48 (a) Beginning October 1, 2017, the Department shall accept applications for approval as  
49 a rural fund. The application shall include all of the following:

50 (1) The total investment authority sought by the applicant.

1           (2)    A copy of the applicant's license or the license of an affiliate of the applicant  
2                   as a (i) rural business investment company under 7 U.S.C. § 2009cc or (ii)  
3                   small business investment company under 15 U.S.C. § 68.

4           (3)    Evidence that, as of the date the application, the applicant or the affiliate has  
5                   invested at least one hundred million dollars (\$100,000,000) in nonpublic  
6                   companies located in communities throughout the United States with fewer  
7                   than 50,000 residents.

8           (4)    A signed affidavit from each investor stating the investor's amount of private  
9                   contributions to the rural fund.

10       (b)    The Department shall make application determinations by November 30, 2017, in  
11       the order in which the applications are received. The Department shall deem applications  
12       received on the same day to have been received simultaneously. The Department shall not  
13       approve more than one hundred million dollars (\$100,000,000) in investment authority. If  
14       requests for investment authority received simultaneously would result in the limitation  
15       provided in this subsection being exceeded, the Department shall proportionally allot the  
16       investment authority among the approved applications. Upon approval of an application, the  
17       Department shall provide a grant certificate to the applicant designating the applicant as a rural  
18       fund and specifying the amount of the rural fund's investment authority.

19       (c)    The Department may deny an application submitted under this section only for the  
20       following reasons:

21           (1)    The applicant does not satisfy all the criteria described in subsection (a) of  
22                   this section.

23           (2)    The signed affidavits of investors indicate private contributions of less than  
24                   fifty percent (50%) of the total amount of investment authority sought by the  
25                   applicant.

26           (3)    The Department has already approved the maximum amount of investment  
27                   authority allowed under subsection (b) of this section.

28       (d)    If the Department denies an application, the applicant may provide additional  
29       information to the Department within five days of the notice of denial. The Department shall  
30       review and reconsider the application and additional information within 10 days but not beyond  
31       November 30, 2017. A reconsidered application shall retain the original date of receipt  
32       provided under subsection (b) of this section for purposes of priority.

33       (e)    A rural fund shall do all of the following:

34           (1)    Within 60 days after receiving the approval issued under subsection (b) of  
35                   this section, collect the private contributions from each investor that, when  
36                   added to the repayable grant, equal the rural fund's investment authority.

37           (2)    Within 65 days after receiving the approval issued under subsection (b) of  
38                   this section, send to the Department documentation sufficient to prove that  
39                   the amounts described in subdivision (1) of this subsection have been  
40                   collected.

41       (f)    If the rural fund fails to fully comply with subsection (e) of this section, the rural  
42       fund's approval is forfeited, and the Department may award the corresponding investment  
43       authority to existing applicants who received an investment authority lower than the amount  
44       requested due to a reduction pursuant to subsection (b) of this section or to new applicants.

45       **"§ 143B-437.138. Grant established.**

46       (a)    The North Carolina Rural Job Creation Fund is established as a special revenue fund  
47       in the Department. The Department shall provide allocations from the Fund to a rural fund as of  
48       the closing date in an amount equal to one-half of the investment authority provided to the rural  
49       fund in the grant certificate issued pursuant to G.S. 143B-437.137(b).

50       (b)    The rural fund and the Department shall execute a binding agreement enumerating  
51       the duties of the Department, including the right of the rural fund to receive allocations as

1 provided in subsection (a) of this section, the duties of the rural fund to invest in business  
2 concerns, and stating terms of grant repayment, consistent with the provisions of this Part.

3 **"§ 143B-437.139. Demand of repayment.**

4 (a) The Department shall demand immediate repayment of the grant issued under  
5 G.S. 143B-437.138 if any of the following occurs with respect to the rural fund before it is  
6 certified to exit the program in accordance with G.S. 143B-437.143:

7 (1) The rural fund does not invest all of its investment authority in growth  
8 investments in this State within three years of the closing date and does not  
9 invest at least seventy percent (70%) of its investment authority in growth  
10 investments in development tier one or two areas.

11 (2) The rural fund, after satisfying subdivision (1) of this subsection, fails to  
12 maintain growth investments equal to one hundred percent (100%) of its  
13 investment authority in growth investments in this State until the sixth  
14 anniversary of the closing date. For the purposes of this subsection, an  
15 investment is "maintained" even if the investment is sold or repaid so long as  
16 the rural fund reinvests an amount equal to the capital returned or recovered  
17 by the rural fund from the original investment, exclusive of any profits  
18 realized, in other growth investments in this State within 12 months of the  
19 receipt of such capital. Amounts received periodically by a rural fund shall  
20 be treated as continually invested in growth investments if the amounts are  
21 reinvested in one or more growth investments by the end of the following  
22 calendar year. A rural fund is not required to reinvest capital returned from  
23 growth investments after the fifth anniversary of the closing date, and such  
24 growth investments shall be considered held continuously by the rural fund  
25 through the sixth anniversary of the closing date.

