12 notice provided for in this subsection. In this instance, a city may elect to either make the  
13 mailed notice provided for in subsection (a) of this section or may as an alternative elect to  
14 publish notice of the hearing as required by G.S. 160A-364, but provided that each  
15 advertisement shall not be less than one-half of a newspaper page in size. The advertisement  
16 shall only be effective for property owners who reside in the area of general circulation of the  
17 newspaper which publishes the notice. Property owners who reside outside of the newspaper

28 (c) When a zoning map amendment is proposed, the city shall prominently post a notice  
29 of the public hearing on the site proposed for rezoning or on an adjacent public street or  
30 highway right-of-way. When multiple parcels are included within a proposed zoning map  
31 amendment, a posting on each individual parcel is not required, but the city shall post sufficient  
32 notices to provide reasonable notice to interested persons."

33 **SECTION 10.** G.S. 153A-343 reads as rewritten:

34 "**§ 153A-343. Method of procedure.**

35 (a) The board of commissioners shall, in accordance with the provisions of this Article,  
36 provide for the manner in which zoning regulations and restrictions and the boundaries of  
37 zoning districts shall be determined, established, and enforced, and from time to time amended,  
38 supplemented, or changed. The procedures adopted pursuant to this section shall provide that  
39 whenever there is a zoning map amendment, the owner of that parcel of land as shown on the  
40 county tax listing, and the owners of all parcels of land abutting that parcel of land as shown on  
41 the county tax listing, shall be mailed a notice of a public hearing on the proposed amendment  
42 by first class mail at the last addresses listed for such owners on the county tax abstracts. This

45 without the written consent of all property owners whose property is the subject of the zoning  
46 map amendment, unless the zoning map amendment is initiated by the county. ~~Except for a~~  
47 ~~county-initiated zoning map amendment, when an application is filed to request a zoning map~~  
48 ~~amendment and that application is not made by the owner of the parcel of land to which the~~  
49 ~~amendment would apply, the applicant shall certify to the board of commissioners that the~~  
50 ~~owner of the parcel of land as shown on the county tax listing has received actual notice of the~~  
51 ~~proposed amendment and a copy of the notice of public hearing. The person or persons~~

1 required to provide notice shall certify to the board of commissioners that proper notice has  
2 been provided in fact, and such certificate shall be deemed conclusive in the absence of fraud.

3 (b) The first class mail notice required under subsection (a) of this section shall not be  
4 required if the zoning map amendment directly affects more than 50 properties, owned by a  
5 total of at least 50 different property owners, and the county elects to use the expanded  
6 published notice provided for in this subsection. In this instance, a county may elect to either  
7 make the mailed notice provided for in subsection (a) of this section or may as an alternative  
8 elect to publish notice of the hearings required by G.S. 153A-323, but provided that each of the  
9 advertisements shall not be less than one-half of a newspaper page in size. The advertisement  
10 shall only be effective for property owners who reside in the area of general circulation of the  
11 newspaper which publishes the notice. Property owners who reside outside of the newspaper  
12 circulation area, according to the address listed on the most recent property tax listing for the  
13 affected property, shall be notified according to the provisions of subsection (a) of this section.

16 ~~Rule 4(j). If notice cannot with due diligence be achieved by personal delivery, registered or~~  
17 ~~certified mail, or by a designated delivery service authorized pursuant to 26 U.S.C. §~~  
18 ~~7502(f)(2), notice may be given by publication consistent with G.S. 1A-1, Rule 4(j1). This~~

20 ~~application is not made by the owner of the parcel of land to which the amendment would~~  
21 ~~apply. This subsection does not apply to a county initiated zoning map amendment.~~

23 (d) When a zoning map amendment is proposed, the county shall prominently post a  
24 notice of the public hearing on the site proposed for rezoning or on an adjacent public street or  
25 highway right-of-way. When multiple parcels are included within a proposed zoning map  
26 amendment, a posting on each individual parcel is not required, but the county shall post  
27 sufficient notices to provide reasonable notice to interested persons."

