the taxes have been paid at the date of application, the county tax collector shall direct an order for a refund of the prorated taxes to the county finance officer, and the finance officer shall issue a refund to the vehicle owner."