26 (3) The rural fund, before exiting the program in accordance with  
27 G.S. 143B-437.143, makes a distribution or payment that results in the rural  
28 fund having less than one hundred percent (100%) of its investment  
29 authority invested in growth investments in this State or available for  
30 investment in growth investments and held in cash and other marketable  
31 securities.

32 (4) The rural fund provides greater than five million dollars (\$5,000,000) in  
33 growth investments in a single business concern, including growth  
34 investments in affiliates of the business concern.

35 (5) The rural fund makes a growth investment in a business concern that directly  
36 or indirectly through an affiliate owns, has the right to acquire an ownership  
37 interest, makes a loan to, or makes an investment in the rural fund, an  
38 affiliate of the rural fund, or an investor in the rural fund. For purposes of  
39 this subdivision, a rural fund will not be considered an affiliate of a business  
40 concern solely as a result of its growth investment.

41 (b) Before demanding repayment under this subsection, the Department shall notify the  
42 rural fund of the reasons for the pending repayment. The rural fund shall have 90 days from the  
43 date the notice was dispatched to correct any violation outlined in the notice to the satisfaction  
44 of the Department and avoid repayment of the grant.

45 **"§ 143B-437.140. Request for determination.**

46 A rural fund, before making a growth investment, may request from the Department a  
47 written opinion as to whether the business in which it proposes to invest is a business concern  
48 as defined in this Part. The Department, not later than the fifteenth business day after the date  
49 of receipt of the request, shall notify the rural fund of its determination. If the Department fails  
50 to notify the rural fund by the fifteenth business day of its determination, the business in which  
51 the rural fund proposes to invest shall be deemed to not be a business concern.

**"§ 143B-437.141. Reports.**

(a) A rural fund shall submit an annual report to the Department on or before the last day of February of each year until the rural fund has exited the program in accordance with G.S. 143B-437.143. The annual report shall provide documentation as to the rural fund's growth investments and include all of the following:

(1) A bank statement evidencing each growth investment.

(2) The name, location, and industry of each business concern receiving a growth investment, including either the determination letter set forth in G.S. 143B-437.140 or evidence that the business qualified as a business concern at the time the investment was made.

(3) The annualized number of net full-time employees and the number of full-time employees at the business concern on the date of the initial growth investment at each business concern.

(4) Any other information required by the Department.

(b) Within 60 days of receipt of an annual report, the Department shall provide written confirmation to the rural fund of the net full-time employees the rural fund has been credited for that year.

(c) By the fifth business day after the third anniversary of the closing date, a rural fund shall submit a report to the Department evidencing its compliance with the investment requirements of G.S. 143B-437.139(a)(1).

(d) The Department shall adopt rules necessary to implement this Part.

(e) The Department shall submit an annual report to the Joint Legislative Economic Development Oversight Committee on or before April 1, 2019. The annual report shall include all of the following:

(1) The rural funds certified to participate in the program.

(2) The amount of investment authority awarded to each rural fund.

(3) Any investments made by the rural funds, including the location of the investments.

(4) Whether the rural funds are in compliance with the statute and rules and regulations.

(5) Any other information required by the Department.

**"§ 143B-437.142. Fee.**

(a) The Department shall calculate an annual fee to be paid by each rural fund certified pursuant to G.S. 143B-437.137 by dividing twenty-five thousand dollars (\$25,000) by the number of applications certified pursuant to G.S. 143B-437.137 and notify each rural fund of the amount of the annual fee.

(b) The initial annual fee shall be due and payable to the Department with evidence of receipt of a cash investment as set forth in G.S. 143B-437.137(e)(2). After the initial annual fee, an annual fee shall be due and payable to the Department on or before that last day of February of each year.

(c) An annual fee shall not be required once a rural fund has exited the program in accordance with G.S. 143B-437.143.

(d) To maintain an aggregate annual fee of twenty-five thousand dollars (\$25,000) for all rural funds, the Department shall recalculate the annual fee as needed upon the lapse of any certification under G.S. 143B-437.137(g), the demand of repayment under G.S. 143B-437.139(a), or a rural fund's exit from the program pursuant to G.S. 143B-437.143.

**"§ 143B-437.143. Exit.**

(a) On or after the sixth anniversary of the closing date, a rural fund may exit the program and no longer be subject to the provisions of this Part. The Department shall respond to the application within 30 days of receipt and include a calculation of any repayment amount due.

1        (b) No distributions may be made with respect to the equity interests of the rural fund in  
2 excess of the sum of the amount of equity capital invested with respect to such interests and an  
3 amount equal to any projected increase in the federal or State tax liability of holders of such  
4 interests related to the ownership, management, or operation of the rural fund until the rural  
5 fund has made payments to the State equal to the repayment amount."

6            **SECTION 2.** There is appropriated from the General Fund to the North Carolina  
7 Rural Job Creation Fund, as established in this act, the sum of fifty million dollars  
8 (\$50,000,000) for the 2017-2018 fiscal year to be used for purposes consistent with that Fund.

9            **SECTION 3.** This act is effective when it becomes law.
