

§ 160A-336. Electric service for city facilities.

No provisions of this Part shall prevent a city that is a primary supplier from furnishing its own electric service for city facilities, or prevent any other primary supplier from furnishing electric street lighting service to a city inside its corporate limits. (1965, c. 287, s. 1; 1971, c. 698, s. 1.)
