The General Assembly of North Carolina enacts:

SECTION 1. Article 5 of Chapter 15A of the General Statutes is amended by adding a new section to read:

(a) Whenever any person who has not previously been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state pleads guilty to or is guilty of (i) a Class H felony under Article 13A of Chapter 14 of the General Statutes or (ii) an enhanced offense under G.S. 14-50.22, or has been discharged and had the proceedings against the person dismissed pursuant to G.S. 14-50.29, and the offense was committed before the person attained the age of 18 years, the person may file a petition in the court where the person was convicted for expunction of the offense from the person's criminal record. Except as provided in G.S. 14-50.29 upon discharge and dismissal, the petition cannot be filed earlier than (i) two years after the date of the conviction or (ii) the completion of any period of probation, whichever occurs later. The petition shall contain, but not be limited to, the following:

- (1) An affidavit by the petitioner that the petitioner has been of good behavior (i) during the period of probation since the decision to defer further proceedings on the offense in question pursuant to G.S. 14-50.29 or (ii) during the two-year period since the date of conviction of the offense in question, whichever applies, and has not been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state.

- (2) Verified affidavits of two persons who are not related to the petitioner or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which the petitioner lives, and that the petitioner's character and reputation are good.
- (3) If the petition is filed subsequent to conviction of the offense in question, a statement that the petition is a motion in the cause in the case wherein the petitioner was convicted.
- (4) Affidavits of the clerk of superior court, chief of police, where appropriate, and sheriff of the county in which the petitioner was convicted and, if different, the county of which the petitioner is a resident, showing that the petitioner has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State (i) during the period of probation since the decision to defer further proceedings on the offense in question pursuant to G.S. 14-50.29 or (ii) at any time prior to the conviction for the offense in question or during the two-year period following that conviction, whichever applies.
- (5) An affidavit by the petitioner that no restitution orders or civil judgments representing amounts ordered for restitution entered against the petitioner are outstanding.

The petition shall be served upon the district attorney of the court wherein the case was tried resulting in conviction. The district attorney shall have 10 days thereafter in which to file any objection thereto and shall be duly notified as to the date of the hearing of the petition.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the probationary period or during the two-year period after conviction.

(b) If the court, after hearing, finds that (i) the petitioner was dismissed and the proceedings against the petitioner discharged pursuant to G.S. 14-50.29 and that the person had not yet attained 18 years of age at the time of the offense or (ii) the petitioner has remained of good behavior and been free of conviction of any felony or misdemeanor other than a traffic violation for two years from the date of conviction of the offense in question, the petitioner has no outstanding restitution orders or civil judgments representing amounts ordered for restitution entered against him, and the petitioner had not attained the age of 18 years at the time of the offense in question, it shall order that such person be restored, in the contemplation of the law, to the status occupied by the petitioner before such arrest or indictment or information. No person as to whom such order has been entered shall be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of the person's failure to recite or acknowledge such arrest, or indictment or information, or trial, or response to any inquiry made of the person for any purpose. The court shall also order that the said conviction be expunged from the records of the court and direct all law enforcement agencies bearing record of the same to expunge their records of the conviction as the result of a criminal charge. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency. The sheriff, chief of police, or head of such other arresting agency shall then transmit the copy of the order with a form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation.

(c) This section is supplemental and in addition to existing law and shall not be construed so as to repeal any existing provision contained in the General Statutes of North Carolina."

SECTION 2. Article 5 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"§ 15A-145.2. Expunction of records for first offenders not over 21 years of age at the time of the offense of certain drug offenses.

(a) Whenever a person is discharged, and the proceedings against the person dismissed, pursuant to G.S. 90-96(a) or (a1), and the person was not over 21 years of age at the time of the offense, the person may apply to the court for an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under G.S. 90-96(c)) all recordation relating to his arrest, indictment or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. The applicant shall attach to the application the following:

- (1) An affidavit by the applicant that he has been of good behavior during the period of probation since the decision to defer further proceedings on the offense in question and has not been convicted of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state;
- (2) Verified affidavits by two persons who are not related to the applicant or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which he lives, and that his character and reputation are good;
- (3) Affidavits of the clerk of superior court, chief of police, where appropriate, and sheriff of the county in which the petitioner was convicted, and, if different, the county of which the petitioner is a resident, showing that the applicant has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to the conviction for the offense in question or during the period of probation following the decision to defer further proceedings on the offense in question.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the probationary period deemed desirable.

If the court determines, after hearing, that such person was discharged and the proceedings against him dismissed and that he was not over 21 years of age at the time of the offense, it shall enter such order. The effect of such order shall be to restore such person in the contemplation of the law to the status he occupied before such arrest or indictment or information. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

The court shall also order that said conviction and the records relating thereto be expunged from the records of the court and direct all law enforcement agencies bearing records of the same to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency, as appropriate, and the sheriff, chief of police, or other arresting agency, as appropriate, shall forward such order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

(b) Whenever any person is charged with a misdemeanor under Article 5 of Chapter 90 of the General Statutes by possessing a controlled substance included within Schedules II through VI of Article 5 of Chapter 90 of the General Statutes or a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, upon dismissal by the State of the charges against him, upon entry of a nolle prosequi, or upon a finding of not guilty or other adjudication of innocence, such person may apply to the court for an order to expunge from all official records all recordation relating to his arrest, indictment or information, or trial. If the court determines, after hearing, that such person was not over 21 years of age at the time the

offense for which the person was charged occurred, it shall enter such order. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

(c) Whenever any person who has not previously been convicted of an offense under Article 5 of Chapter 90 of the General Statutes or under any statute of the United States or any state relating to controlled substances included in any schedule of Article 5 of Chapter 90 of the General Statutes or to that paraphernalia included in Article 5B of Chapter 90 of the General Statutes pleads guilty to or has been found guilty of (i) a misdemeanor under Article 5 of Chapter 90 of the General Statutes by possessing a controlled substance included within Schedules II through VI of Article 5 of Chapter 90 of the General Statutes or by possessing drug paraphernalia as prohibited by G.S. 90-113.22 or (ii) a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, the court may, upon application of the person not sooner than 12 months after conviction, order cancellation of the judgment of conviction and expunction of the records of his arrest, indictment or information, trial, and conviction. A conviction in which the judgment of conviction has been canceled and the records expunged pursuant to this subsection shall not be thereafter deemed a conviction for purposes of this subsection or for purposes of disqualifications or liabilities imposed by law upon conviction of a crime, including the additional penalties imposed for second or subsequent convictions of Article 5 of Chapter 90 of the General Statutes. Cancellation and expunction under this subsection may occur only once with respect to any person. Disposition of a case under this subsection at the district court division of the General Court of Justice shall be final for the purpose of appeal.

The granting of an application filed under this subsection shall cause the issue of an order to expunge from all official records (other than the confidential file to be retained by the Administrative Office of the Courts under G.S. 90-96(c)) all recordation relating to the petitioner's arrest, indictment or information, trial, finding of guilty, judgment of conviction, cancellation of the judgment, and expunction of records pursuant to this subsection.