28 **SECTION 11.** Part 3 of Article 19 of Chapter 160A of the General Statutes is  
29 amended by adding a new section to read:

30 **"§ 160A-393.1 Civil action for declaratory relief, injunctive relief, or other remedies.**

31 (a) Action for Relief Authorized. – Any landowner, permit applicant, or tenant  
32 aggrieved by a final and binding decision of an administrative official involving the application  
33 or enforcement of a city or county zoning or unified development ordinance or any other  
34 ordinance that regulates land use or development may, in lieu of an appeal to a board of  
35 adjustment prescribed by Chapter 153A or Chapter 160A of the General Statutes, maintain an  
36 original action in superior court for declaratory relief, injunctive relief, damages, or any other  
37 remedies provided by law or equity, where any of the following claims or defenses are asserted  
38 by the aggrieved party:

39 (1) That the ordinance, either on its face or as applied by the final decision of  
40 the administrative official, violates the United States or North Carolina  
41 Constitutions.

42 (2) That the ordinance or the final decision of the administrative official is  
43 invalid or unenforceable on grounds of ultra vires or preemption, or is  
44 otherwise in excess of authority.

45 (3) That the ordinance or the final decision of the administrative official violates  
46 common law or statutory vested rights of the aggrieved party.

47 (4) That the ordinance or final decision of the administrative official constitutes  
48 a taking of property.

49 In any action brought pursuant to this subsection, and notwithstanding G.S. 160A-388(b1),  
50 the aggrieved party may, in addition to the above, join any other available claims or defenses,  
51 arising from or relating to the final decision of the administrative official, including, without

1 limitation, claims or defenses relating to the interpretation or application of the ordinance. The  
 2 burden of proof to show a violation of a city or county zoning or unified development  
 3 ordinance or any other ordinance that regulates land-use or development rests with the party  
 4 seeking to enforce such ordinance.

5 (b) Time for Commencement of Action. – Any action brought pursuant to this section  
 6 shall be commenced within one year after the date on which written notice of the final decision  
 7 is delivered to the aggrieved party by personal delivery, electronic mail, or by first-class mail.

8 (c) Availability of Alternative Remedy. – Any person entitled to maintain an action  
 9 under this section may elect instead to present any of the claims or defenses set forth in  
 10 subdivisions (a)(1) through (a)(3) of this section by way of appeal to the board of adjustment as  
 11 provided in G.S. 160A-388(b1) and may thereafter appeal from an adverse decision by the  
 12 board of adjustment as provided in G.S. 160A-393. Once an appeal setting forth such claims or  
 13 defenses has been filed pursuant to G.S. 160A-388(b1)(1) and its related hearing before the  
 14 board of adjustment commenced, a party may not thereafter bring an action as authorized by  
 15 this section, provided, however, that nothing herein shall be deemed to preclude a party from  
 16 maintaining an action under federal law or a takings claim.

17 (d) Notice to Abutting Landowners. – A person who commences an action pursuant to  
 18 this section shall notify by first-class mail the owners of all parcels of land abutting the parcel  
 19 of land that is the subject of the complaint that such action has been filed. The notice shall  
 20 include a copy of the complaint. The party bringing the civil action may rely on the county tax  
 21 listings to determine owners of property entitled to mailed notice and the applicable mailing  
 22 addresses. The notice shall be mailed no later than 30 days after the commencement of the  
 23 action, unless an extension, not to extend 30 days, is granted pursuant to Rule 6(b) of the North  
 24 Carolina Rules of Civil Procedure."

25 **SECTION 12.** G.S. 160A-364.1 reads as rewritten:

26 "**§ 160A-364.1. Statute of limitations.**

27 ...

28 (c) Nothing in this section or in G.S. 1-54(10) or G.S. 1-54.1 shall bar a party in an  
 29 action involving the enforcement of a zoning or unified development ordinance or in an action  
 30 authorized by G.S. 160A-393.1 from raising as a claim or defense to such enforcement action in  
 31 such proceedings the invalidity of the ordinance. Nothing in this section or in G.S. 1-54(10) or  
 32 G.S. 1-54.1 shall bar a party who files a timely appeal from an order, requirement, decision, or  
 33 determination made by an administrative official contending that such party is in violation of a  
 34 zoning or unified development ordinance from raising in the appeal the invalidity of such  
 35 ordinance as a defense to such order, requirement, decision, or determination. A party in an  
 36 enforcement action or appeal may not assert the invalidity of the ordinance on the basis of an  
 37 alleged defect in the adoption process unless the defense is formally raised within three years of  
 38 the adoption of the challenged ordinance.

