

§ 130A-194. Quarantine of districts infected with rabies.

An area may be declared under quarantine against rabies by the local health director when the disease exists to the extent that the lives of persons are endangered. When quarantine is declared, each animal in the area that is required to be vaccinated under this Part shall be confined on the premises of the owner or in a veterinary hospital unless the animal is on a leash or under the control and in the sight of a responsible adult.