The judge to whom the petition is presented is authorized to call upon a probation officer for additional investigation or verification of the petitioner's conduct since conviction. If the court determines that the petitioner was convicted of (i) a misdemeanor under Article 5 of Chapter 90 of the General Statutes for possessing a controlled substance included within Schedules II through VI of Article 5 of Chapter 90 of the General Statutes or for possessing drug paraphernalia as prohibited in G.S. 90-113.22 or (ii) a felony under G.S. 90-95(a)(3) for possession of less than one gram of cocaine, that he was not over 21 years of age at the time of the offense, that he has been of good behavior since his conviction, that he has successfully completed a drug education program approved for this purpose by the Department of Health and Human Services, and that he has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to or since the conviction for the offense in question, it shall enter an order of expunction of the petitioner's court record. The effect of such order shall be to restore the petitioner in the contemplation of the law to the status he occupied before arrest or indictment or information or conviction. No person as to whom such order was entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or conviction, or trial in response to any inquiry made of him for any purpose. The judge may waive the condition that the petitioner attend the drug education school if the judge makes a specific finding that there was no drug education school within a reasonable distance of the defendant's residence or that there were specific extenuating circumstances which made it likely that the petitioner would not benefit from the program of instruction.

The court shall also order all law enforcement agencies bearing records of the conviction and records relating thereto to expunge their records of the conviction. The clerk shall forward

a certified copy of the order to the sheriff, chief of police, or other arresting agency, as appropriate, and the arresting agency shall forward the order to the State Bureau of Investigation with a form supplied by the State Bureau of Investigation. The State Bureau of Investigation shall forward the court order in like manner to the Federal Bureau of Investigation.

The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts the names of those persons whose judgments of convictions have been canceled and expunged under the provisions of this subsection, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons whose judgments of convictions have been canceled and expunged. The information contained in the file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense under Article 5 of Chapter 90 of the General Statutes has been previously granted cancellation and expunction of a judgment of conviction pursuant to the terms of this subsection.

(d) A person who files a petition for expunction of a criminal record under this section must pay the clerk of superior court a fee of sixty-five dollars (\$65.00) at the time the petition is filed. Fees collected under this subsection shall be deposited in the General Fund. This subsection does not apply to petitions filed by an indigent."

SECTION 3.1. G.S. 15A-146(a1) reads as rewritten:

"(a1) Notwithstanding subsection (a) of this section, if a person is charged with multiple offenses and all the charges are dismissed, or findings of not guilty or not responsible are made, then a person may apply to have each of those charges expunged if the offenses occurred within the same 12-month period of time or if the charges are dismissed or findings are made at the same term of court. Unless circumstances otherwise clearly provide, the phrase "term of court" shall mean one week for superior court and one day for district court. There is no requirement that the multiple offenses arise out of the same transaction or occurrence or that the multiple offenses were consolidated for judgment. The court shall hold a hearing on the application. If the court finds (i) that the person had not previously received an expungement under this subsection, subsection, or that any previous expungement received under this subsection occurred prior to October 1, 2005 and was for an offense that occurred within the same 12-month period of time, or was dismissed or findings made at the same term of court, as the offenses that are the subject of the current application, (ii) that the person had not previously received an expungement under G.S. 15A-145 or G.S. 90-96, and (iii) that the person had not previously been convicted of any felony under the laws of the United States, this State, or any other state, the court shall order the expunction. SECTION 6. G.S. 90-96 reads as rewritten:**"§ 90-96. Conditional discharge and expunction of records for first offense.**

(a) Whenever any person who has not previously been convicted of any offense under this Article or under any statute of the United States or any state relating to those substances included in Article 5 or 5A of Chapter 90 or to that paraphernalia included in Article 5B of Chapter 90 pleads guilty to or is found guilty of (i) a misdemeanor under this Article by possessing a controlled substance included within Schedules II through VI of this Article or by possessing drug paraphernalia as prohibited by ~~G.S. 90-113.21~~, G.S. 90-113.22, or (ii) a felony under G.S. 90-95(a)(3) by possessing less than one gram of cocaine, the court may, without entering a judgment of guilt and with the consent of such person, defer further proceedings and place him on probation upon such reasonable terms and conditions as it may require. Notwithstanding the provisions of G.S. 15A-1342(c) or any other statute or law, probation may be imposed under this section for an offense under this Article for which the prescribed punishment includes only a fine. To fulfill the terms and conditions of probation the court may allow the defendant to participate in a drug education program approved for this purpose by the Department of Health and Human Services. Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of this section or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime including the additional penalties imposed for second or subsequent convictions under this Article. Discharge and dismissal under this section or G.S. 90-113.14 may occur only once with respect to any person. Disposition of a case to determine discharge and dismissal under this section at the district court division of the General Court of Justice shall be final for the purpose of appeal. Prior to taking any action to discharge and dismiss under this section the court shall make a finding that the defendant has no record of previous convictions under the "North Carolina Controlled Substances Act", Article 5, Chapter 90, the "North Carolina Toxic Vapors Act", Article 5A, Chapter 90, or the "Drug Paraphernalia Act", Article 5B, Chapter 90.

(a1) Upon the first conviction only of any offense included in G.S. 90-95(a)(3) or ~~G.S. 90-113.21~~ G.S. 90-113.22 and subject to the provisions of this subsection (a1), the court may place defendant on probation under this section for an offense under this Article including an offense for which the prescribed punishment includes only a fine. The probation, if imposed, shall be for not less than one year and shall contain a minimum condition that the defendant who was found guilty or pleads guilty enroll in and successfully complete, within 150 days of the date of the imposition of said probation, the program of instruction at the drug education school approved by the Department of Health and Human Services pursuant to G.S. 90-96.01. - (1) There is no drug education school within a reasonable distance of the defendant's residence; or
- (2) There are specific, extenuating circumstances which make it likely that defendant will not benefit from the program of instruction.

The court shall enter such specific findings in the record; provided that in the case of subdivision (2) above, such findings shall include the specific, extenuating circumstances which make it likely that the defendant will not benefit from the program of instruction.

Upon fulfillment of the terms and conditions of the probation, the court shall discharge such person and dismiss the proceedings against the person.

For the purposes of determining whether the conviction is a first conviction or whether a person has already had discharge and dismissal, no prior offense occurring more than seven years before the date of the current offense shall be considered. In addition, convictions for violations of a provision of G.S. 90-95(a)(1) or 90-95(a)(2) or 90-95(a)(3), or 90-113.10, or 90-113.11, or 90-113.12, or ~~90-113.21~~ 90-113.22 shall be considered previous convictions.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 104, "An act to clarify legislative confidentiality."

This bill unnecessarily adds new restrictions on public access to documents and information.

Further, it unfairly and unequally subjects state employees to criminal penalties for performing their duties.

Therefore, I veto this bill.

H.J.R. 637

A JOINT RESOLUTION HONORING THE SEVENTY-FIFTH ANNIVERSARY OF THE GREAT SMOKY MOUNTAINS NATIONAL PARK.

