43 higher than the maximum of the applicable salary range if it exceeds by  
44 more than thirty percent (30%) the average salary of the area directors of the  
45 remaining LME/MCOs, as determined by the Secretary. If the Secretary  
46 determines that an area director's salary is higher than the maximum of the  
47 applicable salary range and exceeds by more than thirty percent (30%) the  
48 average salary of the area directors of the remaining LME/MCOs, that area  
49 director's salary shall be reduced to achieve compliance with this subdivision  
50 within 60 days after such determination by the Secretary.

1        The requirements of subdivisions (1) and (2) of this subsection may not be waived by the  
2 area board, the Director of the Office of State Human Resources, or the Secretary regardless of  
3 whether the State Human Resources Commission has made a determination under G.S. 126-11  
4 that all or a portion of the board's personnel system has been determined to be substantially  
5 equivalent to, and therefore exempt from, the provisions of Chapter 126 of the General  
6 Statutes.

7        (a2) The area board shall not authorize any salary adjustment for an area director that is

10 requirements are met:

11        (1) The board must submit to the Director of the Office of State Human  
12 Resources and the Secretary a request to exceed the maximum of the  
13 applicable salary range. The request must be supported by documentation of  
14 comparable salaries in comparable operations within a comparable region of  
15 North Carolina and shall also include the specific amount of the salary  
16 adjustment the board proposes to pay the area director and the resulting

23 Office of State Human Resources, or the Secretary approve a salary  
24 adjustment for an area director that results in a salary that is higher than the  
25 maximum of the applicable salary range if it exceeds by more than thirty  
26 percent (30%) the average salary of the area directors of the remaining  
27 LME/MCOs, as determined by the Secretary. If the Secretary determines  
28 that an area director's salary is higher than the maximum of the applicable  
29 salary range and exceeds by more than thirty percent (30%) the average  
30 salary of the area directors of the remaining LME/MCOs, that area director's  
31 salary shall be reduced to achieve compliance with this subdivision within  
32 60 days after such determination by the Secretary.

33        The requirements of subdivisions (1) and (2) of this subsection may not be waived by the  
34 area board, the Director of the Office of State Human Resources, or the Secretary regardless of  
35 whether the State Human Resources Commission has made a determination under G.S. 126-11  
36 that all or a portion of the board's personnel system has been determined to be substantially  
37 equivalent to, and therefore exempt from, the provisions of Chapter 126 of the General  
38 Statutes.

39        (a3) If the Secretary determines that the compensation of an area director, including  
40 salary, benefits, and bonuses, exceeds the limitations specified in this section, the area board  
41 shall prospectively reduce that area director's compensation, including salary, benefits, and  
42 bonuses, to achieve compliance with this section within 60 days after such determination by the  
43 Secretary. If an area board does not bring an area director's compensation, including salary,  
44 benefits, and bonuses, into compliance with this section within the 60-day period, the Secretary  
45 shall notify, in writing, the area board and the applicable participating boards of county  
46 commissioners of the area authority specifically how the area director's compensation,  
47 including salary, benefits, and bonuses, does not comply with this section and that the area  
48 board must bring the area director's compensation, including salary, benefits, and bonuses, into  
49 compliance with this section or a caretaker board of directors will be appointed as provided in  
50 subsection (c) of G.S. 122C-124.1. The area board shall have 60 days from the date it receives

1 notice under this subsection to bring the area director's compensation, including salary,  
2 benefits, and bonuses, into compliance with this section.

3 If, at the end of the 60-day notice period, the area board has not brought the area director's  
4 compensation, including salary, benefits, and bonuses, into compliance with this section, the  
5 Secretary shall appoint a caretaker board of directors as provided in subsection (c) of  
6 G.S. 122C-124.1. The Secretary may assign any or all of the powers and duties of the area  
7 director or of the area board to the caretaker board as the Secretary deems necessary and  
8 appropriate. In addition to performing all of these powers and duties, the caretaker board shall  
9 bring the area director's compensation, including salary, benefits, and bonuses, into compliance  
10 with this section. The Secretary may terminate the area director when it appoints a caretaker  
11 board. Neither party to any applicable employment contract shall be entitled to damages. After  
12 a caretaker board has been appointed, the General Assembly shall consider, at its next regular  
13 session, the future governance of the identified area authority.

14 (a2)(a4) The area board shall not provide the area director with any benefits or bonuses  
15 that are not also provided by the area board to all permanent employees of the area program,  
16 except that the area board may, in its discretion, offer severance benefits, relocation expenses,  
17 or both, to an applicant for the position of area director as an incentive for the applicant to  
18 accept an offer of employment. The area director shall be reimbursed only for allowable  
19 employment-related expenses at the same rate and in the same manner as other employees of  
20 the area program.

21 (a5) The total compensation provided or recommended to be provided by each area  
22 board to its area director, including salary, benefits, and bonuses, shall be subject to review and  
23 written approval by the Director of the Office of State Human Resources and the Secretary on

26 Resources and the Secretary.

27 (a6) Annually on June 30, each area board shall submit to the Secretary and the Director  
28 of the Office of State Human Resources a copy of all current employment agreements,  
29 employment contracts, and any amendments to those agreements and contracts that the area  
30 board has entered into with its area director, as well as any other documents relating to the area  
31 director's compensation, including salary, benefits, and bonuses.

32 (b) The Secretary and the area board shall evaluate annually the area director for  
33 performance based on criteria established by the Secretary and the area board. In conducting  
34 the evaluation, the Secretary and the area board shall consider comments from the board of  
35 county commissioners.

36 (c) The area director is the administrative head of the area program. In addition to the