39 ...."

40 **SECTION 13.** G.S. 160A-393 reads as rewritten:

41 "**§ 160A-393. Appeals in the nature of certiorari.**

42 ...

43 (j) Hearing on the Record. – The court shall hear and decide all issues raised by the  
 44 petition by reviewing the record submitted in accordance with subsection ~~(h)~~(i) of this section.  
 45 Except that the court may, in its discretion, shall allow the record to be supplemented with  
 46 affidavits, testimony of witnesses, or documentary or other evidence if, and to the extent that,  
 47 the record is not adequate to allow an appropriate determination petition raises any of the  
 48 following issues: issues, in which case the rules of discovery set forth in the North Carolina  
 49 Rules of Civil Procedure shall apply to the supplementation of the record of said issues:

50 (1) Whether a petitioner or intervenor has standing.

- 1 (2) Whether, as a result of impermissible conflict as described in  
2 G.S. 160A-388(e)(2), or locally adopted conflict rules, the decision-making  
3 body was not sufficiently impartial to comply with due process principles.
- 4 (3) Whether the decision-making body erred for the reasons set forth in  
5 sub-subdivisions a. and b. of subdivision (1) of subsection (k) of this  
6 ~~section~~section, including an error related to the claims or defenses in  
7 subdivision (k)(4) of this section.
- 8 (k) Scope of Review. –
- 9 (1) When reviewing the decision of a decision-making board under the  
10 provisions of this section, the court shall ensure that the rights of petitioners  
11 have not been prejudiced because the decision-making body's findings,  
12 inferences, conclusions, or decisions were:
- 13 a. In violation of constitutional provisions, including those protecting  
14 procedural due process rights.
- 15 b. In excess of the statutory authority conferred upon the city or the  
16 authority conferred upon the decision-making board by ordinance.
- 17 c. Inconsistent with applicable procedures specified by statute or  
18 ordinance.
- 19 d. Affected by other error of law.
- 20 e. Unsupported by substantial competent evidence in view of the entire  
21 record.
- 22 f. Arbitrary or capricious.
- 23 (2) When the issue before the court is one set forth in sub-subdivisions a.  
24 through d. of subdivision (1) of this subsection, including whether the  
25 decision-making board erred in interpreting an ordinance, the court shall  
26 review that issue de novo. The court shall consider the interpretation of the  
27 decision-making board, but is not bound by that interpretation, and may  
28 freely substitute its judgment as appropriate.
- 29 (3) The term "competent evidence," as used in this subsection, shall not preclude  
30 reliance by the decision-making board on evidence that would not be  
31 admissible under the rules of evidence as applied in the trial division of the  
32 General Court of Justice if (i) except for the items noted in sub-subdivisions  
33 a., b., and c. of this subdivision that are conclusively incompetent, the  
34 evidence was admitted without objection or (ii) the evidence appears to be  
35 sufficiently trustworthy and was admitted under such circumstances that it  
36 was reasonable for the decision-making board to rely upon it. The term  
37 "competent evidence," as used in this subsection, ~~shall~~shall, regardless of the  
38 lack of a timely objection, not be deemed to include the opinion testimony of  
39 lay witnesses as to any of the following:
- 40 a. The use of property in a particular way would affect the value of  
41 other property.
- 42 b. The increase in vehicular traffic resulting from a proposed  
43 development would pose a danger to the public safety.
- 44 c. Matters about which only expert testimony would generally be  
45 admissible under the rules of evidence.
- 46 (4) The petitioner may assert and the court shall determine de novo, based on  
47 the record, as supplemented in accordance with subsection (j) of this section,  
48 any of the following claims or defenses:
- 49 a. That the ordinance, either on its face or as applied by the final  
50 decision of the administrative official, violates the United States or  
51 North Carolina Constitutions.

b. That the ordinance or the final decision of the administrative official is invalid or unenforceable on grounds of ultra vires or preemption, or is otherwise in excess of authority.

c. That the ordinance or the final decision of the administrative official violates common law or statutory vested rights of the petitioner.