Whereas, the Great Smoky Mountains are among the oldest mountains in the world and among the tallest of the Appalachian chain forming a boundary between North Carolina and Tennessee; and

Whereas, the Great Smoky Mountains, named for their smoke-like haze, were originally inhabited by the Cherokee people and later settled by Europeans; and

Whereas, as logging increased in the Great Smoky Mountains, a movement began to preserve the remaining pristine forest as a national park; and

Whereas, in order for the Great Smoky Mountains to become a national park, the land had to be purchased from timber companies and hundreds of families and deeded to the federal government, which occurred over a number of years through private donations and public appropriations; and

Whereas, in 1930, the Governors of North Carolina and Tennessee, along with other representatives of both states, traveled to Washington, DC, to present the deeds for 158,876.5 acres of land to the federal government, allowing the land to obtain the basic protection of the National Park Service; and

Whereas, Congress passed legislation on June 15, 1934, which stated that the Great Smoky Mountains National Park, "be established as a completed national park for administration, protection and maintenance"; and

Whereas, today, the Great Smoky Mountains National Park has over 521,085 acres, with over 244,741 acres located in North Carolina; and

Whereas, the Great Smoky Mountains National Park has over 800 miles of trails, 2,100 miles of streams, 66 species of mammals, 200 varieties of birds, 50 native fish species, and 80 types of reptiles and amphibians; and

Whereas, the Great Smoky Mountains National Park consistently has some of the highest visitation rates of any of the 58 national parks, attracting 9,000,000 visitors in 2008; and

Whereas, the Great Smoky Mountains National Park generates an economic impact of over \$718 million for surrounding tourist communities; and

Whereas, during 2009, the Great Smoky Mountains National Park will be celebrating its 75th anniversary during a number of public events; and

Whereas, many individuals have been credited with helping to establish the Great Smoky Mountains National Park, including Horace Kephart, a librarian, who was born in 1862 in Pennsylvania and spent much of his early life in the West and Midwest; and

Whereas, Horace Kephart moved to western North Carolina in 1904, and soon after became immersed in the region's natural environment and interested in the history and culture of the people who lived there; and

Whereas, Horace Kephart became a respected authority on the region, writing numerous articles and two well-known books, "The Book of Camping and Woodcraft" published in 1906 and "Our Southern Highlanders" published in 1913; and

Whereas, during the 1920s, Horace Kephart joined the movement to preserve the Great Smoky Mountains as a national park and once said, "Here today is the last stand of primeval American forest at its best. If saved—and if saved at all it must be done at once—it will be a joy and a wonder to our people for all time. The nation is summoned by a solemn duty to preserve it." (as quoted in Dykeman and Stokely, Highland Homeland 1978 at p. 144); and

Whereas, a few months before his death in 1931, Horace Kephart was honored by the United States Geological Board when the Board named a peak in the Great Smoky Mountains as Mount Kephart; and

Whereas, Beaufort was the site of the famed Atlantic Hotel, built in 1859 and accessed only by boat after departing the railcars in Morehead City, which became the most luxurious hotel in the State and welcomed tourists, except for the period it served as a Union hospital during the Civil War, until it was destroyed by a hurricane in 1879; and

Whereas, through its long history, Beaufort has remained a small village that has held onto its maritime culture and historic roots; and

Whereas, Beaufort, situated on North Carolina's "Crystal Coast," has been a favorite port of call along the Intercoastal Waterway since it opened in 1911 with many boats mooring at the dependable Beaufort Docks; and

Whereas, Beaufort's Historic District, bounded by Beaufort Channel, Pine and Fulford Streets, and Taylors Creek, has been listed on the National Register of Historic Places since 1974 and has more than 100 homes that are more than a century old; and

Whereas, in December 2008, as a result of the efforts by the 300th Anniversary planning board, Beaufort received national recognition when it was designated as one of the nation's newest Preserve America Communities by First Lady Laura Bush, Honorary Chair of the Preserve America Community initiative, which recognizes communities that "demonstrate that they are committed to preserving America's heritage while ensuring a future filled with opportunities for learning and enjoyment;" and

Whereas, Beaufort will celebrate its 300th anniversary throughout the year of 2009, culminating with a month-long celebration of events to be held in September 2009; and

Whereas, a number of dedicated volunteers have devoted many hours to planning many special events that will be held to recognize the Town's 300th anniversary; and

Whereas, Beaufort is the third oldest town in North Carolina; and

Resolution 2009-31

H.J.R. 1517

A JOINT RESOLUTION RECOGNIZING THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL MEN'S BASKETBALL TEAM FOR AN OUTSTANDING SEASON CULMINATING IN THE 2009 NCAA DIVISION I CHAMPIONSHIP.

Whereas, on April 6, 2009, the University of North Carolina at Chapel Hill men's basketball team won the 2009 National Collegiate Athletic Association (NCAA) Division I Championship by defeating Michigan State by a score of 89-72, the largest margin in a title game in 17 years; and

Whereas, on the road to the final championship game, the Tar Heels defeated each of its opponents by 12 points or more, including the Radford Highlanders (101-58), LSU Tigers (84-70), Gonzaga Bulldogs (98-77), Oklahoma Sooners (72-60), and the Villanova Wildcats (83-69); and

Whereas, the 2009 championship marks the fifth Division I NCAA championship title and sixth overall championship title for the men's basketball program at UNC; and

Whereas, in NCAA tournament play, UNC has been selected as a No. 1 seed 13 times, appeared in 41 tournaments, and made 18 Final Four appearances, which is a NCAA record; and

Whereas, the Tar Heels began their 2008-2009 season as a unanimous No. 1 pick and finished the season with a record of 34-4, adding to the basketball program's record of 20-win seasons 51 times and 30-win seasons 10 times; and

Whereas, the Tar Heels were crowned the 2009 Atlantic Coast Conference (ACC) regular season champions, improving the program's ACC record to 27 regular season titles and 575 wins, the largest number of wins for any team in the conference; and

Whereas, head coach Roy Williams, a Naismith Hall of Fame member and six-time National Coach of the Year, led the Tar Heels to their second national championship in five years, becoming the fourth active coach to win multiple titles; and

Whereas, many individual team members were recognized for their efforts during the year and throughout their college careers, including senior Tyler Hansbrough, the first player in ACC history to earn first-team All-ACC honors four times, all by unanimous selection; one of a few players to earn three-time consensus All-American honors; the fourth all-time leading scorer in NCAA tournament play with 325 points; the ACC's all-time leading scorer; and the first player in conference history to lead his school in scoring and rebounding in each of his four years; and

Whereas, because of his status as a consensus National Player of the Year, Tyler Hansbrough's jersey will be retired and displayed in the Dean E. Smith Center along with the retired jerseys of fellow UNC consensus National Players of the Year – Jack Cobb, George Glamack, Lennie Rosenbluth, Phil Ford, James Worthy, Michael Jordan, and Antawn Jamison; and

Whereas, junior Ty Lawson was named the nation's best point guard by winning the 2009 Bob Cousy Award, was selected the 2009 Atlantic Coast Conference Men's Basketball Player of the Year, and set a NCAA title-game record with eight steals; and

Whereas, junior Wayne Ellington was named the Most Outstanding Player of the 2009 NCAA championship game; and

Whereas, freshman Ed Davis was selected to the All-Freshman Team and senior Danny Green became the fourth Tar Heel selected to the league's All-Defensive Team; and

Whereas, the UNC basketball program has one of the highest graduation rates for athletes and had the highest academic index of the 65 teams in the 2009 NCAA Tournament, exemplified by freshman Tyler Zeller's selection to the All-ACC Academic Team; and

Whereas, the success of the UNC men's basketball team is a fitting testimonial and memorial to the program's former players, including the late Bob Cunningham, known for his defense as a starter of the team that captured the national championship title in 1957 and had a perfect season of 32-0; and

Whereas, the entire UNC men's basketball team deserves congratulations and appreciation for an outstanding season and their determination to win the 2009 NCAA championship; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly expresses the admiration and respect of the people of North Carolina to the men's basketball team at the University of North Carolina at Chapel Hill for winning the 2009 National Collegiate Athletic Association Division I Championship.

