

§ 90-21.84. Internet website.

The Department shall develop and maintain a stable Internet website to provide the information described in this Article. No information regarding who accesses the website shall be collected or maintained. The Department shall monitor the Web site [website] on a regular basis to prevent and correct tampering. (2011-405, s. 1; 2023-14, s. 1.2.)