(5) In order to raise any claim or defense listed in subdivision (4) of this subsection, to the extent that they do not involve some act of the decision-making board itself or any of its members, the claim or defense shall be made known to the decision-making board at the hearing.

(l) Decision of the Court. – Following its review of the decision-making board in accordance with subsection (k) of this section, the court may affirm the decision, reverse the decision and remand the case with appropriate instructions, or remand the case for further proceedings. If the court does not affirm the decision below in its entirety, then the court shall be guided by the following in determining what relief should be granted to the petitioners:

(1) If the court concludes that the error committed by the decision-making board is procedural only, the court may remand the case for further proceedings to correct the procedural error.

(2) If the court concludes that the decision-making board has erred by failing to make findings of fact such that the court cannot properly perform its function, then the court may remand the case with appropriate instructions so long as the record contains substantial competent evidence that could support the decision below with appropriate findings of fact. However, findings of fact are not necessary when the record sufficiently reveals the basis for the decision below or when the material facts are undisputed and the case presents only an issue of law.

(3) If the court concludes that the decision by the decision-making board is not supported by substantial competent evidence in the record or is based upon an error of law, then the court may remand the case with an order that directs the decision-making board to take whatever action should have been taken had the error not been committed or to take such other action as is necessary to correct the error. Specifically:

a. If the court concludes that a permit was wrongfully denied because the denial was not based on substantial competent evidence or was otherwise based on an error of law, the court ~~may~~shall remand with instructions that the permit be issued, subject to ~~reasonable and appropriate conditions~~any conditions expressly consented to by the permit applicant as part of the application or during the board of adjustment appeal or writ of certiorari appeal.

b. If the court concludes that a permit was wrongfully issued because the issuance was not based on substantial competent evidence or was otherwise based on an error of law, the court may remand with instructions that the permit be revoked.

c. If the court concludes that a zoning board decision upholding a zoning enforcement action was not supported by substantial competent evidence or was otherwise based on an error of law, the court shall reverse the decision.

**SECTION 14.** Part 3 of Article 19 of Chapter 160A of the General Statutes is amended by adding a new section to read:

**"§ 160A-393.2. No estoppel effect when challenging unlawful conditions.**

1 A city or county may not assert before a board of adjustment or in any civil action the  
2 defenses of estoppel, waiver, release, acceptance, or other similar grounds as a result of actions  
3 by the landowner or permit applicant to proceed with development authorized by a rezoning or  
4 a development permit as defined in G.S. 160A-400.21 while said landowner or permit applicant  
5 challenges conditions imposed on said development."

6 **SECTION 15.** G.S. 6-21.7 reads as rewritten:

7 **"§ 6-21.7. Attorneys' fees; cities or counties acting outside the scope of their authority.**

8 In any action in which a city or county is a party, upon a finding by the court that the city or  
9 county acted outside the scope of its legal authority, violated a statute or case law setting forth  
10 unambiguous limits on its authority, the court may shall award reasonable attorneys' fees and  
11 costs to the party who successfully challenged the city's or county's action, provided that if the  
12 court also finds that the city's or county's action was an abuse of its discretion, the court shall  
13 award attorneys' fees and costs. In any action in which a city or county is a party, upon  
14 finding by the court that the city or county took action inconsistent with, or in violation of,  
15 G.S. 160A-360.1, 153A-320.1, or 143-755, the court shall award reasonable attorneys' fees and  
16 costs to the party who successfully challenged the local government's failure to comply with  
17 any of those provisions. In all other matters, the court may award reasonable attorneys' fees and  
18 costs to the prevailing private litigant. For purposes of this section, "unambiguous" means that  
19 the limits of authority are not reasonably susceptible to multiple constructions."