SECTION 2. The General Assembly recognizes the perseverance, teamwork, and ensuring triumph of the University of North Carolina at Chapel Hill men's basketball team members: Marc Campbell, Mike Copeland, Ed Davis, Larry Drew II, Wayne Ellington, Bobby Frasor, Marcus Ginyard, Will Graves, Danny Green, Tyler Hansbrough, Ty Lawson, Patrick Moody, J.B. Tanner, Deon Thompson, Justin Watts, Jack Wooten, Tyler Zeller; and coaches and staff Roy Williams, Joe Holladay, Steve Robinson, C.B. McGrath, Jerod Haase, Chris Hirth, Eric Hoots, Jonas Sahratian, Molly Brenner, Bobby Cooper, Zach Lagod, Brandon Rhodes, Ryan Riedel, and Sean Stout.

SECTION 3. The General Assembly honors the memory of Bob Cunningham for his contributions to the men's basketball program at the University of North Carolina at Chapel Hill and his role in helping his team win the 1957 National Championship.

SECTION 4. The Secretary of State shall send certified copies of this resolution to head coach Roy Williams; the team members, coaches, staff, and managers honored in this resolution; athletic director Dick Baddour, and Chancellor Holden Thorp on behalf of the university community; and the family of Bob Cunningham.

SECTION 5. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of August, 2009.

Resolution 2009-32

S.J.R. 1100

A JOINT RESOLUTION DECLARING THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL MEN'S BASKETBALL TEAM A NORTH CAROLINA INSTITUTION AND CONGRATULATING THEM ON SIGNIFICANT ACCOMPLISHMENTS RESULTING IN THE 2009 NCAA DIVISION I CHAMPIONSHIP.

Whereas, Dr. James A. Naismith created the sport of basketball in 1891 and believed that all people should "be strong in body, clean in mind, lofty in ideals"; and

Whereas, Dr. Naismith was instrumental in establishing basketball as a collegiate sport, serving as one of the game's first college coaches at the University of Kansas; and

Whereas, college basketball programs quickly sprang up all over the country after Dr. Naismith's creation became well-publicized, leading to the formation of conferences to govern and organize competition; and

Whereas, one of the first conferences to be organized was the Southern Intercollegiate Athletic Association, founded in 1894, and one of its charter members was the University of North Carolina; and

Whereas, the University of North Carolina's men's basketball program has been one historically identified with the beliefs Dr. Naismith espoused; and

Whereas, the 2008-2009 men's basketball season began with the North Carolina Tar Heels as the consensus Number One team in the major national polls; and

Whereas, the 2008-2009 Carolina men's basketball team finished Number One in the Atlantic Coast Conference (ACC) regular season for a record 27th time with a 13-3 record; and

Whereas, while it is generally recognized that a team's performance during the regular season is important and often worthy of praise and remembrance, the three-week period during which the National Collegiate Athletic Association (NCAA) basketball championship is decided captivates the attention of the citizens of our great nation like no other event; and

Whereas, the various stages of this three-week competition are known by several different names, such as March Madness (although this year it ended in April), the Big Dance, the Sweet Sixteen, the Elite Eight, the Final Four, and the NCAA Division I Championship; and

Whereas, Carolina entered the 2009 version of March Madness as the Number One seed in the South Regional, the 13th time Carolina has earned a top seed since the NCAA selection committee began seeding the teams (with no other school being a Number One seed more than 10 times); and

Whereas, Carolina's first four wins in the 2009 tournament over Radford, Louisiana State, Gonzaga, and Oklahoma sent the Tar Heels to an NCAA record 18th Final Four, and their ninth Final Four in the last 19 years, the third time in the last five years that Carolina has played in the Final Four. No other ACC team has reached a regional final in those five years; and

Whereas, Carolina's next two victories over Villanova and Michigan State made the Tar Heels the 2008-2009 men's basketball National Champions, confirming both their preseason Number One ranking and the predictions of their scrimmage partner, President Barack Obama; and

Whereas, Carolina's national championship victory came in a game with the largest attendance in NCAA championship game history (72,922) and gave the Tar Heels 102 victories in NCAA men's basketball tournament play, the most of any team in NCAA history; and

Resolutions-2009

Whereas, the 2009 Tar Heels broke the record for the most points scored in the first half of a championship game (55) and the record for the largest halftime lead (21), became the first team to win all six games by at least 12 points in the NCAA Tournament, and now have the second-largest point differential in NCAA tournament history (+121); and

Whereas, the 89-72 Carolina win over Michigan State was a convincing and thorough victory but one that left intact Duke's record for the worst loss in Final Four history (103-73 to UNLV in 1990); and

Whereas, the 2008-2009 title is Carolina's fifth NCAA championship in men's basketball, tying the Tar Heels for third place but giving them more national championships than any other school in North Carolina; and

Whereas, the 1924 Carolina men's basketball team, which went 25-0, was chosen by a panel of experts at the Helms Athletic Foundation to have been the country's best team and was named "National Champion" in men's college basketball that year as well, said national championship being the first men's basketball national championship won by a team from the South; and

Whereas, Carolina now has the most NCAA men's basketball championships in the "modern era" (defined to be that period after UCLA's last championship under John Wooden); and

Whereas, the senior players on Carolina's 2009 National Champion men's basketball team include Mike Copeland, Bobby Frasier, Marcus Ginyard, Danny Green, Tyler Hansbrough, Patrick Moody, J.B. Tanner, and Jack Wooten; and

Whereas, the senior class of 2009 won 124 games during their four years at Carolina, the most wins by any one class in Carolina history; and

Whereas, the senior players named above were undefeated in all away games played within a 12-mile radius of Chapel Hill; and

Whereas, Tyler Hansbrough was an All-American all four years he played at Carolina, was the consensus 2008 men's basketball National Player of the Year, won the Lowe's Senior Award in 2009, which recognizes student athletes for staying in school all four years and for academic, community, and athletic achievement, is the only player in ACC history to be a unanimous First Team All-ACC selection for four years, holds NCAA records for most free throws made (982), for most points (2,872), most games scoring in double figures (133), most games scoring 20 or more points (78), most free throw attempts (1,241), and is the only player in ACC history to lead his team in scoring and rebounding all four years; and

Whereas, Ty Lawson was the 2009 ACC men's basketball Player of the Year, was the 2009 NCAA South Regional MVP, was a consensus Second Team All-American, won the 2009 Bob Cousy Award, given to the nation's top point guard, and set the NCAA championship game record for steals with eight; and

Whereas, Wayne Ellington was named the Most Outstanding Player of the 2009 Final Four and broke the Final Four record for highest three-point field goal percentage (a record previously held by fellow Tar Heel Donald Williams); and

Whereas, Danny Green set Carolina career records for most games played (145), most wins (123), and is the only player in ACC history with 1,000 points, 500 rebounds, 250 assists, 150 three pointers, 150 blocks, and 150 steals, and became the fourth Tar Heel selected to the league's All-Defensive Team; and

Whereas, Marc Campbell, Ed Davis, Larry Drew II, Deon Thompson, Justin Watts, and Tyler Zeller all played very important roles throughout the season and in the NCAA tournament to help lead Carolina to its national championship, with freshman Ed Davis selected to the ACC All-Freshman Team and freshman Tyler Zeller selected to the ACC All-Academic Team; and

Whereas, Coach Roy Williams, a Tar Heel born and bred, as well as a direct descendant in the coaching "family tree" of Dr. Naismith, is a member of the National Basketball Hall of Fame, was named America's Best Basketball Coach by Forbes Magazine this year, became only the fourth active and 13th all-time coach to win two or more NCAA men's

basketball championships, has coached teams to seven Final Fours (five in the last eight years), is third all-time and second among active coaches in NCAA Tournament victories, has a record 20 consecutive years winning at least one game in the NCAA tournament, holds the record for active coaches for most consecutive NCAA tournament appearances, has led Carolina to four ACC regular season championships in the last six years, and has the highest winning percentage among active coaches; and

Whereas, Assistant Coaches Joe Holladay, Steve Robinson, C.B. McGrath, and Jerod Haase have helped Coach Williams lead Carolina to two National Championships in the last five years; and

Whereas, Inside Higher Education also did a 2009 NCAA Bracket Competition based on Academic Progress Rates and Carolina won this national championship also; and

Whereas, the University of North Carolina at Chapel Hill is home to many firsts and achievements, including being established as the first public university in the nation, being the only public university to admit students in the 18th century, being acknowledged nationwide for excellence in athletics as well as academics, and being justifiably proud of a sky that is a particularly beautiful shade of blue; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly declares the men's basketball team of the University of North Carolina at Chapel Hill a North Carolina Institution and expresses the admiration and respect of the people of North Carolina to them for winning the 2009 National Collegiate Athletic Association Division I Championship.

SECTION 2. The General Assembly recognizes the perseverance, teamwork, and hard work of the University of North Carolina at Chapel Hill men's basketball team members: Marc Campbell, Mike Copeland, Ed Davis, Larry Drew II, Wayne Ellington, Bobby Frasier, Marcus Ginyard, Will Graves, Danny Green, Tyler Hansbrough, Ty Lawson, Patrick Moody, J.B. Tanner, Deon Thompson, Justin Watts, Jack Wooten, and Tyler Zeller; and coaches and staff: Roy Williams, Joe Holladay, Steve Robinson, C.B. McGrath, Jerod Haase, Chris Hirth, Eric Hoots, Jonas Sahratian, Molly Brenner, Bobby Cooper, Zach Lagod, Brandon Rhodes, Ryan Riedel, and Sean Stout.

SECTION 3. The Secretary of State shall transmit certified copies of this resolution to Head Coach Roy Williams; the team members, coaches, staff, and managers honored in this resolution; Athletic Director Dick Baddour; and Chancellor Holden Thorp on behalf of the university community.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of August, 2009.

EXECUTIVE ORDER NUMBER NO. 6

BUDGET ADMINISTRATION DUE TO NATIONAL ECONOMIC SLOWDOWN

WHEREAS, the impact of the national economic downturn, credit crunch and volatility in the financial markets has been extreme; and,

WHEREAS, Article III, Sec. 5(3) of the North Carolina Constitution provides that the State may not operate at a deficit during the fiscal period covered by a budget. Under the Constitution, a "deficit" is incurred when total expenditures for the fiscal period of the budget exceed the total of receipts during the period, plus the surplus remaining in the State Treasury at the beginning of the period. The fiscal period for the current budget began July 1, 2008; and,

WHEREAS, to insure that the State does not incur a deficit for the fiscal year covered by a budget, Article III, Sec. 5(3) of the Constitution requires the Governor to continually survey the collection of revenue. If, as a result of the Governor's surveys, the Governor determines that actual receipts for the fiscal period, when added to the surplus remaining in the Treasury at the beginning of the fiscal period, will not be sufficient to pay budgeted expenditures, the Governor, after first making adequate provisions for the prompt payment of the principal and interest on the State's outstanding bonds and notes, must effect the necessary economies in State expenditures to keep the deficit from occurring; and,

WHEREAS, continually surveying the collection of the State's revenues pursuant to Article III, Sec. 5 (3) of the Constitution is a function of the Office of State Budget and Management (OSBM) and reports of these surveys are provided to the Governor; and,

WHEREAS, OSBM has provided the Governor with detailed briefings on the growing fiscal period deficit and, along with the Office of the Governor, has also advised members of the General Assembly of the situation, including the President Pro-Tempore of the Senate and the Speaker of the House of Representatives; and,

WHEREAS, in September and October 2008 the Governor reduced state agency expenditures for the remainder of the fiscal year; and,

WHEREAS, now OSBM estimates, based on December 2008 collections and a revised economic forecast, that the deficit for fiscal year 2008-09 will not be covered by the reduction in expenditure measures adopted in September and October 2008; and,

WHEREAS, based on these estimates, the budget enacted by the General Assembly for fiscal year 2008-09 cannot be administered as enacted without the State incurring a deficit; and,

WHEREAS, the Governor finds as a fact that actual receipts for the current fiscal year will not meet the expenditures anticipated and budgeted by the 2008 General Assembly and that unless further economies in State expenditures are made the State's General Fund expenditures will exceed General Fund receipts for the current fiscal year.

NOW THEREFORE, by the authority vested in me as Governor by Article III, Sec. 5(3) of the Constitution of North Carolina to insure that a deficit is not incurred in the administration of the budget for fiscal year 2009, **IT IS ORDERED**:

Section 1. OSBM, under the Governor's direction, will continue to reduce, as necessary, State expenditures from Funds appropriated to operate State departments and institutions, and continue monthly allotment expenditure and review measures.

Section 2. OSBM, under the Governor's direction, will halt, as necessary, expenditures for capital improvement projects for which State funds have been appropriated but not placed under State contract and, as necessary, transfer any unused capital improvement funds to the General Fund.

Section 3. OSBM, under the Governor's direction, will transfer, as necessary, non-General Fund and non-Highway Fund receipts into the General Fund to support appropriation expenditures in order to avoid a deficit in the General Fund.

Section 4. OSBM, under the Governor's direction, may borrow, as necessary, receipts from non-General Fund State receipts and non-Highway Fund State receipts for support of General Fund appropriation expenditures.

Section 5. OSBM, under the Governor's direction, may, as necessary, order the delay or cancellation of purchase orders in State General Fund-supported departments and institutions.

Section 6. The Office of the State Controller, as advised by the State Budget Officer, is directed to monitor disbursements as presented on requisitions for CASH.

This Executive Order rescinds Governor Michael F. Easley's Executive Order No. 22, issued on June 27, 2002, and shall be effective immediately and shall remain in effect until rescinded.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this thirteenth day of January in the year of our Lord two thousand and nine, and of the Independence of the United States of America the two hundred and thirty-third.

WHEREAS, North Carolina is committed to ensuring that citizens receive quality emergency medical services and trauma care; and

WHEREAS, in 2008 the North Carolina Department of Health and Human Services (DHHS) launched an extensive 14-month process to revise the Emergency Medical Services and Trauma rules in order to better meet the needs of citizens requiring emergency medical care, including holding stakeholder meetings and seven public hearings, and receiving and considering written comments; and

WHEREAS, on November 7, 2008, the North Carolina Medical Care Commission took the following actions: (1) adopted Emergency Medical Services and Trauma rules at 10A NCAC 13P .0204, 10A NCAC 13P .0209, 10A NCAC 13P .0301, 10A NCAC 13P .0302, 10A NCAC 13P .0305, and 10A NCAC 13P .0409, which were approved as permanent rules by the Rules Review Commission on December 18, 2008, and (2) adopted Emergency Medical Services and Trauma rule at 10A NCAC 13P 0102, which was approved as a permanent rule by the Rules Review Commission on January 22, 2009; and

WHEREAS, without these rules, there would be no authority for DHHS to provide the necessary medical oversight of certain aspects of patient care being rendered to citizens in need of emergency medical care, therefore endangering the health and safety of such citizens; and