20 **SECTION 16.** G.S. 160A-372 reads as rewritten:

21 **"§ 160A-372. Contents and requirements of ordinance.**

22 ...  
23 (c) The ordinance may provide for the more orderly development of subdivisions by  
24 requiring the construction of community service facilities in accordance with municipal plans,  
25 policies, and standards. To assure compliance with these and other ordinance requirements, the  
26 ordinance may provide for performance guarantees to assure successful completion of required  
27 improvements either at the time the plat is recorded as provided in subsection (b) of this  
28 section, section or at a time subsequent to the recording of the plat to assure successful  
29 completion of required improvements. In the event a city fails to adopt an ordinance setting  
30 forth performance guarantees in compliance with subsection (g) of this section, a city shall not  
31 be authorized to require the successful completion of required improvements prior to a plat  
32 being recorded. For any specific development, the type and term of performance  
33 guarantee guarantee, or any extension of the performance guarantee, shall be at the election of  
34 the developer-developer provided that any performance guarantee or extension be available to  
35 assure the successful completion of improvements for which it is required. The developer shall  
36 be allowed, without limitation, to reduce the amount of the performance guarantee to reflect  
37 only the remaining incomplete items.

38 ...  
39 (g) For purposes of this section, all of the following shall apply with respect to  
40 performance guarantees:

- 41 (1) The term "performance guarantee" shall mean any of the following forms of  
42 guarantee:  
43 a. Surety bond issued by any company authorized to do business in this  
44 State.  
45 b. Letter of credit issued by any financial institution licensed to do  
46 business in this State.  
47 c. Other form of guarantee that provides equivalent security to a surety  
48 bond or letter of credit.  
49 (2) The performance guarantee shall be returned or released, as appropriate, in a  
50 timely manner upon the acknowledgement by the city or county that the  
51 improvements for which the performance guarantee is being required are

complete. If the improvements are not complete and the current performance guarantee is expiring, the performance guarantee shall be extended, or a new performance guarantee issued, for an additional period until such required improvements are complete. A developer shall demonstrate reasonable, good faith progress toward completion of the required improvements that are the subject of the performance guarantee or any extension. The form of any extension shall remain at the election of the developer.

(3) The amount of the performance guarantee shall not exceed one hundred twenty-five percent (125%) of the reasonably estimated cost of completion at the time the performance guarantee is issued. Any extension of the performance guarantee necessary to complete required improvements shall not exceed one hundred twenty-five percent (125%) of the reasonably estimated cost of completion of the remaining incomplete improvements still outstanding at the time the extension is obtained. At the election of the developer, one hundred twenty-five percent (125%) of the reasonably estimated cost of completion may be conclusively determined by a report provided under seal by an architect licensed under the provisions of Chapter 83A of the General Statutes or an engineer registered under the provisions of Chapter 89C of the General Statutes. This report may contain unit pricing information provided by a general contractor, licensed under Chapter 87 of the General Statutes, or any other competent source that the architect or engineer certifies, under seal, as accurate. The reasonably estimated cost of completion shall include all costs of inflation and costs of administration and enforcement, no matter how such related fees or charges are denominated.

(4) The performance guarantee shall only be used for completion of the required improvements and not for repairs or maintenance after completion.

(5) The developer shall have the option to post one form of a performance guarantee as provided for in subdivision (1) of this subsection, in lieu of multiple bonds, letters of credit or other equivalent security, for all development matters related to the same project requiring performance guarantees, including, without limitation, subdivision, erosion control, and stormwater.

(6) No person shall have or may claim any rights under or to any performance guarantee provided pursuant to this subsection or in the proceeds of any such performance guarantee other than the following:

- a. The local government to whom such performance guarantee is provided.
- b. The developer at whose request or for whose benefit such performance guarantee is given.
- c. The person or entity issuing or providing such performance guarantee at the request of or for the benefit of the developer."

**SECTION 17.** G.S. 153A-331 reads as rewritten:

**"§ 153A-331. Contents and requirements of ordinance.**

...

(e) The ordinance may provide for the more orderly development of subdivisions by requiring the construction of community service facilities in accordance with county plans, policies, and standards. To assure compliance with these and other ordinance requirements, the ordinance may provide for performance guarantees ~~to assure successful completion of required improvements~~ either at the time the plat is recorded as provided in subsection (b) of this section-section or at a time subsequent to the recording of the plat to assure successful completion of required improvements. In the event a county fails to adopt an ordinance setting

1 forth performance guarantees in compliance with subsection (g) of this section, a county shall  
2 not be authorized to require the successful completion of required improvements prior to a plat  
3 being recorded. For any specific development, the type and term of performance guarantee  
4 from the range specified by the county guarantee, or any extension of the performance  
5 guarantee, shall be at the election of the developer, provided that any performance  
6 guarantee or extension be available to assure the successful completion of the improvements  
7 for which it is required. The developer shall be allowed, without limitation, to reduce the  
8 amount of the performance guarantee to reflect only the remaining incomplete items.