WHEREAS, Senate Bill 232 was filed on February 18, 2009 specifically disapproving the permanent rules and, as a result of such filing, the effective date of the permanent rules would be the earlier of either the day an unfavorable final action is taken on the Senate Bill 232

or the day the 2009 session of the General Assembly adjourns without ratifying a bill specifically disapproving these rules; and

WHEREAS, the Administrative Procedures Act authorizes the Governor, by Executive Order, to make effective a permanent rule upon finding that it is necessary to protect public health, safety, or welfare;

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina, **IT IS ORDERED**:

ETHICAL STANDARDS FOR THE STATE HEALTH COORDINATING COUNCIL

WHEREAS, the State Health Coordinating Council (SHCC) is a public advisory body established by Executive Order No. 139 (March 3, 2008) for the purpose of advising the Governor on the statewide planning of health care facilities, equipment, and services provided under the Certificate of Need Law; and

WHEREAS, the SHCC works with the Department of Health and Human Services (DHHS) to prepare and recommend the State Medical Facilities Plan (SMFP) to the Governor for approval or amendment; and

WHEREAS, the advice and collective judgment of the SHCC has proven invaluable in ensuring that quality health care services are made available broadly to all citizens of this State regardless of whether they live in rural or urban areas, whether they have the means to pay for those services or whether they are insured by public or private payors; and

WHEREAS, to provide the expertise necessary to perform its complex advisory functions, the membership of the SHCC includes persons knowledgeable about healthcare services and delivery including medical educators, researchers, physicians, and representatives of professional associations; and

WHEREAS, because of the diversity of the SHCC membership, conflicts between competing economic interests are inherent in, but also beneficial to, the development of the SMFP; and

WHEREAS, the General Assembly has concluded that the State Government Ethics Act does not cover public entities that only have advisory authority, and the State Ethics Commission has determined that the SHCC only has advisory authority; and

WHEREAS, it is nevertheless important that the SHCC exercise its advisory responsibilities in a transparent manner so that the Governor and citizens will have full knowledge of the professional and economic interests that the members of the SHCC have as the

Governor evaluates their expert advice in adopting or amending the SMFP recommended by the SHCC; and

WHEREAS, the members of the SHCC in the past have voluntarily followed ethical standards; and

WHEREAS, this is a salutary practice, which should be formalized by Executive Order;

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina, **IT IS ORDERED**:

1. The members of the SHCC shall always act in the best interests of the public and shall bring their particular knowledge and experience to the SHCC to serve the public interest as identified in the Certificate of Need Law, Chapter 131E, Article 9 of the General Statutes;
2. The following process shall be observed for all meetings of the SHCC and SHCC subcommittees at which the SHCC or SHCC subcommittee takes any action:
 - a. At the beginning of each meeting, the Chair shall remind all members of their duty to act always in the best interest of the public without regard for their own professional, institutional or financial interests and that they should recuse themselves from voting on any matter on which they cannot meet this standard.
 - b. Prior to conducting any business, each member shall disclose any professional or institutional interest he or she may have in any matter coming before the SHCC or SHCC subcommittee for action at that meeting. The Chair will determine if the member needs to recuse himself or herself from voting on the matter in order to ensure the integrity of the actions of the SHCC or SHCC subcommittee.
 - c. Prior to conducting any business, each member shall also disclose any financial benefit he or she may derive from any matter coming before the SHCC or SHCC subcommittee for action at that meeting. A member derives a financial benefit from a matter under consideration if the person or his/her spouse (i) has an ownership interest in an entity that is a party to the matter under consideration; (ii) will derive any income or commission as a direct result of action on the matter under consideration; or (iii) will acquire property as a direct result of action on the matter under consideration. When any member indicates that he or she will derive a financial benefit from a matter coming before the SHCC or any subcommittee, the member shall recuse himself or herself from voting on the matter.
 - d. A member who has recused himself or herself from voting is not prohibited from deliberating on the matter unless the Chair determines, after review, that participation by the member in deliberations would impair the integrity of the actions of the SHCC or SHCC subcommittee.

- e. The minutes of the SCHCC and its subcommittees will reflect all disclosures and recusals made pursuant to this section, and such minutes will be provided to the Governor for review with the SMFP.
 - f. A challenge to a member's participation in a vote on issues under this Executive Order may be raised only by a member of the SHCC or an employee of the Division of Health Services Regulation of DHHS. In such case where a challenge is made, the Chair, in consultation with the DHHS legal counsel, shall determine whether the challenge is valid and the action that should be taken.
 - g. For the purposes of this Executive Order, the term "Chair" means the Chair of the SHCC or the Chair of any SHCC subcommittee. In the absence of the Chair or if the professional, institutional, or financial interests of the Chair must be reviewed pursuant to this section, then the Vice-Chair of the SHCC or SHCC subcommittee shall make the determinations required by this section.
3. Members of the SHCC are expected to and should confer with DHHS on any matters that come before them in development of the SMFP. No member of the SHCC, however, shall improperly influence or attempt to influence DHHS in performing its role in developing the SMFP as to any provision in which the member has a direct, conflicting professional, institutional or financial interest;
 4. This Executive Order is for the Governor's purposes in reviewing and approving or amending the proposed SMFP submitted by the SHCC and DHHS. This Order does not and shall not be construed to create any rights, nor create claims, under the Certificate of Need Law, State Government Ethics Act, or otherwise.

This Executive Order is effective immediately and shall remain in effect until rescinded in writing.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this third day of March in the year of our Lord two thousand and nine, and of the Independence of the United States of America the two hundred and thirty-third.

EXECUTIVE ORDER NO. 11

ESTABLISHING AND IMPLEMENTING A FLEXIBLE FURLOUGH PLAN FOR THE 2008-09 FISCAL YEAR

WHEREAS, North Carolina's citizens and businesses are suffering from the effects of a significant national financial crisis; and

WHEREAS, this crisis has resulted in a large reduction in the revenues projected to be available to fund the State's Budget for the 2008-09 fiscal year; and

WHEREAS, in anticipation of the need to take actions to ensure that budget shortfalls would not cause expenditures to exceed revenues for the 2008-09 fiscal year, I adopted an Executive Order on my third day in office directing the Office of State Budget and Management (OSBM) to take various actions to ensure that the budget is balanced for this fiscal year; and

WHEREAS, the Department of Revenue has now calculated the revenues that will be available to the State for the remainder of this fiscal year from the taxes paid by citizens and businesses through April 15, 2009, and the Department of Revenue and OSBM have now determined that expenditures for the 2008-09 fiscal year will exceed revenues unless additional actions are taken; and

WHEREAS, it is my duty under the Constitution to ensure that the State's budget for the 2008-09 fiscal year is balanced; and

WHEREAS, the Constitution grants me the power to fulfill this duty by effecting necessary economies in state expenditures; and

WHEREAS, I must exercise this power in a manner that carefully balances the rights of citizens and businesses to government services and the interests of the State employees who provide those services; and

WHEREAS, I have determined that one of the actions I must take to balance the State's budget for this fiscal year is to implement a flexible furlough plan for all State employees.

NOW, THEREFORE, pursuant to the powers conferred on me by Article III, Section 5(3) of the North Carolina Constitution, **IT IS HEREBY ORDERED:**

1. The Office of State Budget and Management (OSBM) shall immediately implement a Flexible Furlough Plan. Except as provided in Section 2 of this Executive Order, this Plan will apply to all persons employed in the Executive, Judicial, and Legislative Branches of State Government and all employees of the public schools, community colleges, and universities whose salaries are paid in whole or in part from moneys appropriated by the 2008 Appropriations Act. Under this plan,
 - (a) the part of the annualized base salaries of all covered employees paid from moneys appropriated by the 2008 Appropriations Act will be reduced by .5 percent ($\frac{1}{2}\%$) over the remainder of this fiscal year; and
 - (b) all full-time employees whose salaries are reduced pursuant to subsection (a) shall be furloughed for 10 hours without pay at times to be designated by their employing agency between June 1 and December 31, 2009, and all employees employed less than full-time whose salaries are reduced pursuant to subsection (a) shall be furloughed a pro-rated number of hours.
2. This Plan does not apply to those State officers whose salaries are protected from reduction by Article III, Section 9 and Article IV, Section 21 of the Constitution, but I urge those officers to participate in this plan voluntarily. Further, I hereby direct OSBM to reduce my annual salary by .5 percent prior to the end of the fiscal year.
3. The State Board of Education, the State Board of Community Colleges, the Board of Governors of the University of North Carolina, and all agencies within the Executive Branch of State Government shall cooperate with OSBM in the implementation of the salary reduction part of this plan.
4. The Office of State Personnel will, as soon as practicable, develop guidelines to be used by agencies and institutions within the Executive Branch in designating the times employees will be furloughed. Likewise, the State Board of Education will adopt rules to be applied by local boards of education in designating the times public school employees will be furloughed; the State Board of Community Colleges will adopt rules to be applied by boards of trustees of community colleges in designating the times community college employees will be furloughed; and the Board of Governors of the University of North Carolina will adopt rules to be applied in designating the times EPA university employees will be furloughed. The guiding principle in adopting and implementing these rules will be avoidance of interruptions in services to citizens and businesses. I respectfully request that the Legislative and Judicial Branches of State Government also adopt rules designating the times their employees will be furloughed.
5. Finally, I urge the General Assembly immediately to enact legislation holding employees harmless for this salary reduction in the calculation of their retirement benefits, vacation, and sick leave, and in determining their eligibility for health insurance.

AMENDED AND REISSUED EXECUTIVE ORDER NO. 11

ESTABLISHING AND IMPLEMENTING A FLEXIBLE FURLOUGH PLAN FOR THE 2008-09 FISCAL YEAR

WHEREAS, North Carolina's citizens and businesses are suffering from the effects of a significant national financial crisis; and

WHEREAS, this crisis has resulted in a large reduction in the revenues projected to be available to fund the State's Budget for the 2008-09 fiscal year; and

WHEREAS, in anticipation of the need to take actions to ensure that budget shortfalls would not cause expenditures to exceed revenues for the 2008-09 fiscal year, I adopted an Executive Order on my third day in office directing the Office of State Budget and Management (OSBM) to take various actions to ensure that the budget is balanced for this fiscal year; and

WHEREAS, the Department of Revenue has now calculated the revenues that will be available to the State for the remainder of this fiscal year from the taxes paid by citizens and businesses through April 15, 2009, and the Department of Revenue and OSBM have now determined that expenditures for the 2008-09 fiscal year will exceed revenues unless additional actions are taken; and

WHEREAS, it is my duty under the Constitution to ensure that the State's budget for the 2008-09 fiscal year is balanced; and

WHEREAS, the Constitution grants me the power to fulfill this duty by effecting necessary economies in state expenditures; and

WHEREAS, I must exercise this power in a manner that carefully balances the rights of citizens and businesses to government services and the interests of the State employees who provide those services; and

WHEREAS, I have determined that one of the actions I must take to balance the State's budget for this fiscal year is to implement a flexible furlough plan for all State employees; and

WHEREAS, language has been added to Section 1(b) of this Executive Order to clarify that the intent of Section 1(b) is to provide employees with 10 hours of flexible furlough leave.

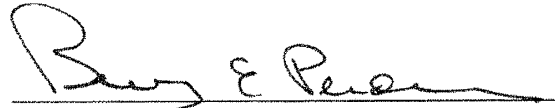

NOW, THEREFORE, pursuant to the powers conferred on me by Article III, Section 5(3) of the North Carolina Constitution, this Executive Order is hereby amended and reissued, and **IT IS HEREBY ORDERED**:

1. The Office of State Budget and Management (OSBM) shall immediately implement a Flexible Furlough Plan. Except as provided in Section 2 of this Executive Order, this Plan will apply to all persons employed in the Executive, Judicial, and Legislative Branches of State Government and all employees of the public schools, community colleges, and universities whose salaries are paid in whole or in part from moneys appropriated by the 2008 Appropriations Act. Under this plan,
 - (a) the part of the annualized base salaries of all covered employees paid from moneys appropriated by the 2008 Appropriations Act will be reduced by .5 percent ($\frac{1}{2}\%$) over the remainder of this fiscal year; and
 - (b) in return, all full-time employees whose salaries are reduced pursuant to subsection (a) shall receive 10 hours of flexible furlough leave to be taken at times to be designated by their employing agency between June 1 and December 31, 2009, and all employees employed less than full-time whose salaries are reduced pursuant to subsection (a) shall receive flexible furlough leave for a pro-rated number of hours.
2. This Plan does not apply to those State officers whose salaries are protected from reduction by Article III, Section 9 and Article IV, Section 21 of the Constitution, but I urge those officers to participate in this plan voluntarily. Further, I hereby direct OSBM to reduce my annual salary by .5 percent prior to the end of the fiscal year.
3. The State Board of Education, the State Board of Community Colleges, the Board of Governors of the University of North Carolina, and all agencies within the Executive Branch of State Government shall cooperate with OSBM in the implementation of the salary reduction part of this plan.
4. The Office of State Personnel will, as soon as practicable, develop guidelines to be used by agencies and institutions within the Executive Branch in designating the times employees will be furloughed. Likewise, the State Board of Education will adopt rules to be applied by local boards of education in designating the times public school employees will be furloughed; the State Board of Community Colleges will adopt rules to be applied by boards of trustees of community colleges in designating the times community college employees will be furloughed; and the Board of Governors of the University of North Carolina will adopt rules to be applied in designating the times EPA university employees will be furloughed. The guiding principle in adopting and implementing these rules will be avoidance of interruptions in services to citizens and businesses. I respectfully request that the Legislative and Judicial Branches of State Government also adopt rules designating the times their employees will be furloughed.

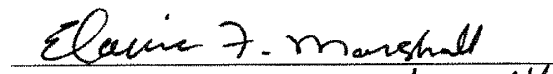

5. Finally, I urge the General Assembly immediately to enact legislation holding employees harmless for this salary reduction in the calculation of their retirement benefits, vacation, and sick leave, and in determining their eligibility for health insurance.

SUPPORT FOR HISTORICALLY UNDERUTILIZED BUSINESSES

WHEREAS, it is North Carolina's collective expectation that all citizens of the State will be given equal opportunities to participate in providing State government with the goods and services it requires; and

WHEREAS, it is my expectation, as Governor of the State, that this will be accomplished without regard to race, gender, or disabling condition; and

WHEREAS, when the General Assembly set the purchasing and contracting policy for the State, it encouraged State agencies to provide contracting opportunities for small and historically underutilized businesses (hereinafter "HUBs") as defined in North Carolina General Statutes § 143-48 and § 143-128.4, which includes businesses owned by minorities, women, and the disabled; and

WHEREAS, it is my desire that a coordinated effort is undertaken to eliminate any barriers which may have acted as impediments to equal opportunities for HUBs in doing business with the State; and

WHEREAS, it is also my desire that HUB owners are able to benefit from State agencies contracting with and purchasing from such firms using the resources provided by the American Recovery and Reinvestment Act.