10 **SECTION 18.** G.S. 160A-381 reads as rewritten:

11 **"§ 160A-381. Grant of power.**

12 ...

13 (c) The regulations may also provide that the board of adjustment, the planning board,  
14 or the city council may issue special use permits or conditional use permits in the classes of  
15 cases or situations and in accordance with the principles, conditions, safeguards, and  
16 procedures specified therein and may impose reasonable and appropriate conditions and  
17 safeguards upon these permits. Conditions and safeguards imposed under this subsection shall  
18 not include requirements for which the city does not have authority under statute to regulate nor  
19 requirements for which the courts have held to be unenforceable if imposed directly by the  
20 city-city, including, without limitation, taxes, impact fees, building design elements within the  
21 scope of subsection (h) of this section not voluntarily offered by the petitioner, street  
22 improvements in excess of those allowed in G.S. 160A-372, driveway-related improvements in  
23 excess of those allowed in G.S. 136-18(29) and G.S. 160A-307, or other unauthorized  
24 limitations on the development or use of land. When deciding special use permits or  
25 conditional use permits, the city council or planning board shall follow quasi-judicial  
26 procedures. Notice of hearings on special or conditional use permit applications shall be as  
27 provided in G.S. 160A-388(a2). No vote greater than a majority vote shall be required for the  
28 city council or planning board to issue such permits. For the purposes of this section, vacant  
29 positions on the board and members who are disqualified from voting on a quasi-judicial matter  
30 shall not be considered "members of the board" for calculation of the requisite majority. Every  
31 such decision of the city council or planning board shall be subject to review of the superior  
32 court in the nature of certiorari in accordance with G.S. 160A-388.

33 Where appropriate, such conditions may include requirements that street and utility  
34 rights-of-way be dedicated to the public and that provision be made of recreational space and  
35 facilities. Notwithstanding anything to the contrary, a development permit authorized pursuant  
36 to this subsection shall not be denied on the basis that existing public facilities are inadequate to  
37 serve the property described in the permit application regardless of the type of use or  
38 development of said property.

39 ...."

40 **SECTION 19.** G.S. 153A-340 reads as rewritten:

41 **"§ 153A-340. Grant of power.**

42 ...

43 (c1) The regulations may also provide that the board of adjustment, the planning board,  
44 or the board of commissioners may issue special use permits or conditional use permits in the  
45 classes of cases or situations and in accordance with the principles, conditions, safeguards, and  
46 procedures specified therein and may impose reasonable and appropriate conditions and  
47 safeguards upon these permits. Conditions and safeguards imposed under this subsection shall  
48 not include requirements for which the county does not have authority under statute to regulate  
49 nor requirements for which the courts have held to be unenforceable if imposed directly by the  
50 county-county, including, without limitation, taxes, impact fees, building design elements  
51 within the scope of subsection (l) of this section not voluntarily offered by the petitioner, street

1 improvements in excess of those allowed in G.S. 160A-372, driveway-related improvements in  
2 excess of those allowed in G.S. 136-18(29), or other unauthorized limitations on the  
3 development or use of land. Where appropriate, the conditions may include requirements that  
4 street and utility rights-of-way be dedicated to the public and that recreational space be  
5 provided. Notwithstanding anything to the contrary, a development permit authorized pursuant  
6 to this subsection shall not be denied on the basis that existing public facilities are inadequate to  
7 serve the property described in the permit application regardless of the type of use or  
8 development of said property. When deciding special use permits or conditional use permits,  
9 the board of county commissioners or planning board shall follow quasi-judicial procedures.  
10 Notice of hearings on special or conditional use permit applications shall be as provided in  
11 G.S. 160A-388(a2). No vote greater than a majority vote shall be required for the board of  
12 county commissioners or planning board to issue such permits. For the purposes of this section,  
13 vacant positions on the board and members who are disqualified from voting on a quasi-judicial  
14 matter shall not be considered "members of the board" for calculation of the requisite majority.  
15 Every such decision of the board of county commissioners or planning board shall be subject to  
16 review of the superior court in the nature of certiorari consistent with G.S. 160A-388.