NOW, THEREFORE by the power vested in me as Governor by the laws and Constitution of North Carolina, **IT IS ORDERED:**

1. Each executive branch agency should strive to increase the total amount of goods and services acquired by it from HUB firms, whether directly as principal contractors or indirectly as subcontractors or otherwise. It is expected that each agency will issue an aspirational goal of at least ten percent (10%), by dollar amount, of the State's purchases of goods and services that will be derived from HUB firms. It is further expected that such aspirational goal shall be adjusted per any disparity study findings as recommended by the North Carolina Department of Administration, Office of Historically Underutilized Businesses (hereinafter "HUB Office"), and the North Carolina Department of Transportation, Business Opportunity and Workforce Development Office, and Office of Civil Rights.

2. The HUB Office should assist each agency in developing a plan and should provide technical assistance to reach the recommended objectives related to the purchases of goods and services. 3. The North Carolina Office of Economic Recovery and Investment shall encourage the recipients of American Recovery and Reinvestment Act funds to provide opportunities to small and historically underutilized businesses when awarding contracts and purchasing good and services.
4. The State Purchasing Officer, the Director of the State Construction Office, the Secretary of the Department of Transportation, the Director of the State Property Office, and all State agencies shall continue to implement guidelines and procedures that ensure that the State's contracts contain specific requirements that compel contractors doing business with the State to comply with federal and state equal employment opportunity and non-discrimination requirements or their equivalents.
5. The Board of Governors of the University of North Carolina System, the State Board of Community Colleges, local boards of education, and each head of the Council of State agencies are encouraged and invited to participate in this Executive Order.

WHEREAS, the new fiscal year for North Carolina began July 1, 2009; and

WHEREAS, the North Carolina General Assembly has not adopted a State budget for the 2009-11 biennium; and

WHEREAS, without a State budget, State and local agencies continue to be limited in their ability to expend funds and plan for the needs of their agencies and the citizens they serve; and

WHEREAS, the State continues to experience economic and financial adversity; and

WHEREAS, it continues to be important for state agencies to reduce and prioritize expenditures; and

The State Budget Director and the Office of State Budget and Management (OSBM), under the Governor's direction, shall take the following steps to continue to reduce and prioritize State expenditures from funds appropriated to operate State departments and institutions:

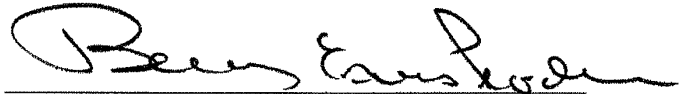

1. OSBM shall only approve allotments for mandatory obligations, including payroll, utilities, medical supplies, financial aid, required State Aid, and debt service.

3 Education Stabilization Fund - Noninstructional Support Personnel Reduction		(\$379,668,352)	NR (\$373,281,648) NR
Temporarily reduces the Noninstructional Support Personnel allotment on a nonrecurring basis for both years of the biennium. The ESF will be distributed via the State's primary funding formulae, as defined by Section 7.34 of this bill.			
4 Children with Disabilities Head-Count Adjustment		(\$15,987,833)	R (\$15,987,833) R
This is a technical adjustment to the Children With Disabilities allotment. The continuation budget includes anticipated growth based on the projected head-count of children with disabilities. This adjustment revises budgeted funding for both preschool and school-age children with special needs to reflect actual April 1, 2009 headcount. It does not reduce funding per student.			
5 Learn and Earn Online Technical Adjustment		\$3,523,248	R \$3,523,248 R
Restores most of the \$5,000,000 continuation budget increase for this item that was removed in the Adjust Continuation Budget line item.			
6 Civil Penalties Receipts		(\$6,324,790)	R (\$6,324,790) R

	FY 09-10		FY 10-11	
8 Textbook Freight	(\$217,837)	R	(\$217,837)	R
Eliminates funding for textbook freight. These costs will be covered through receipts from books purchased by the LEAs.				
B. State Public School Fund				
9 Information Highway	(\$1,200,000)	R	(\$1,200,000)	R
Eliminates funding for a program that previously paid for LEAs to access distance learning. Funds are no longer needed as the School Connectivity Initiative (SCI) has replaced this program and provides increased service to the LEAs.				
10 School Technology Fund	(\$9,613,872)	NR	(\$9,000,000)	NR
Reduces by 90% on a nonrecurring basis the General Fund support for the School Technology Fund, which provides support to LEAs on a per-ADM basis for the development and implementation of LEA technology plans. Also, \$18 million for this Fund is annually provided from the Civil Penalty and Forfeiture Fund. In addition, Section 5.1 of the budget transfers approximately \$18 million from a UNC escrow account to this Fund on a one-time basis and Section 7.37 of the budget transfers a cash balance of \$613,872 from the State Literary Fund to this fund on a one-time basis.				
11 Textbooks	(\$47,977,278)	NR	(\$115,410,044)	NR
Adjusts allotment in FY 2009-10 to reflect the reduced expenditures projected from a delay in the adoption of grades 6-12 mathematics textbooks. The additional reduction in FY 2010-11 reflects a complete moratorium on new textbook adoptions.				
12 Textbook Balance Restoration	\$50,000,000	NR		
Restores LEA textbook account balances that were temporarily redirected in FY 2008-09 to address budgetary shortfall issues.				
13 NC Wise Owl	(\$500,000)	R	(\$500,000)	R
Reduces funding by 38% for this online reference resource for teachers and students. This portion of the reference service is being provided at no cost by SAS Institute.				
14 Central Office Administration	(\$14,613,199)	R	(\$14,613,199)	R
Reduces the dollar allotment to LEAs for the salaries and benefits of central office staff. This staff includes, but is not limited to, superintendents, associate and assistant superintendents, finance officers, athletic trainers, and transportation directors. LEAs with fewer than 8,000 ADM are to receive a 7.5% reduction from the continuation budget amount. LEAs with more than 8,000 ADM and less than 30,000 ADM are to receive a 14% reduction from the continuation budget amount. LEAs with more than 30,000 ADM are to receive an 18% reduction from the continuation budget amount.

15 More at Four	(\$5,000,000)	R	(\$5,000,000)	R
<p>Reduces General Fund support for More at Four by 5.8%. The Office of School Readiness shall use the average FY 2008-09 average reimbursement rate of \$5,000 per slot in allocating funding. The FY 2009-10 continuation budget includes \$86 million in General Fund and \$84.6 million in Lottery support for this program. A related provision includes More at Four amongst a list of programs to be examined for consolidation in one entity solely responsible for early childhood programs, beginning in FY 2010-11.</p>				
16 LEA Adjustment	(\$225,000,000)	R	(\$304,774,366)	R
<p>The State Board of Education shall distribute this adjustment on the basis of ADM. A related provision, Section 7.8, will provide additional flexibility to the LEAs to manage this reduction.</p>				
17 Testing			(\$3,020,122)	R
<p>Eliminates funding for most State-administered tests not currently required by Federal law or as a condition of Federal grants. These tests include: Chemistry EOC, Physics EOC, Reading Competency, Mathematics Competency, Grade 3 Math and Reading Pretests, and Computer Skills. The State Board of Education may use the FY 2009-10 savings from eliminating these tests to support the development and implementation of a new Standard Course of Study for all content areas and grade levels. This activity will also support the State Board of Education's efforts to research, design, and implement a new comprehensive State testing system that will include formative, benchmark/interim, and summative tests. The ultimate goal of this initiative is to develop a new K-8 and K-12 accountability model.</p>