17 ...."

18 **SECTION 20.** G.S. 153A-352 reads as rewritten:

19 **"§ 153A-352. Duties and responsibilities.**

20 ...

21 (b) Except as provided in G.S. 153A-364, a county may not adopt a new local  
22 ordinance or resolution or any other policy or enforce an existing local ordinance, resolution, or  
23 policy that requires regular, routine inspections of buildings or structures constructed in  
24 compliance with the North Carolina Residential Code for One- and Two-Family Dwellings in  
25 addition to the specific inspections required by the North Carolina Building Code without first  
26 obtaining approval from the North Carolina Building Code Council. The North Carolina  
27 Building Code Council shall review all applications for additional inspections requested by a  
28 county and shall, in a reasonable manner, approve or disapprove the additional inspections.  
29 This subsection does not limit the authority of the county to require inspections upon  
30 unforeseen or unique circumstances that require immediate action. In performing the specific  
31 inspections required by the North Carolina Building Code, the inspector shall conduct all  
32 inspections requested by the permit holder for each scheduled inspection visit. For each  
33 requested inspection, the inspector shall inform the permit holder of instances in which the  
34 work inspected is incomplete or otherwise fails to meet the requirements of the North Carolina  
35 Residential Code for One- and Two-Family Dwellings.

36 ...."

37 **SECTION 21.** G.S. 160A-412 reads as rewritten:

38 **"§ 160A-412. Duties and responsibilities.**

39 ...

40 (b) Except as provided in G.S. 160A-424, a city may not adopt a new local ordinance or  
41 resolution or any other policy or enforce an existing local ordinance, resolution, or policy that  
42 requires regular, routine inspections of buildings or structures constructed in compliance with  
43 the North Carolina Residential Code for One- and Two-Family Dwellings in addition to the  
44 specific inspections required by the North Carolina Building Code without first obtaining  
45 approval from the North Carolina Building Code Council. The North Carolina Building Code  
46 Council shall review all applications for additional inspections requested by a city and shall, in  
47 a reasonable manner, approve or disapprove the additional inspections. This subsection does  
48 not limit the authority of the city to require inspections upon unforeseen or unique  
49 circumstances that require immediate action. In performing the specific inspections required by  
50 the North Carolina Building Code, the inspector shall conduct all inspections requested by the  
51 permit holder for each scheduled inspection visit. For each requested inspection, the inspector

1 shall inform the permit holder of instances in which the work inspected is incomplete or  
2 otherwise fails to meet the requirements of the North Carolina Residential Code for One- and  
3 Two-Family Dwellings.

4 ...."

5 **SECTION 22.** G.S. 160A-37 reads as rewritten:

6 "**§ 160A-307. Curb cut regulations.**

7 A city may by ordinance regulate the size, location, direction of traffic flow, and manner of  
8 construction of driveway connections into any street or alley. The ordinance may require the  
9 construction or reimbursement of the cost of construction and public dedication of medians,  
10 acceleration and deceleration lanes, and traffic storage lanes for driveway connections into any  
11 street or alley if:

12 (1) The need for such improvements is reasonably attributable to the traffic  
13 using the driveway; and

14 (2) The improvements serve the traffic of the driveway.

15 No street or alley under the control of the Department of Transportation may be improved  
16 without the consent of the Department of Transportation. ~~However, if there is a conflict~~  
17 ~~between the written driveway regulations of the Department of Transportation and the related~~  
18 ~~driveway improvements required by the city, the more stringent requirement shall apply.~~ A city  
19 may not require the applicant to acquire right-of-way from property not owned by the  
20 applicant."

21 **SECTION 23.** G.S. 160A-385(c), as enacted by Section 5 of this act, and  
22 G.S. 153A-344(b1), as enacted by Section 7 of this act, are effective with respect to phased  
23 development approvals that are valid and unexpired on the effective date of this act. The  
24 remainder of this act is effective when it becomes law and applies to permits previously issued  
25 that remain valid and unexpired on the date this act becomes law and to permit actions filed,  
26 actions filed in court, and claims and defenses asserted on or after that date.
